

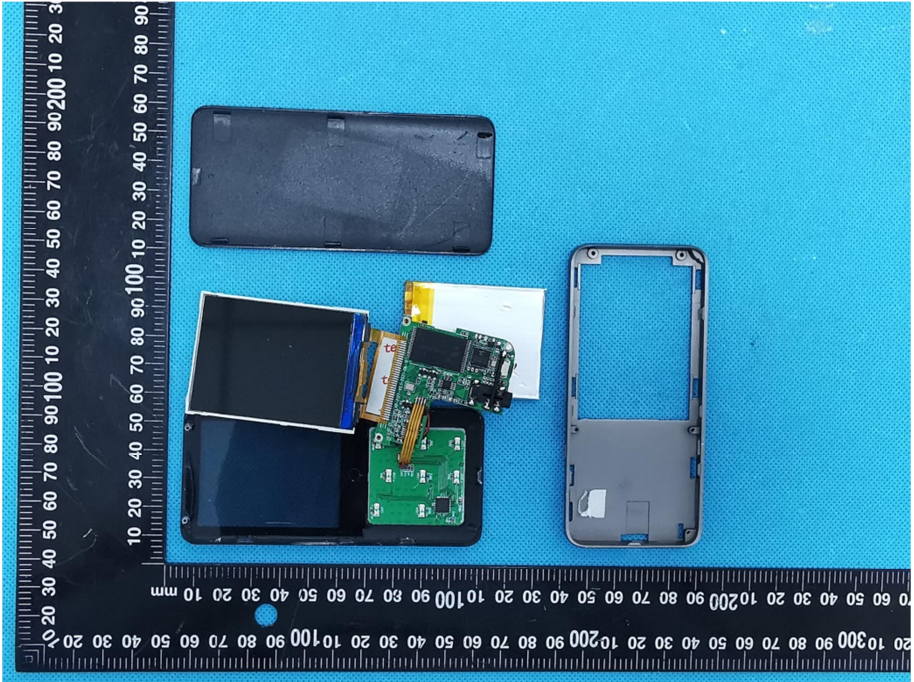

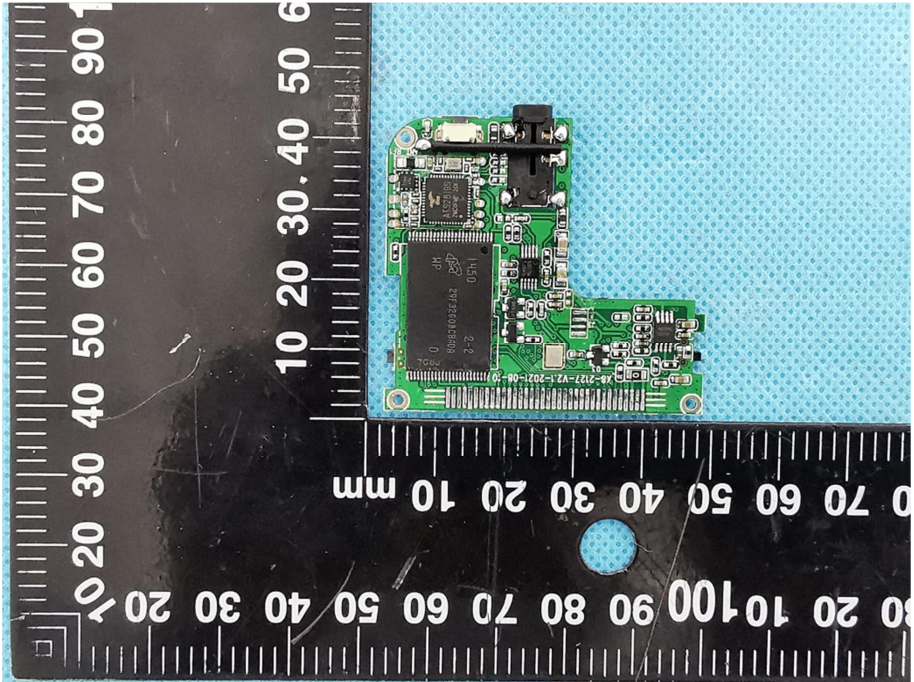

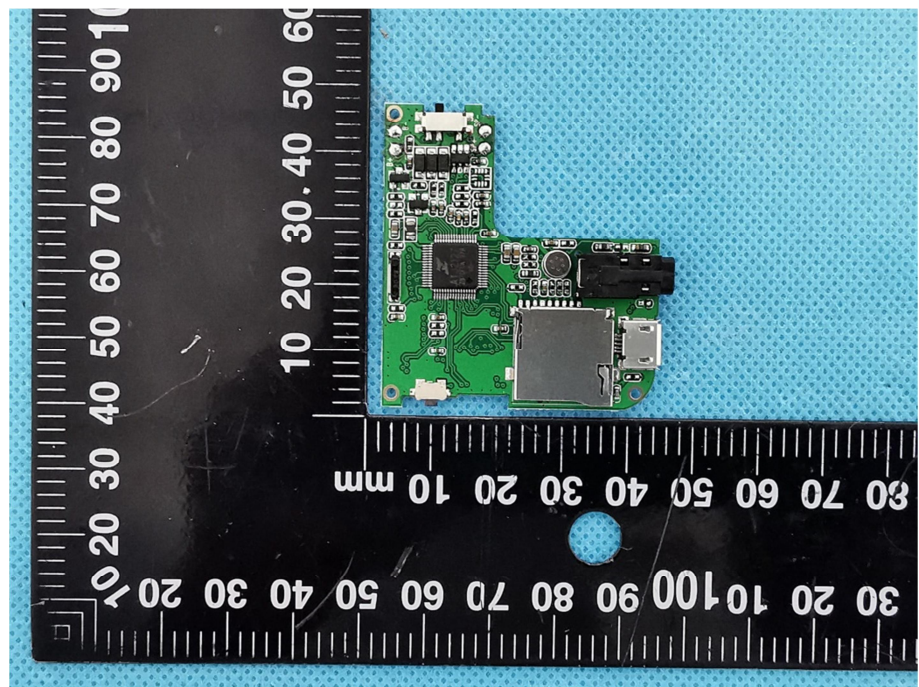

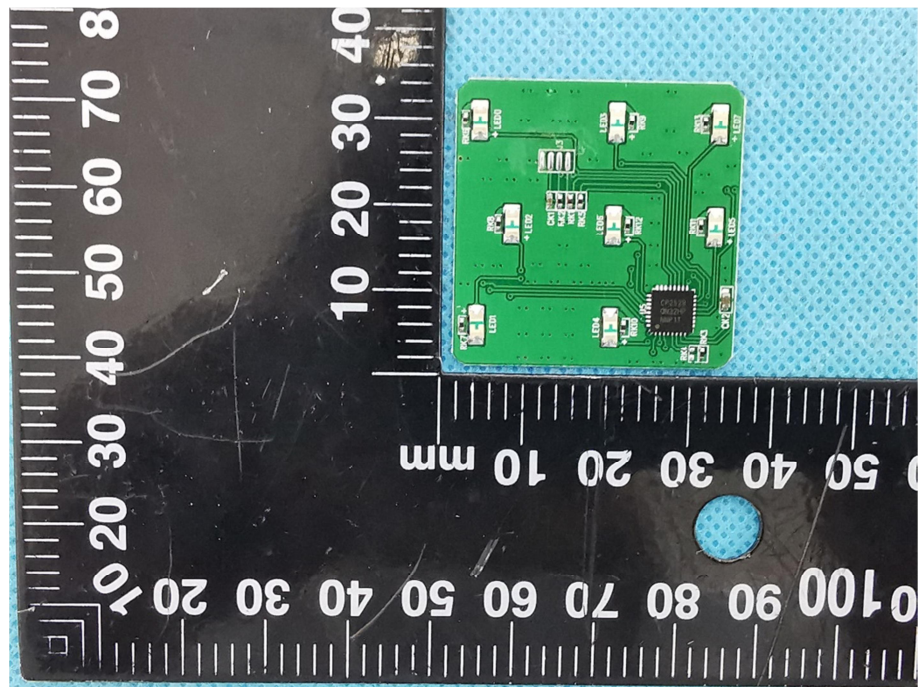

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the disassembled components of a mobile device on a blue textured surface. From left to right: a black plastic back cover, a screen assembly with a black display and a green circuit board, and a silver-colored metal frame. A black ruler with white markings is placed vertically on the left side of the components, showing measurements in millimeters and centimeters.
Solder Board-Component View 1	 A close-up photograph of a green printed circuit board (PCB) component, likely a camera module, showing various electronic components and solder joints. The component is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, providing a scale for its size.

Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, labeled 'X8-KEY-V2.0-2021-03-31', mounted on a blue textured surface. The component features eight gold-colored circular solder pads, each labeled with a key identifier: K0, K1, K2, K3, K4, K5, K6, and K7. The component is positioned next to a black ruler with white markings, showing dimensions in millimeters.
Solder Board-Component View 5	 A photograph of a rectangular silver-colored battery component, labeled 'JHCY 304050 3.7V' and '+ 560mAh 2.07Wh 21/12J', mounted on a blue textured surface. The battery is positioned next to a black ruler with white markings, showing dimensions in millimeters.
