View 1**

Solder Board-Component View 2	 A photograph of a green PCB component, labeled PLT004, positioned horizontally against a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component is placed on a blue textured surface. The component has several circular pads and a central chip. The text 'CORE' is visible on the right side of the component.
Antenna View	 A photograph of the same green PCB component, labeled PLT004, positioned horizontally against a blue textured background. A red rectangular box highlights the BT Antenna area on the right side of the component. A red line points from the label 'BT Antenna' to the highlighted area.
