Subject: FCC Certification Authorization Application Under FCC Part 15, Subpart C, Section 15.247 – Frequency Hopping Spread Spectrum (FHSS) Operating in 902-928 MHz Band, Change in Authorization

Applicant: Akron Brass
Product: XBee-PRO SX 1W RF Module
Model No.: XBee-PRO SX
FCC ID: 2A679-XBPSX6065

Dear Sir/Madam:

We, Akron Brass Company, submit an application for a change in identification for the product cited above—the XBee-PRO SX 1W RF module manufactured by Digi International Inc., with FCC ID MCQ-XBPSX. Kindly review all files uploaded to your electronic filing site.

Please note that we have made no changes to the RF module in question; the RF module to be marketed in our product line is electrically identical to the original. Our request is simply prompted by our interest in utilizing this RF module within one of our portable, handheld products.

Sincerely,

Tom Bertosa
Director, North America Fire and Safety Electronics
