

## Request for Class II Permissive Change

FCC ID: 2A28USN339D

Date: 2024-6-3

Dear Sir/Madam,

Subject: FCC Class permission change for FCC ID: 2A28USN339D

Original Grant Date: 04/12/2024

This project is a CIIPC submission to our product: Smart Phone, model: SN339D-SMT, the device is identical to the previous certified except for the changes as below:

Major change description:

1. Rear camera changed from 50M to 13M
2. For the Battery cover side, the bevel corner is changed to the rounded corner.
3. The adhesive tape size of camera lens changed, and the quality has been changed from 2pcs to 4pcs.
4. The flash cover structure is changed
5. The ANT2 and ANT3 plastic film shape are changed
6. Model name is updated from SN339D to SN339D-SMT

The test strategy reference is as follows:

Case	Remark
Part 15B	Full Test
Part 15C	Check Worse RSE
Part 15E	Check Worse RSE
Part 22/24/27/90/96	Select the worst frequency band for each antenna to test RSE
Part 2.1093	Select the worst frequency band for each antenna to test SAR

Thank you.

Sincerely.
