Office of Engineering Technology  
 Federal Communications Commission  
 7435 Oakland Mills Road  
 Columbia, MD 21046 Date: 25/06/2024  
 Subject: Request for Confidentiality  
 FCC ID: **2A5EZA6**

To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential document from public disclosure.

| Exhibits                                         | Long-Term Confidentiality                  | Short-Term Confidentiality <sup>NOTE 2</sup> |
|--------------------------------------------------|--------------------------------------------|----------------------------------------------|
| ID Label/Location                                | No                                         | No                                           |
| Attestation Statement                            | No                                         | No                                           |
| External Photos                                  | No                                         | <input checked="" type="checkbox"/>          |
| Block Diagram                                    | <input checked="" type="checkbox"/>        | <input type="checkbox"/>                     |
| Schematics                                       | <input checked="" type="checkbox"/>        | <input type="checkbox"/>                     |
| Test Report                                      | No                                         | No                                           |
| Test Setup Photos                                | No                                         | <input checked="" type="checkbox"/>          |
| User's Manual                                    | <input type="checkbox"/> <sup>NOTE 1</sup> | <input checked="" type="checkbox"/>          |
| Internal Photos                                  | <input type="checkbox"/> <sup>NOTE 1</sup> | <input checked="" type="checkbox"/>          |
| Parts List / Tune Up / BOM List                  | No                                         | No                                           |
| RF Exposure Info                                 | No                                         | No                                           |
| Operational Description                          | <input checked="" type="checkbox"/>        | <input type="checkbox"/>                     |
| Cover Letter(s)                                  | No                                         | No                                           |
| SOFTWARE SECURITY REQUIREMENTS FOR U-NII DEVICES | No                                         | No                                           |

NOTE 1: Long-Term Confidentiality may be permitted under special conditions (See II. LONG-TERM CONFIDENTIALITY, Section 3 of KDB 726920, use last in force)

NOTE 2: Short-Term Confidentiality can be requested for a maximum of 180 days from the date of the grant.

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In case of short-term Confidentiality, the applicant requests the exhibits selected above are withheld from public view for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing.

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

A handwritten signature in black ink that reads "Tao Rong". The signature is written in a cursive, flowing style with a large, stylized 'T' and 'R'.
