

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1

EUT View 2

EUT View 3	 A photograph showing the back of a black mobile phone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the phone, showing measurements in centimeters and millimeters. The phone has a circular camera lens at the top left. A white label with text and a barcode is located in the center. At the bottom, there is a rectangular opening revealing internal components, including a SIM card slot and a battery cover latch.
EUT View 4	 A photograph showing the back of a black mobile phone, similar to View 3. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the phone. The phone has a circular camera lens at the top left. A white label with text and a barcode is located in the center. At the bottom, there is a rectangular opening revealing internal components, including a SIM card slot and a battery cover latch.

EUT View 5

EUT View 6

EUT View 7	 A black mobile phone is shown from the back, lying on a blue textured surface. A black ruler with white markings is placed horizontally across the phone. The phone has a white label on its back with a barcode and some text. The camera lens is visible on the right side of the phone.
EUT View 8	 A close-up view of the bottom of the black mobile phone. The phone is lying on a blue textured surface. The bottom edge shows a USB-C port, a small circular hole, and a larger rectangular slot. A black plastic cover is partially visible on the right side.
