**Attestation Statements - Not Covered Entity Applicant
Not Covered Equipment Produce by Covered Entity**

To: Federal Communications Commission
7435 Oakland Mills Road,
Columbia, MD 21046, USA

Date: February 22, 2023

Ref: Information Required by Section 2.911(d)(5)(i) & (ii)

FCC ID: 2A3PM-TITANHD

Infrared Cameras Inc(ICI) ("the applicant") certifies that, as of the date of the filing of the application, the applicant is not identified on the Covered List, established pursuant to [§ 1.50002 of reference chapter](#), as an entity producing "covered" communication equipment. The equipment for which authorization is sought is not "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's Covered List that prohibited from receiving an equipment authorization pursuant to section [§ 2.903](#) of the FCC rules.

Sincerely yours,

Applicant Signature

A handwritten signature in black ink, appearing to read "Gary Strahan", is written over a horizontal line. Below the line, the word "(Signature)" is printed in a small, sans-serif font.
