Solder Board-Component View 1	 A photograph showing a black, rectangular component, likely a battery or a solder mask, placed on a blue background. A ruler is positioned vertically to the left of the component, showing measurements in centimeters (0 to 8) and inches (0 to 3). A yellow label is attached to the component, featuring a recycling symbol and text including "WALTEK", "100% RECYCLED POLYESTER FIBER", "MADE IN CHINA", and "Lot: 201001000806W". A small, white, rectangular component is attached to the right side of the black component.
Solder Board-Component View 2	 A photograph showing a green printed circuit board (PCB) with various electronic components, including a large silver heat sink, a smaller silver component, and several integrated circuits. A ruler is positioned vertically to the left of the PCB, showing measurements in centimeters (0 to 100) and inches (0 to 4). The PCB is placed on a blue background.
