GENERAL

All MEETION brand products comply with US FCC standards (FCC ID: 2A7O6-MT062724/2A7O6-MT062725), EU CE standards/CAUK standards.

The product is made in accordance with RoHS standard.

PRECAUTIONS

- 1.This product contains a rechargeable lithium battery.
- (1)Do not dismantle, strike, crush, or put it into a fire.
- (2)Stop using it immediately if severe swelling occurs.
- (3)Do not place it in a high-temperature environment.
- 2.Do not use this device near water.
 3.Only use a dry cloth to clean this product.
- 4. Please follow the manufacturer's instructions for use.
- 5.If the device is damaged, for example, if liquid enters it, if it gets wet in the rain or becomes damp, or if it cannot operate normally, it must be repaired. For repair matters, it should be entrusted to qualified maintenance personnel.

KIND TIPS

If the product is not in use for a long time, it is recommended to charge it every three months to activate the lithium battery inside the product and prevent battery failure due to long periods of non-use.

FCC Warnning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection againstharmful interference in a residential installation. This equipment generates, uses and can radiateradio frequency energy and, if not installed and used in accordance with the instructions, maycause harmful interference to radio communications. However, there is no guarantee thatinterference will not occur in a particular installation. If this equipment does cause harmfulinterference to radio or television reception, which can be determined by turning the equipmentoff and on, the user is encouraged to try to correct the interference by one or more of thefollowing measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1)This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
