Warnings

- Improper use of the product can easily cause damage to the product or fire/explosion and personal injury.
1. Do not use the product in an environment with high humidity.
 2. Do not use the product in an environment with high temperature, strong light and strong magnetic field.
 3. Do not use the product in an environment with high voltage, high current or high magnetic field.
 4. Do not use the product in an environment with high frequency electromagnetic wave.
 5. Do not use the product in an environment with high magnetic field or high current.
 6. Do not use the product in an environment with high magnetic field or high current.
 7. Please use the product in an environment with low humidity, low temperature and low magnetic field.
 8. Do not use the product in an environment with high humidity, high temperature and high magnetic field.
- Note: For more information, please refer to the detailed instructions.

- Pairing**
1. **Power on**: Press the power button on the back of the earbuds.
 2. **Bluetooth connection**: The earbuds will automatically power on after opening the charging case lid.
 3. **Bluetooth connection**: The earbuds will be in pairing mode. Please refer to the Bluetooth pairing instructions in the user manual for more details.
 4. **Download the app and link the earbuds to the app**: Please refer to the app download instructions in the user manual for more details.
 5. **Power off**: Press the power button on the back of the earbuds to power off the earbuds.

Declaration on hazardous substances and elements contained in electronic products

Part	Hazardous substances and elements							
	Cadmium	Lead	Mercury	Pb	Copper	Chromium	Hexavalent Chromium	Polycyclic Aromatic Hydrocarbons (PAHs)
PCB	○	○	○	○	○	○	○	○
Mercury	○	○	○	○	○	○	○	○
Polycyclic Aromatic Hydrocarbons (PAHs)	○	○	○	○	○	○	○	○
Hexavalent Chromium	○	○	○	○	○	○	○	○
Copper	○	○	○	○	○	○	○	○
Pb	○	○	○	○	○	○	○	○

This form is completed in accordance with S.T.11.364.
 The substances and elements listed in this table are not present in any homogeneous material of this product in a concentration exceeding 0.1% by weight.
 The product complies with the RoHS Directive (2002/95/EC) and the WEEE Directive (2012/19/EU).
 The product complies with the REACH Regulation (EC No 1907/2006) and the CLP Regulation (EC No 1273/2008).
 The product complies with the current REACH and CLP regulations.
 The product complies with the current REACH and CLP regulations.
 The product complies with the current REACH and CLP regulations.

Specifications

- Model No.: S3000
- Color: Black, White
- Frequency: 2000-20000 Hz
- Impedance: 32Ω
- Power: 10mW
- Bluetooth version: V5.3
- Bluetooth profile: HFP, HSP, A2DP, AVRCP, L2CAP, RFCOMM, SDP
- Bluetooth class: Class 2
- Bluetooth range: 10m
- Bluetooth profile: HFP, HSP, A2DP, AVRCP, L2CAP, RFCOMM, SDP
- Bluetooth class: Class 2
- Bluetooth range: 10m
- Bluetooth profile: HFP, HSP, A2DP, AVRCP, L2CAP, RFCOMM, SDP
