

Outdoor 5G unipolar omnidirectional antenna product specification

product name: Outdoor 5G unipolar omnidirectional antenna

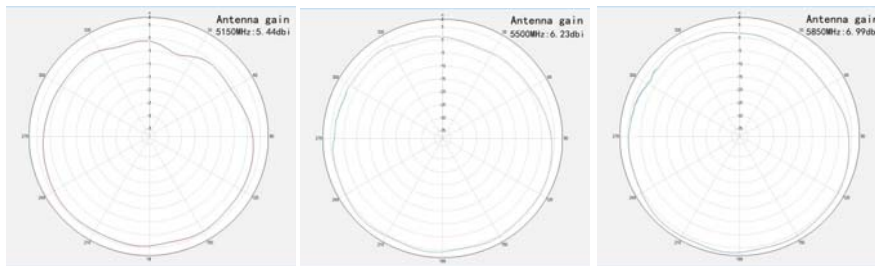

product model: PF-Q-0-5158-6-V-001

Electrical Specifications	
Frequency Range (MHz)	5150~5850
Gain (dBi)	6.99
Polarization	V
VSWR	≤2.0
Horizontal beam width (°)	360
Vertical beam width (°)	25±5
Front-to-back ratio (dB)	/
Max Input Power (W)	50
Input Impedance(Ω)	50
Connector	1*N -J-200MM+90MM
Lighting Protection	The dc grounding
Mechanical Specifications	
Weight (KG)	0.5
Radiation material	copper
The antenna size(mm)	Φ20*250
Radome Colour	black
Mechanical dip angle(°)	0
Arm diameter	Φ35-Φ55

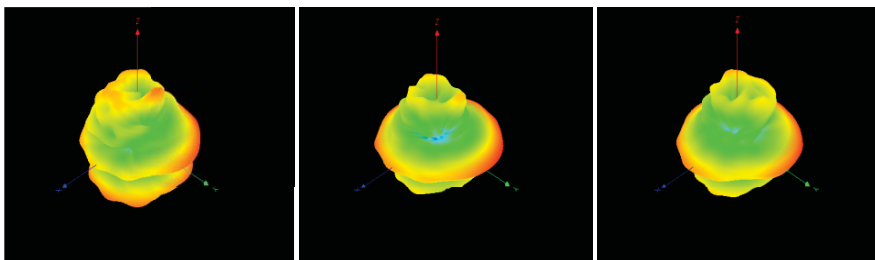

product picture

Low, medium and high test map

brand

5150MHz: 5.44dbi

5500MHz: 6.23dbi

5850MHz: 6.99dbi

Manufacturer Information

Dongguan Yuyangwan Electronic Communication Technology Co., LTD

8 Hengan Road, Chang 'an Town, Dongguan City
