### **Product Introduction**

The wireless charger stand is compatible with your phone[supporting wireless charging], iWatch and AirPods[or other TWS earbuds the case of which supports wireless charging] and can charge them simultaneously. Say goodbye to the messy cords and use the stand to make your desk and nightstand neatly and organized. If you are annoyed by the LED indicator light, please tap the touch control key to turn the light off.

### How to Use

- 1.Plug in the Type-C cable to power on the wireless charger.
- 2.Connect iWatch's charger to USB socket of our product, then fix iWatch's charging cable into matched area, put iWatch on and suck it up to charge (adjust watch strap to narrowest position will be better).
- 3.Put on your Qi enable devices to start charging.
