PROFESSION INSTALLATION LETTER

FEDERAL COMMUNICATIONS COMMISSION
Authorization and Evaluation Division
7434 Oakland Mills Road
Columbia, MD 21046

Dear Sir or Madame:

Our product, the "RUCS Distribution Module" (model RDM21, FCC ID: 2A2SC-RDM21) is a high-power, ruggedized meshing outdoor access point designed for the connection and extension of existing internet services.

We declare:

1. The distribution modules cannot be sold retail, directly to the general public, or by mail order. It shall only be sold through dealers or Tekniam agents.
2. It shall only be installed by trained professionals. The trained professional shall ensure the devices are properly mounted, aimed appropriately for specific installation, and properly configured to connect to the network. The device is primarily intended for permanent installation at least 5 meters above the ground and is not a readily portable device. Temporary installations are possible with proper placement guidelines being followed.
3. The intended use is typically not for general public.

Please contact us if there are any questions or if there is the need for any additional information.
