

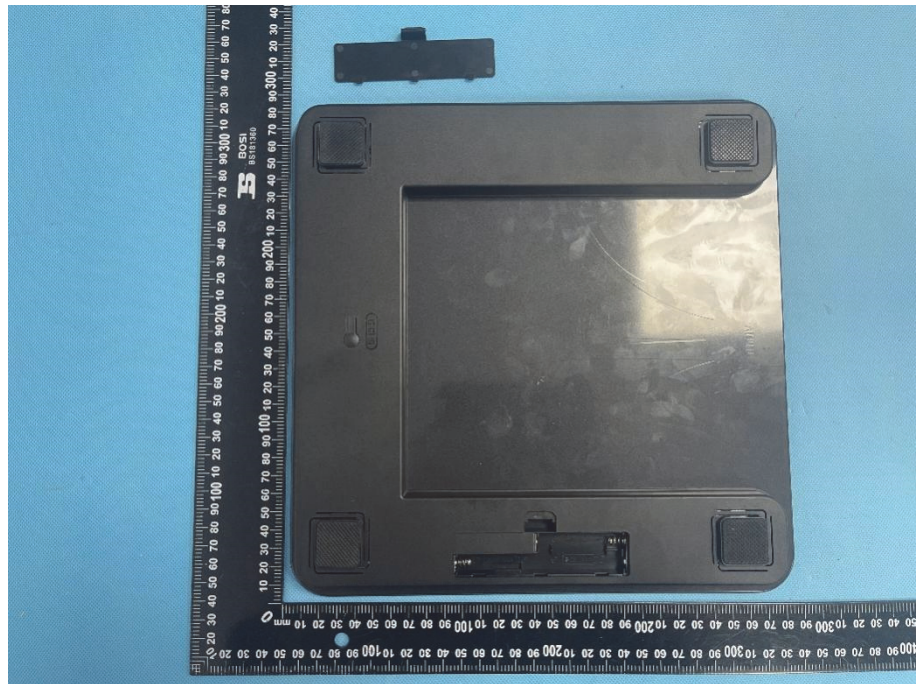

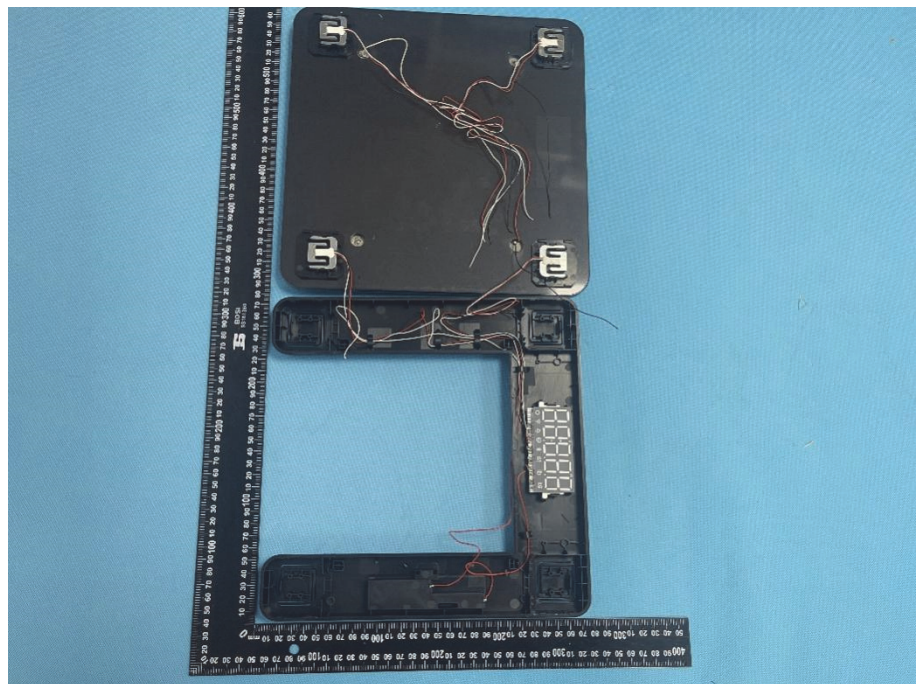

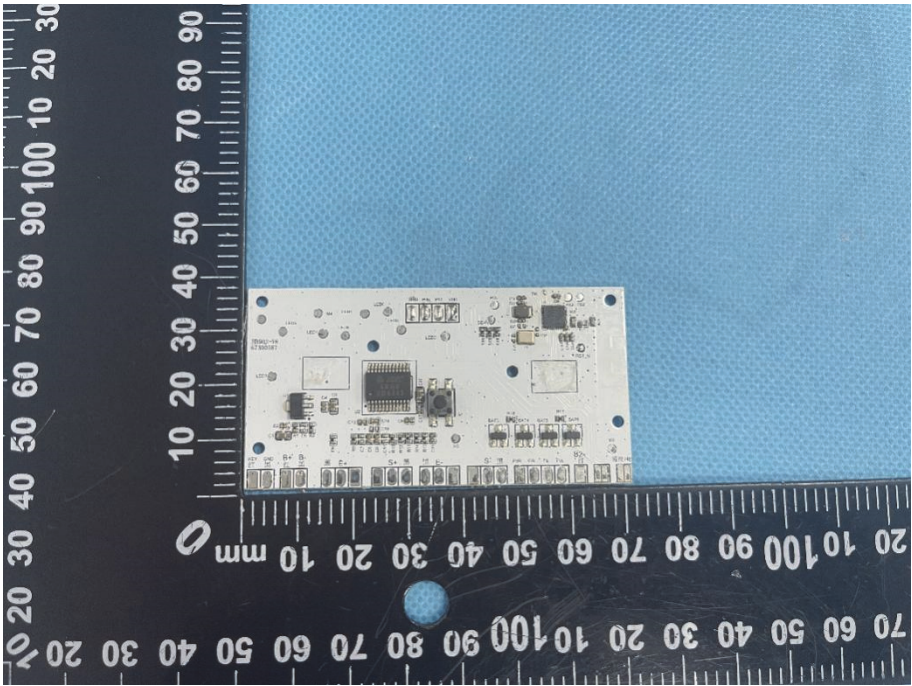

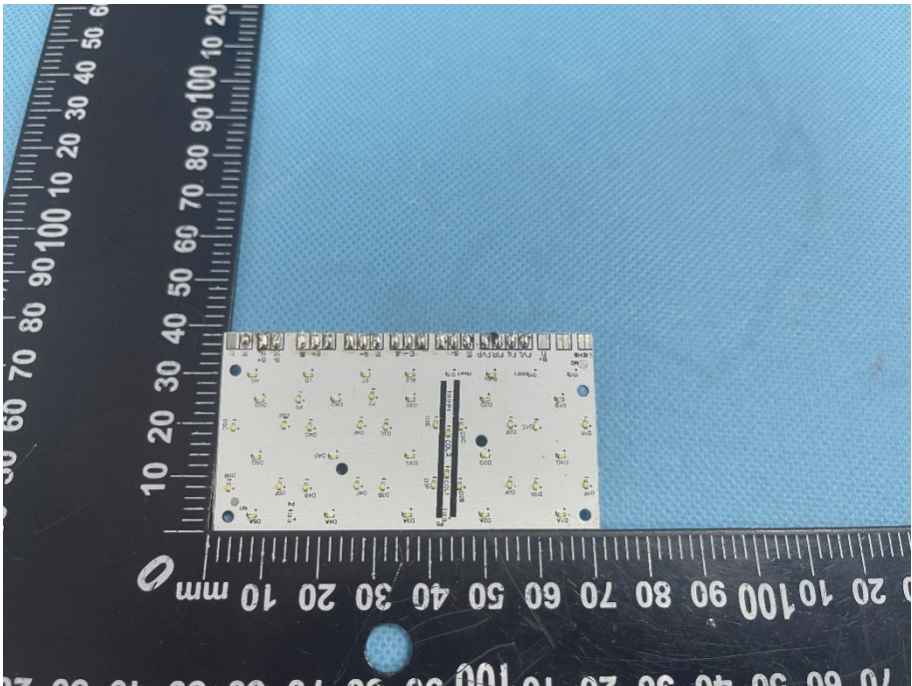

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1****EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a small, rectangular printed circuit board (PCB) component. The board is populated with various electronic components, including a central integrated circuit (IC), several resistors, and smaller surface-mount components. The board is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). Another ruler is placed horizontally below the board, also showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 2	 A photograph of the same PCB component from a different angle, showing the underside. The underside features a dense array of solder pads and components, including a large central IC and numerous smaller components. The board is placed on the same blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). Another ruler is placed horizontally below the board, also showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
