### INSTRUCTIONS

### SETTING UP

1. Remove pods from case once fully charged. These will flash red and blue, meaning they are ready to pair
2. Open Bluetooth connections within phone or tablet settings. Search 'LITE1' and select. Once paired a beep will sound, your ear pods are now ready to use. (Note: If the indicator flashes red and blue quickly, the earpods are disconnected.)
3. Press touch point for 3 seconds to power ON. Press for 5 seconds to power OFF.

### LISTENING TO MUSIC

1. Quick tap touch point to play or pause music.
2. Double tap earpod-L touch point to play previous song.
3. Double tap earpod-R touch point to play next song.

### PHONE CALLS

1. Quick tap touch point to answer call when in use.
2. Quick tap touch point again to end call.
3. Press touch point for 2-3 seconds to reject call when in use.
4. Triple tap touch point to redial last number.

### SIRI

1. Press for 2 seconds to activate Siri, Google Assistant or Bixby.

### PRODUCT CARE

- Clean product with a damp cloth & mild soap.
- Not designed to be submerged in water, should this occur product will malfunction.
- Avoid excessive twisting / turning of charging cable as this can cause malfunction.
- Contains no serviceable components. Do not attempt to open the ear pods or their casing as this may cause harm.
- Keep away from strong magnetic fields to avoid interference.

## INSTRUCTIONS & CARE

### SPECIFICATIONS

- Sensitivity: 105 dB+/-3dB
- Frequency Response: 20Hz - 20 kHz
- Impedance: 32 Ω ohm
- Rechargeable
- Earpod Battery Capacity 35mAh
- Charging Case Battery Capacity 300mA.
- Working time: 4-5 Hours
- Charging time: 1-2 Hours
- Wireless range: 10m
- Bluetooth V5.2

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
