

Discrepancy declaration (差异声明)

2023-08-31

Our company states that the main model of our products is Autoblow AI ULTRA, and the rest are series models. The series model is consistent with the main model in appearance, circuit design, circuit layout, use of components and internal structure, the difference is mainly due to the inconsistent model name. As follows,

Main model	Series model
Autoblow AI ULTRA	Autoblow AI ULTRA Clear, CG668
