FCC Statement
 This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
 (1) This device may not cause harmful interference, and
 (2) This device must accept any interference received, including interference that may cause undesired operation.
 This equipment has been tested and found to comply with the limit for a Class B digital device, pursuant to part 15 of the FCC Rules.
 These limits are designed to provide reasonable protection against harmful interference in a residential installation.
 This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communication.
 However, there is no guarantee that interference will not occur in a particular installation.
 If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 - Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
 Caution: Any changes or modifications to this device not explicitly approved by the manufacturer could void your authority to operate this equipment.
RF Exposure Information
 This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be handled and operated with minimum distance 20cm between the radiator and your body.

技术要求:

1. 材质: 100g铜板纸, 2C 印刷 Pantone 2736C
2. 成型尺寸: 66*120mm (胶装)
3. 材质需符合有害物质管制规范
