

EUT View 5	 A black rectangular device is shown from a top-down perspective. It has two small circular indicators labeled 'RX' and 'TX' on its right side. The device is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, showing measurements in millimeters. The ruler is marked from 0 to 100 mm.
EUT View 6	 A black rectangular device is shown from a different angle, possibly a side view. It is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, showing measurements in millimeters. The ruler is marked from 0 to 100 mm.
