Class II Permissive Change Request Letter

We,

Name: Blu Wireless Technology Inc
Address: 10447 Sorrento Rd, Suite 100, #1007
City: Pensacola, Florida
Country: US

would like to request a Class II permissive change for the existing Grant of Certification FCC ID: 2A4BS-TN201SC-B.

This change is requested to reflect a change in the RF Exposure Safe Distance calculation that was agreed in principle under the KDB Enquiry Ref: 838441. The updated RF Exposure document is supplied as part of this Request.

We confirm that no changes have been made to the original equipment.

on our behalf.

Date: 26th Sept 2023
City: Pensacola
Name: Macy Summers
Function: President & CEO

Signature:

A handwritten signature in black ink, appearing to read "Macy Summers".
