

MIL-BTREC ®
MARINE ACCESSORY

FCC ID:2A2K9-MIL-BTREC

MIL-BTREC INSTALLATION INSTRUCTIONS:

- Step 1. Connect the RCA terminal of the Bluetooth receiver (MIL-BTREC) to the RCA Aux. input located on the back of your 12V stereo.
- Step 2. Wire your ground (black wire) to the negative terminal of your 12V battery.
- Step 3. Wire your positive (red wire) to the ignition lead. This will turn off the Bluetooth receiver when the ignition is off thereby reducing your current draw.
- Step 4. Select Mode to "Aux" on your stereo receiver.
- Step 5. Turn Bluetooth option to "ON" of your portable media device and select the "MIL-BTREC" prompt.
- Step 6. Return to music on portable media device and stream music.

Please take attention that changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
