

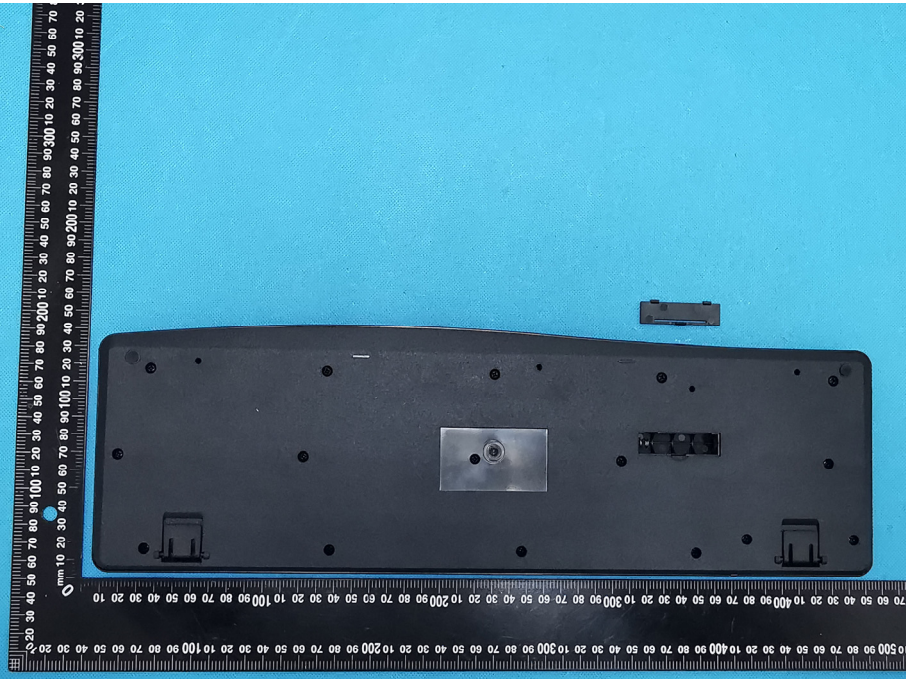

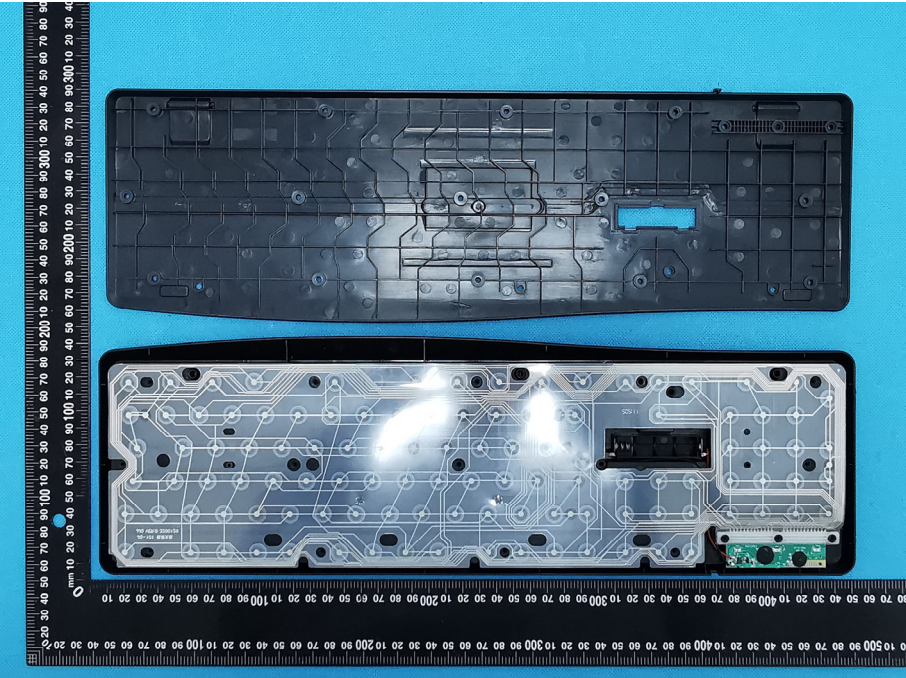

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 A photograph showing the back view of a black plastic EUT housing. The housing is rectangular with rounded corners and features several circular mounting holes and a central square cutout. A small black component is visible on the right side. The housing is placed on a blue background with a white ruler for scale, showing dimensions in millimeters.
<p>EUT Housing and Board View 2</p>	 A photograph showing the front view of the EUT housing and board. The top half shows the black plastic housing with internal components visible through a central opening. The bottom half shows the white printed circuit board (PCB) with various electronic components, including a central black component and a green component on the right. The PCB is populated with numerous surface-mount components and has a complex layout of traces. The entire assembly is placed on a blue background with a white ruler for scale, showing dimensions in millimeters.
