Troubleshooting

1.APP can not find the device.

Make sure the phone bluetooth is on.

Allow the permissions of APP. APP needs them to connect the device. Check string light is on.

Kill APP, turn off bluetooth and turn on bluetooth again, then start APP to add device again.

Ensure phone within 4ft of product without obstructions when connecting.

Your phone may be incompatible with the APP, try another phone.

2.All lights don't work.

Check power is on.

Connect APP and turn on light and turn up brightness.

3.Some light beads keep off or fail working.

Check the pixel num setting on APP.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is
- Consult the dealer or an experienced radio/ TV technician for help.

FCC Radiation Exposure Statement :

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
