

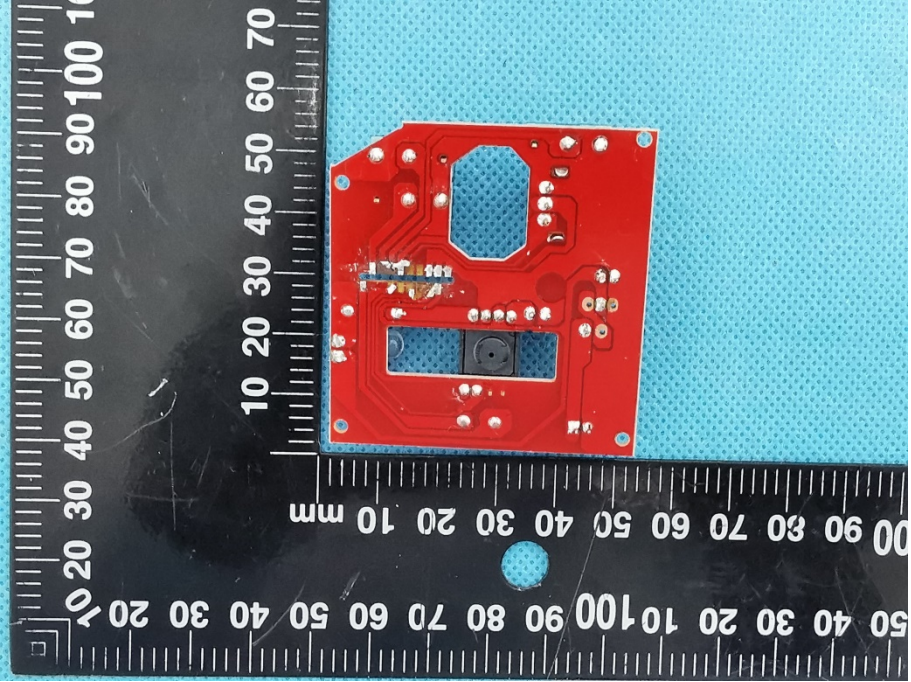

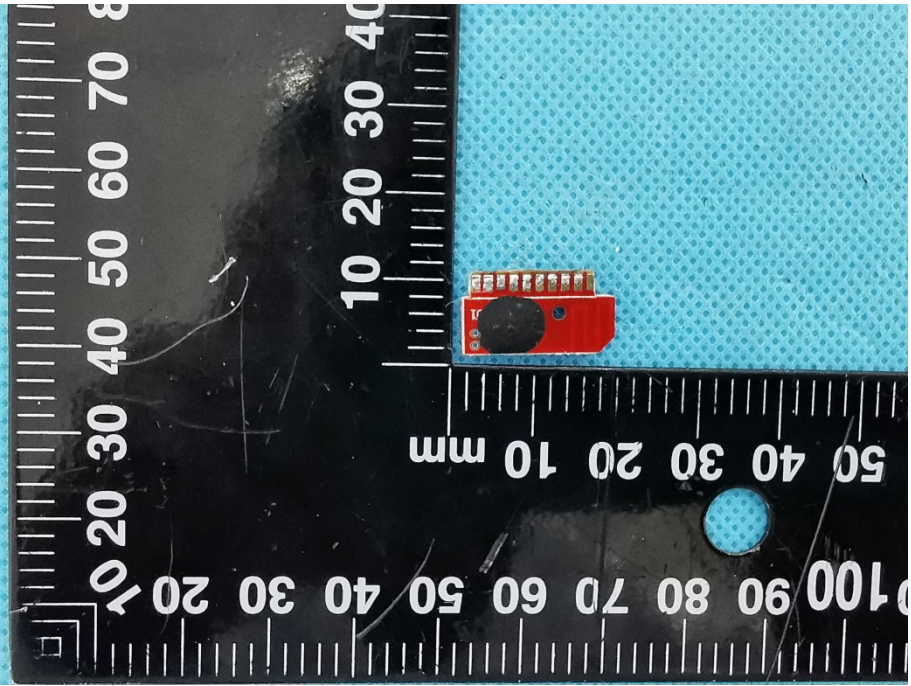

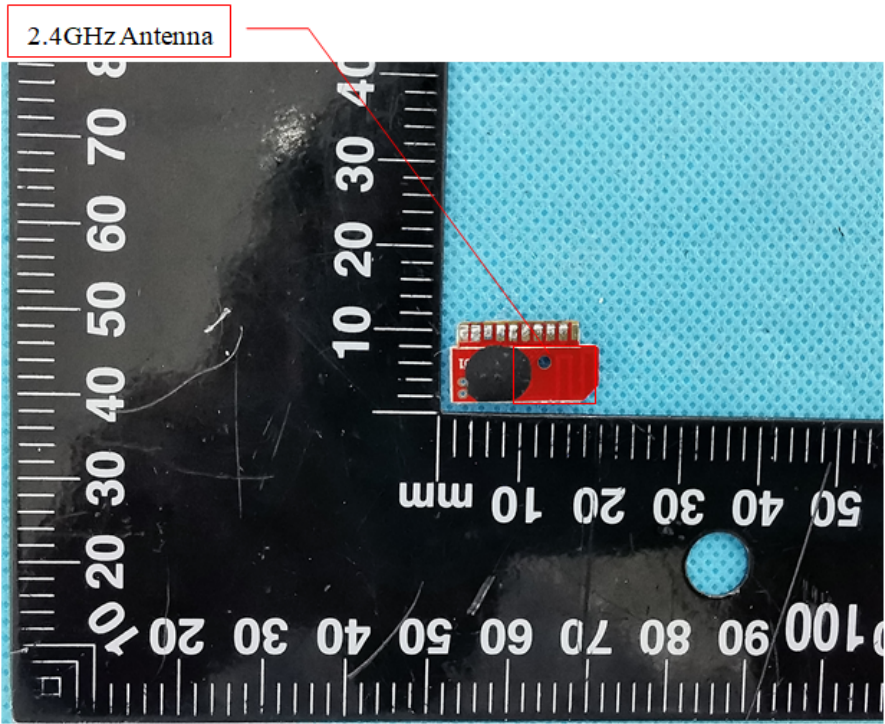

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	
<p>EUT Housing and Board View 2</p>	

<p style="text-align: center;">Solder Board-Component View 4</p>	 <p>A photograph of a red PCB component, likely a connector or interface board, placed on a black ruler for scale. The ruler shows markings in millimeters, with the component positioned between the 10 mm and 100 mm marks. The component has a central circular cutout and several solder points. The background is a light blue textured surface.</p>
<p style="text-align: center;">Solder Board-Component View 5</p>	 <p>A close-up photograph of a component on a PCB, showing a small red component with a silver circular element. The component is labeled with "BYKC-V1.8" and "20171116". It is placed on a black ruler for scale, with markings visible from 10 mm to 30 mm. The background is a light blue textured surface.</p>

<p>Solder Board-Component View 6</p>	 <p>A photograph showing a red component on a blue PCB. A black ruler is placed below the component for scale, with markings in millimeters. The component is positioned near the 10 mm mark on the ruler.</p>
<p>Antenna View</p>	 <p>A photograph showing the same red component on the blue PCB. A red box highlights the component with the text "2.4GHz Antenna" and a red line pointing to it. A black ruler is placed below the component for scale, with markings in millimeters. The component is positioned near the 10 mm mark on the ruler.</p>
