## xwx-tag10 Instructions

### 1. Remove and install the battery

- Step1: Open the battery cover.  
Step2: Remove the battery.

### 2. Add xwx-tag10 to Apple Find My

- 2.1 Add xwx-tag10 with factory setting state  
1) Update to the latest version of iOS or iPadOS. Turn on Bluetooth of your phone, then pull the mylar out of xwx-tag10.  
2) Open the Apple Find My app, tap +, then tap Add Other Item , search for xwx-tag10, and follow the onscreen instructions.

#### 2.2 Add xwx-tag10 in other state

##### 1) Resetting

If xwx-tag10 is not added to the Apple ID after ten minutes, Bluetooth will stop transmitting to save power. You need to power off/on the battery five times to reset it again. Reset is successful if hear a different power-on sound. Then you can start adding to Find My again. The method is the same as 2.1.

- 2) If order to pair xwx-tag10 with another Apple ID, First remove it from Find My by tapping on the Items tab, tapping the name on the xwx-tag10 item, scrolling down to the bottom of the detail card, and then tapping Remove Item. It can then be added again by following the instructions in 2.1.

### 3. Operation Instructions

3.1 Find items at close range- Play sound function For the paired xwx-tag10, within the short range of the owner's Apple device, you can click "Play Sound" in the Find My app, or say "Hey Siri, Find my wallet" to play sound, and the device will play sound to indicate the location. If it's hiding nearby, such as under a cupboard or in the next room, you can easily follow the sound to find it.

#### 3.2 xwx-tag10 is away from the owner

The owner can see the location of the lost xwx-tag10 on Apple device, navigate by the map to find xwx-tag10 and items.

#### 3.3 Lost Mode- Find thing easier

xwx-tag10 can be set as Lost mode. Open the "Find My" app, select and added "xwx-tag10", click on the "Lost mode", following the instruction of the app, enter the phone number, then setting is successful. In Lost Mode, You'll automatically get a notification when it's detected by other devices in the Find My network. So if others pick up your xwx-tag10, they can know how to contact you by following the learn more instructions in Find My app. People nearby also can identify this lost xwx-tag10, and get the contact info if you have set in lost mode, and send a message to the owner, help the owner find the lost items.

### 4. Find Items with help from hundreds of millions of friends

Find My Network will help you find your belongings when they are left behind, xwx-tag10 will send out a secure Bluetooth signal that can be detected by nearby iOS devices in Find My Network, these devices send the location of your xwx-tag10 device to iCloud, then you can go to the Find My app and see it on the map. The whole process is anonymous and encrypted to protect your privacy. And it's efficient, so there is no need to worry about the battery life and data usage.

### 5. Prevent unwanted tracking

To prevent unwanted tracking, when someone else's xwx-tag10 is seen travelling with you for a period of time, your iOS device will find it and send you an alert notification. If you haven't found this device after a while, it will play a sound so you can find it. But don't worry, if someone next to you has a xwx-tag10 device, as long as the device is near its owner, you will not receive a notification.

### 6. Privacy Protection

Only you can see where your xwx-tag10 is. No location data or location history is physically stored inside xwx-tag10. Communication with the Find My network is end-to-end encrypted so that only the owner of a device has access to its location data, and no one including Apple and xixi knows the identity or location of any device that helped find it.

### 7. Warm Tips

- \* xwx-tag10 is a precision device. Don't discard it, and don't let it be overly affected.
- \* Keep away from all heat and fire sources, such as heating equipment, heaters, ovens, flames and exposure to sunlight.
- \* Do not repair or disassemble the equipment by yourself.
- \* Avoid use or storage in high humidity or temperatures above 60°C, otherwise it may cause failure.
- \* Dispose of products in accordance with local government regulations on waste disposal.
