

Model / Item Confirmation Letter

We Dongguan LIFAair Technology Limited, declare that our Smart Air Purifier products, they are identical in circuit principle, structure, safety components and function, the differences are as below:

Model No.	Filter	Dimension	Rated power	Monitoring controller
LA350, LA352, LA352C, LA352T, LA333, LA333T	HEPA filter & active carbon filter	H: 505mm ϕ 250mm	24V DC 45W	LAM01, LAM01a, LAM05, LAM06, LAM05V, LAM05T Optional or None
LA500, LA502, LA502C, LA502T, LA503	HEPA filter & active carbon filter	H: 800mm ϕ 300mm	24V DC 60W	
LA500V, LA500VC, LA500VT, LA503V, LA503VT	Composite filter	H: 800mm ϕ 300mm	24V DC 60W	
LA330V, LA330VC, LA330VT, LA313V, LA313VT	Composite filter	H: 505mm ϕ 250mm	24V DC 45W	

	Photo of internal filter, the different filters are made up of different materials and different filters can filter different gases
