1. Introduction

This document shows the outside of a DN201SC unit.

The unit assembly has two RF radomes that are 180 degrees to each other, one on each side, and a GPS radome on the top of the unit.

All connectors are accessed at the bottom of the unit.

2. DN201SC External Photographs

2.1 DN201SC front and side view

Figure 1 – DN201SC front heatsink and side view showing one RF radome with GPS radome at the top

2.2 DN201SC bottom view showing connector positions

Figure 2 – DN201SC bottom of the unit

2.3 DN201SC top view

Figure 3 – DN201SC top view from the side, showing the GPS radome

2.4 DN201SC back view

Figure 4 – DN201SC back view showing an example label and the bracket mounting holes

2.5 DN201SC unit with RF radome and GPS radome removed

Figure 5 – DN201SC with one RF and the GPS radomes removed
