Re: Request of New Certification FCC ID: **2A6CA-OPI**

To Whom It May Concern:

Biolux Technology GmbH is submitting for evaluation their OrthoPulse® Gen 2 with wireless charger (here EUT) for new certification under FCC Part 15.247.

This certification covers the 2400 -2483.5MHz narrow band, frequency hopping radio. As it is shown in test reports it is fully compliant with the requirements of FCC 47 CFR part 15 Sub C 15.247, 47 CFR Part 15: Subpart B, 47 CFR18 (305 & 309). From a RF Exposure point of view, the EUT meets the requirements of KDB 447498 as proven in the test report.

A handwritten signature in black ink, appearing to read "Marcel Pordes", with a stylized flourish at the end.

Marcel Pordes
