

Device Front

Label location

FCC ID: 2A4DX-2195873-1

The diagram illustrates the location of the FCC ID label on the front of a device. On the left, a light gray rectangle represents the 'Device Front'. Inside it, a light blue rectangle indicates the 'Label location'. An arrow points from the text 'FCC ID: 2A4DX-2195873-1' on the right towards the blue label location rectangle.
