

Figure 1: Laser marking drawing of the bottom shell of the smart body weight scale. The drawing shows the back of the device with four corner mounting holes and a central rectangular area. Dimensions are provided for the mounting holes and the central area.

Dimensions:

- Top-left mounting hole: 6mm (width), 47mm (height)
- Top-right mounting hole: 6mm (width), 47mm (height)
- Bottom-left mounting hole: 6mm (width), 47mm (height)
- Bottom-right mounting hole: 6mm (width), 47mm (height)
- Central rectangular area: 64mm (width), 5mm (height)

Product Information:

- Vitafit**
- Smart Body Weight Scale
- Model: VT705
- Capacity: 182kg/400lb/28st
- Graduation: 0.05kg/0.1lb/0.1lb
- Battery: 3xAAA
- Made in China
- FCC ID: 2A2DS-VT705
- IC: 27422-VT705
- CAN ICES-003(B)/NMB-003(B)

Compliance and Safety:

- RoHS Compliant
- CE, FCC, UKCA, and other regulatory marks
- Scan for APP
- KG, LB, ST units

Technical Requirements:

- 1. ROHS

Approval Table:
