

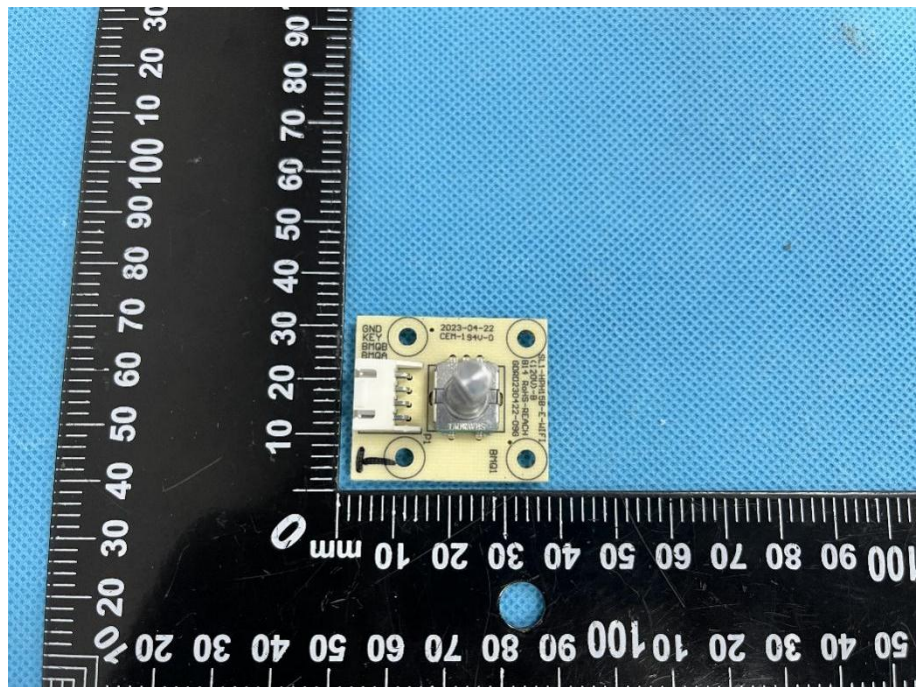

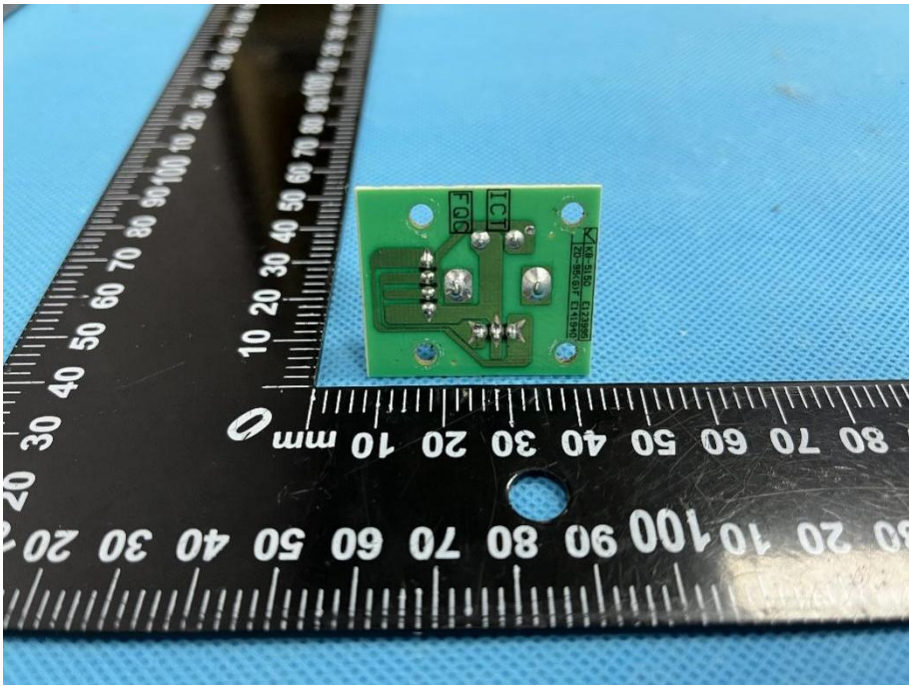

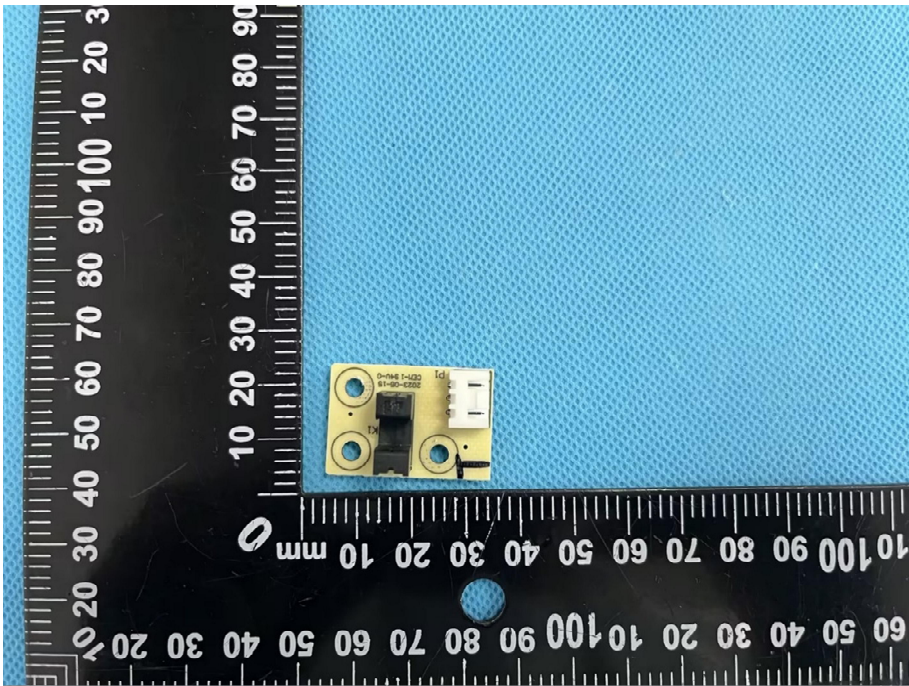

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

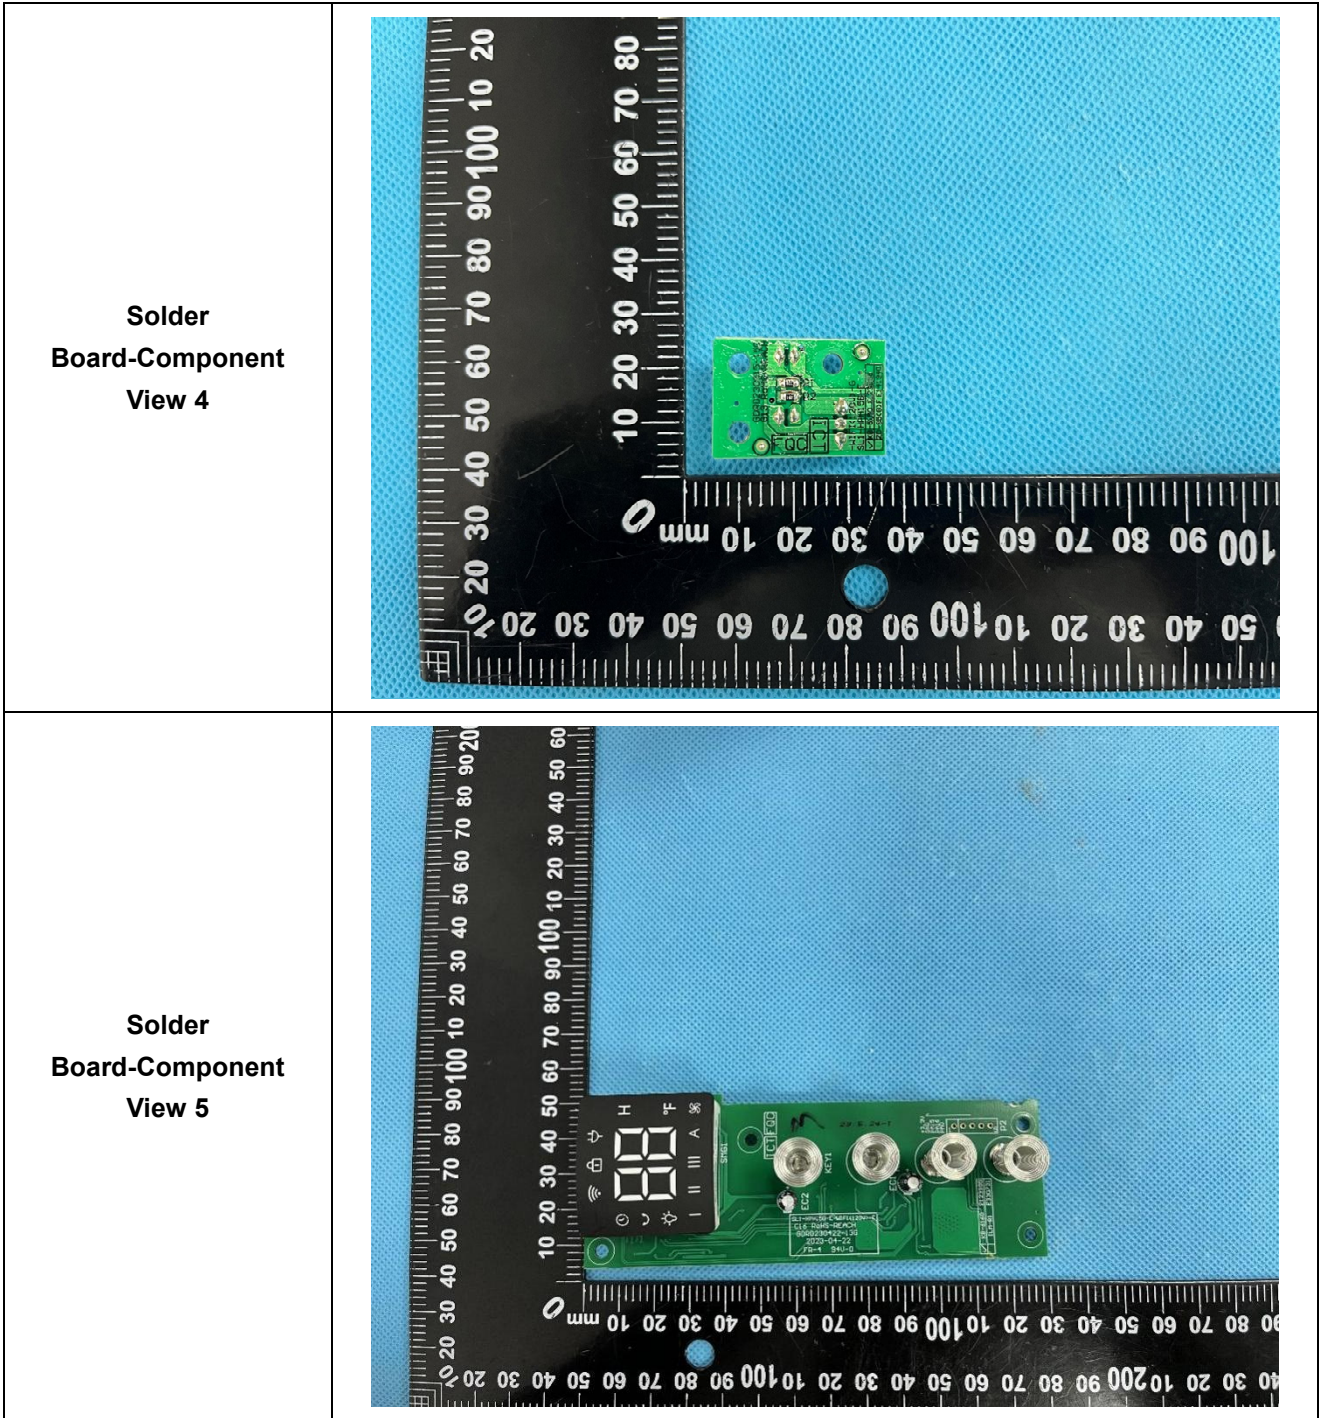

EUT Housing and Board View 1

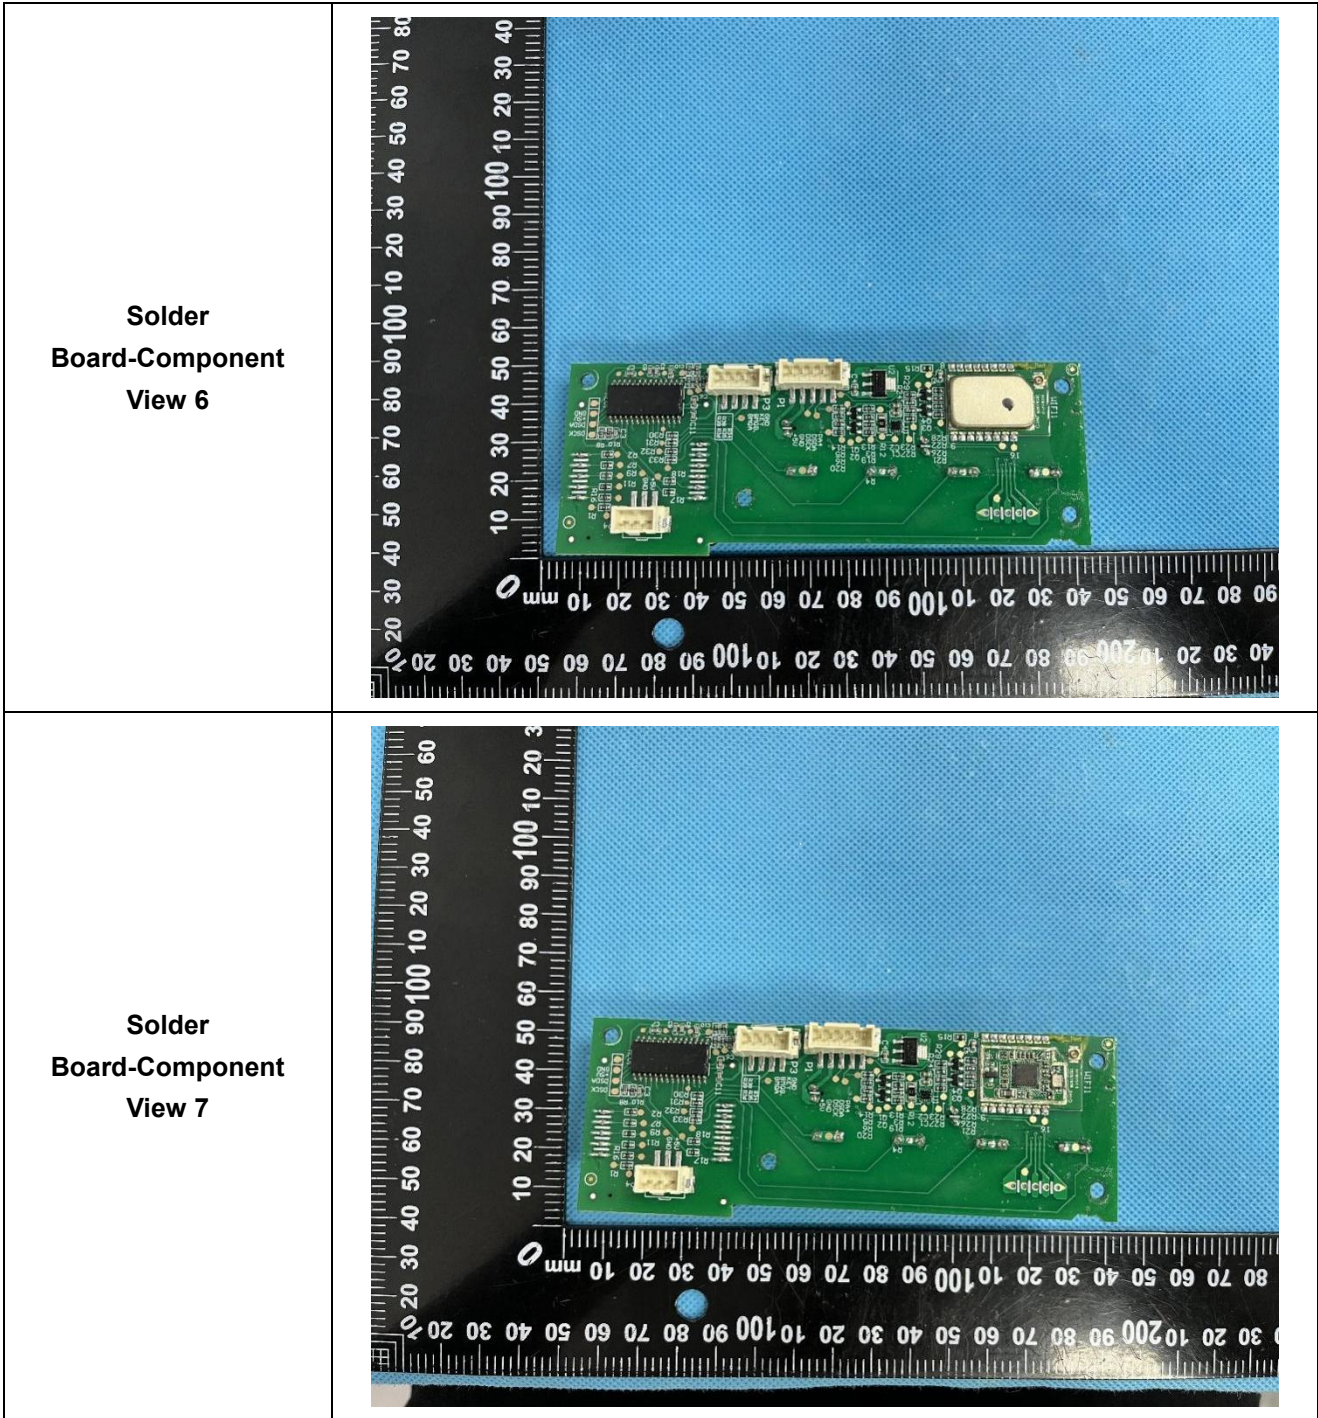

Solder Board-Component View 1

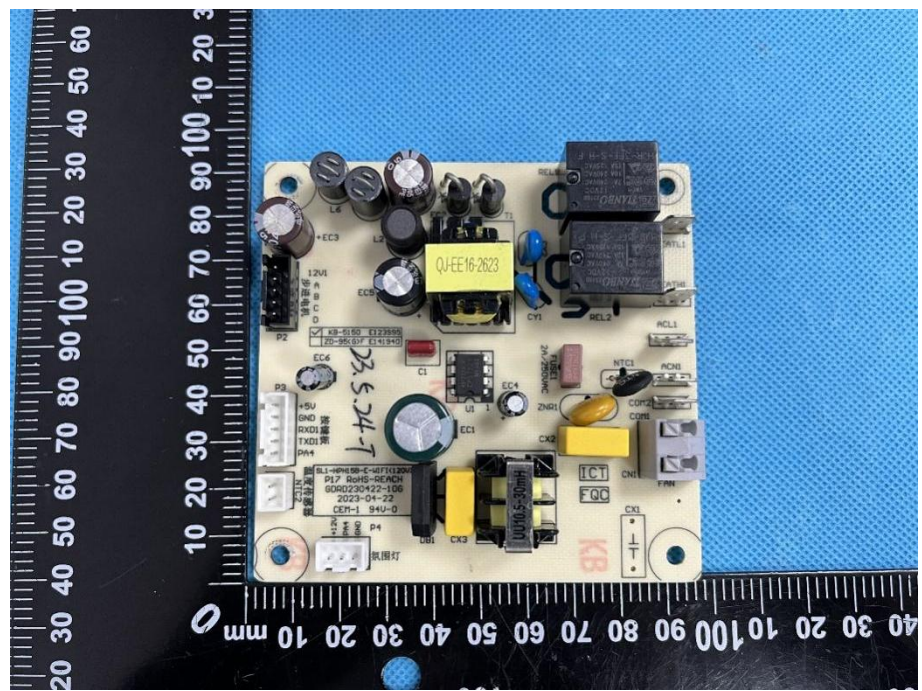

<p>Solder Board-Component View 2</p>	 A photograph of a small green printed circuit board (PCB) component. The board is rectangular and features several silver-colored solder joints. A black ruler is placed horizontally below the component for scale, showing markings in millimeters. The component is positioned on a blue textured surface. The ruler shows the component is approximately 15 mm wide and 10 mm high. The component has some markings, including 'F00' and 'IC1'.
<p>Solder Board-Component View 3</p>	 A photograph of a small yellow printed circuit board (PCB) component. The board is rectangular and features several circular holes and a central component. A black ruler is placed horizontally below the component for scale, showing markings in millimeters. The component is positioned on a blue textured surface. The ruler shows the component is approximately 15 mm wide and 10 mm high. The component has some markings, including 'S-1000-1-1000' and 'E1'.
