2

### Safety •

Instructions

- Do not use the unit if it has been dropped or damaged in any way.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Do not use the unit with wet hands.
- Do not put objects into any of the openings.
- Keep the unit free from dust, lint etc.
- Do not use this unit for anything other than its intended use.
- Keep the unit out of reach of children.
- This product is not a toy.

### Care & Maintenance •

Read the following recommendations before using the Bluetooth Speaker.

- Do not expose the Bluetooth Speaker to liquid, moisture or humidity to avoid the product's internal circuit being affected.
- Do not use abrasive cleaning solvents to clean the device.
- Do not expose the device to extremely high or low temperature as this will shorten the life of electronic devices, destroy the battery or distort certain plastic parts.
- Do not dispose of the device in a fire as it will result in an explosion.
- Do not expose the device to contact with sharp objects as this will cause scratches and damage.
- Do not let the device fall on the floor. The internal circuit might get damaged.
- Do not attempt to disassemble the device as it may get damaged if you are not professional.

## FCC • Instructions

**Caution:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product

**NOTE:** This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the product and receiver.
- Connect the product into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

8

## Instruction For Use •

### Listening to Music using Micro SD (TF) Card Slot

Insert Micro SD (TF) card into the Micro SD (TF) card slot. An indication tone would be heard, and music would play automatically.

**(Note:** Micro SD (TF) Card: Supports up to 16GB; Supports music file format: MP3. Micro SD (TF) Card not included.)

### Listening FM radio

- Short press the Mode button each time to switch to FM radio mode.
- Long press the Scan button for searching and recording all radio stations within frequency range 87.5-108MHz.
- Short press the Next Track / Station button or Previous Track / Station button for listening next or previous already saved radio station.

9

## Instruction For Use

### TWS pairing use (if you own 2 Bluetooth Speakers)

- Make sure both speakers are "ON" and not paired with any Bluetooth device. An indication tone would be heard from each speaker.
- Choose either one as your master speaker.
- Long press the TWS button two times on master unit.
- Both units will wirelessly connect with each other, and you would hear an indication tone after they pair together successfully.
- Activate the Bluetooth function on your source device (Mobile Phone, Tablet etc). Please refer to manufacturer's instructions for instructions on enabling Bluetooth on your device.
- Search for available Bluetooth devices and you would find "TALENT" – Pair it with this device.
- You might be prompted with "Pair with TALENT?" message on your source device, with "Cancel" and "OK" options. Please click "OK".
- If required, enter the password "0000" to pair with the device.
- Once paired successfully, another indication tone would be heard.
- You can now stream wireless music on your speaker through your source device.

**Note:** TWS stands for True Wireless. If you want to separate 2 speakers again for individual use, long press the TWS button on any one speaker.

10

### Color Changing light Mode (LEDs are not replaceable)

Long press the "LIGHT" button each time to change 6 different color changing light patterns (including off light mode).

## Troubleshooting

### Low sound level

- Adjust source volume.
- Charge Battery.

### No sound

- Long press the + button to increase the volume.
- Play the music in the connected device and make sure the volume level is in high level.
- Short press the MODE button each time to set the input source to the desired function.

### Sound distortion

- Long press the - button to decrease the volume.

## Warranty

**WARRANTY COVERAGE:** This product is warranted against defective materials or workmanship. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty doesn't cover the following which may be supplied with this product, including but not limited to; LCD Screens, glass parts, lenses, bulbs etc. This warranty is effective only if the product is purchased and operated in USA and Canada, and does not extend to any units which have been used in violation of written instructions furnished by manufacturer or to units which have been altered or modified or, to damaged products or parts thereof which have had the serial number removed, altered, defaced or rendered illegible.

**WARRANTY DISCLAIMERS:** This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume for manufacturer any other liability in connection with the sale of our products. There shall be no claims for defects or failure under any theory of tort, contractor commercial law including but not limited to, negligence, gross negligence, strict liability, breach of warranty and breach of contract. Under no circumstances will Manufacturer's/ Distributor's maximum liability exceed the retail value of the product.

**WARRANTY PERFORMANCE:** During the above 90 day warranty period, a product with a defect will be either repaired or replaced with a reconditioned comparable model (at manufacturer's option). The repaired or replacement product will be in warranty for the balance of the 90 day warranty period and an additional one-month period. No charge will be applicable for such repair or replacement.

**SERVICE AND REPAIR:** If service is required for this product, you should first contact Midwest Trading Group Customer Service at [info@mtradinggroup.com](mailto:info@mtradinggroup.com) or by calling **1 (866) 815-4714**, Monday to Friday 10am to 6pm EST.

**NOTE:** Manufacturer cannot assume responsibility for loss or damage during incoming shipment. As a precautionary measure, carefully package the product for shipment, and insure it with the carrier. Be sure to enclose the following details with the product: your full name, return address and daytime phone number, a note describing the problem you experienced, a copy of your sales receipt or other proof of purchase to determine warranty status. C.O.D. shipments cannot be accepted.

12

The logo for 'The Voice' is centered on a dark red background with glowing red diagonal lines. The word 'the' is in a small, lowercase, sans-serif font, positioned above the 'V' of 'Voice'. 'Voice' is written in a large, bold, white, stylized font with a black outline and a slight 3D effect.
