FCC statement
 This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CE statement
 This device complies with the CE mark requirements for EMC, LVD and RoHS.

RoHS statement
 This device complies with the RoHS requirements for LVD, EMC and RoHS.

UKCA statement
 This device complies with the UKCA requirements for EMC, LVD and RoHS.

Canada statement
 This device complies with the Canadian requirements for EMC, LVD and RoHS.

China statement
 This device complies with the Chinese requirements for EMC, LVD and RoHS.

India statement
 This device complies with the Indian requirements for EMC, LVD and RoHS.

South Korea statement
 This device complies with the South Korean requirements for EMC, LVD and RoHS.

Japan statement
 This device complies with the Japanese requirements for EMC, LVD and RoHS.

Israel statement
 This device complies with the Israeli requirements for EMC, LVD and RoHS.

South Africa statement
 This device complies with the South African requirements for EMC, LVD and RoHS.

Colombia statement
 This device complies with the Colombian requirements for EMC, LVD and RoHS.

Vietnam statement
 This device complies with the Vietnamese requirements for EMC, LVD and RoHS.

Philippines statement
 This device complies with the Philippine requirements for EMC, LVD and RoHS.

Thailand statement
 This device complies with the Thai requirements for EMC, LVD and RoHS.

Malaysia statement
 This device complies with the Malaysian requirements for EMC, LVD and RoHS.

Singapore statement
 This device complies with the Singaporean requirements for EMC, LVD and RoHS.

Indonesia statement
 This device complies with the Indonesian requirements for EMC, LVD and RoHS.

Brazil statement
 This device complies with the Brazilian requirements for EMC, LVD and RoHS.

Mexico statement
 This device complies with the Mexican requirements for EMC, LVD and RoHS.

Chile statement
 This device complies with the Chilean requirements for EMC, LVD and RoHS.

Peru statement
 This device complies with the Peruvian requirements for EMC, LVD and RoHS.

Ecuador statement
 This device complies with the Ecuadorian requirements for EMC, LVD and RoHS.

Paraguay statement
 This device complies with the Paraguayan requirements for EMC, LVD and RoHS.

Uruguay statement
 This device complies with the Uruguayan requirements for EMC, LVD and RoHS.

Venezuela statement
 This device complies with the Venezuelan requirements for EMC, LVD and RoHS.

Argentina statement
 This device complies with the Argentinian requirements for EMC, LVD and RoHS.

Colombia statement
 This device complies with the Colombian requirements for EMC, LVD and RoHS.

Vietnam statement
 This device complies with the Vietnamese requirements for EMC, LVD and RoHS.

Philippines statement
 This device complies with the Philippine requirements for EMC, LVD and RoHS.

Thailand statement
 This device complies with the Thai requirements for EMC, LVD and RoHS.

Malaysia statement
 This device complies with the Malaysian requirements for EMC, LVD and RoHS.

Singapore statement
 This device complies with the Singaporean requirements for EMC, LVD and RoHS.

Indonesia statement
 This device complies with the Indonesian requirements for EMC, LVD and RoHS.

Brazil statement
 This device complies with the Brazilian requirements for EMC, LVD and RoHS.

Mexico statement
 This device complies with the Mexican requirements for EMC, LVD and RoHS.

Chile statement
 This device complies with the Chilean requirements for EMC, LVD and RoHS.

Peru statement
 This device complies with the Peruvian requirements for EMC, LVD and RoHS.

Ecuador statement
 This device complies with the Ecuadorian requirements for EMC, LVD and RoHS.

Paraguay statement
 This device complies with the Paraguayan requirements for EMC, LVD and RoHS.

Uruguay statement
 This device complies with the Uruguayan requirements for EMC, LVD and RoHS.

Venezuela statement
 This device complies with the Venezuelan requirements for EMC, LVD and RoHS.

Argentina statement
 This device complies with the Argentinian requirements for EMC, LVD and RoHS.
