

A black smartwatch with a white strap is shown lying on a blue surface. The watch face is open, revealing the internal circuitry and a white battery. The watch is positioned next to a ruler that shows measurements in centimeters and millimeters. The ruler is placed horizontally, with the watch face open towards the right. The watch strap is black and has several holes for adjustment. The internal components of the watch are visible, including a small circuit board with various components and a white battery. The ruler has markings for centimeters (0 to 10) and millimeters (0 to 10 mm). The watch is positioned at approximately the 5 cm mark on the ruler.
