

Letter of Authorization

Attn: To Whom it may Concern

RE: Authorization to Apply for a "Change in Identification" per Section §2.933 of the FCC Rules

Dear Madame or Sir:

We, Wallys Communications Technologies Co., Ltd, a company legally organized and existing under the laws of China, having its principal place of business at Room 2723, Le Jia building Jia Rui Xiang No.8 SuZhou Industrial Park, Suzhou, China.

with regard to our dual band 2.4 / 5 GHz wireless radio modules having model names / part numbers DR600VX and DR900VX, as the manufacturers hereby declare that we have applied for and obtained a Federal Communications Commission (FCC) grant with **FCC ID: 2AG7VDR900VX** (used for both DR600VX and DR900VX), with an original issue date of Dec 3, 2019, and with this letter we **grant permission** on a one-time basis to the following company:

Tekniam, LLC

15501 West 100th Terrace, Lenexa, KS 66219 USA

to apply for a "Change in Identification" with the FCC, concerning the above-mentioned radio modules.

We understand that Tekniam, LLC must make this change in order to comply with the FCC regulations that apply to their product, identified as follows:

Model Name: RUCS DISTRIBUTION MODULE / Part Number: RDM21

FCC ID: 2A2SC-RDM21,

therefore, we authorize the FCC to use the information on file to grant the requested "Change in Identification".

We confirm that we will be supplying the DR600VX and DR900VX radio modules through our reseller partners unmodified and equivalent (electronically and electrically) to the originally certified equipment. The original test results continue to be representative of, and applicable to, the equipment bearing the changed identification.

Conversely, we emphasize that we have no control or responsibility regarding the proper installation or use of our radio modules in the products manufactured and sold by Tekniam, LLC. As a result, Tekniam, LLC takes full ownership and accountability for FCC compliance of their end products, including any appropriate labeling and identification.

Please let us know if there are any questions regarding this matter.

Wallys Communications Technologies Co., Ltd
