

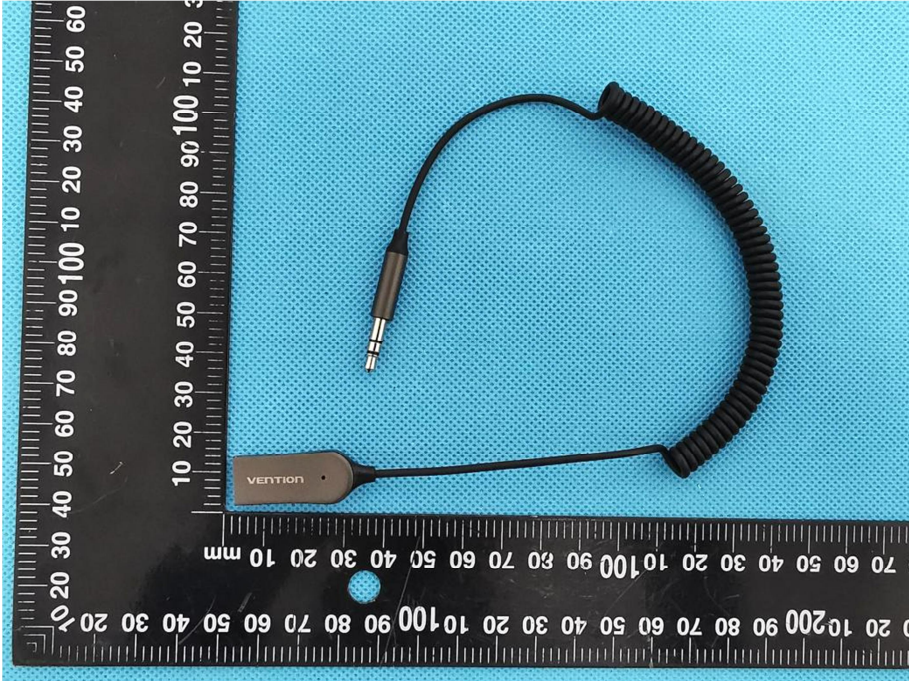

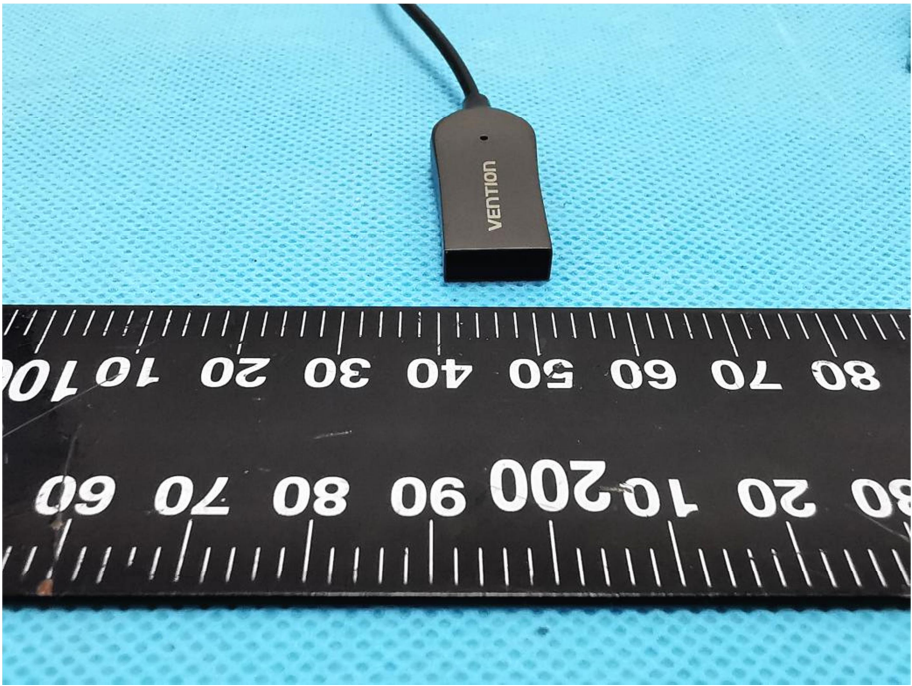

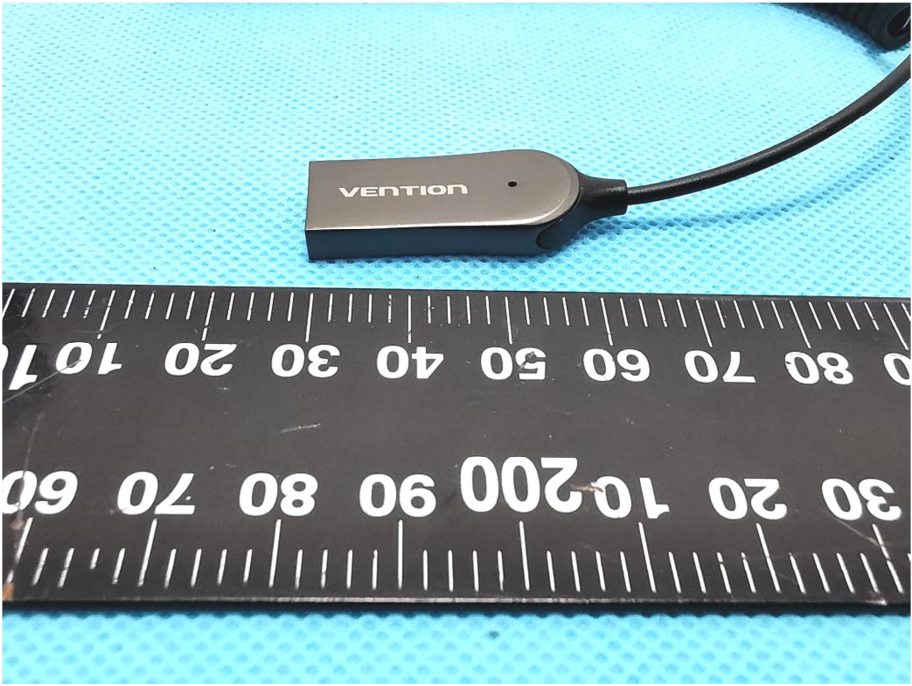

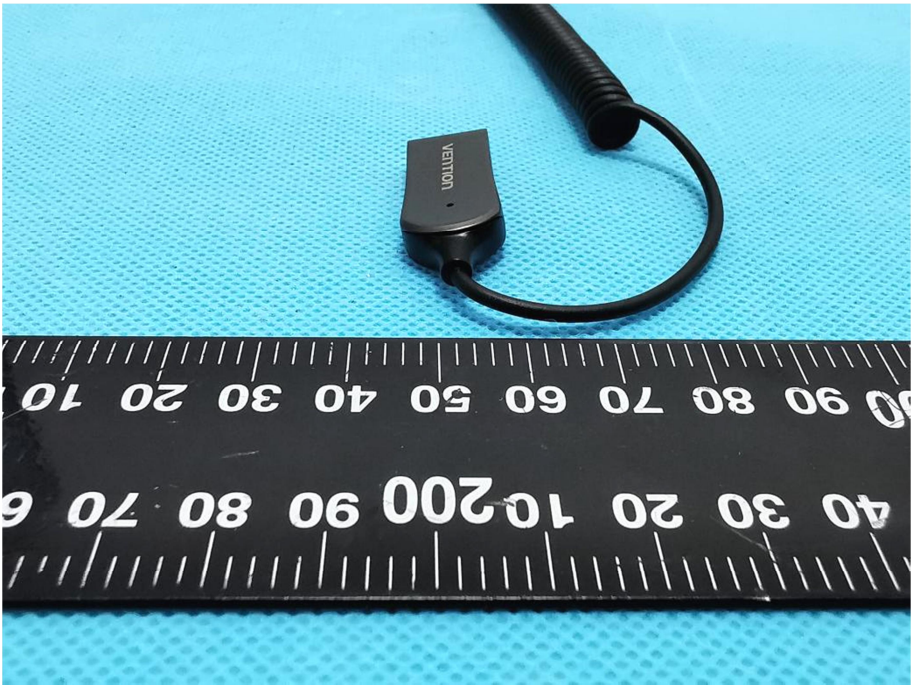

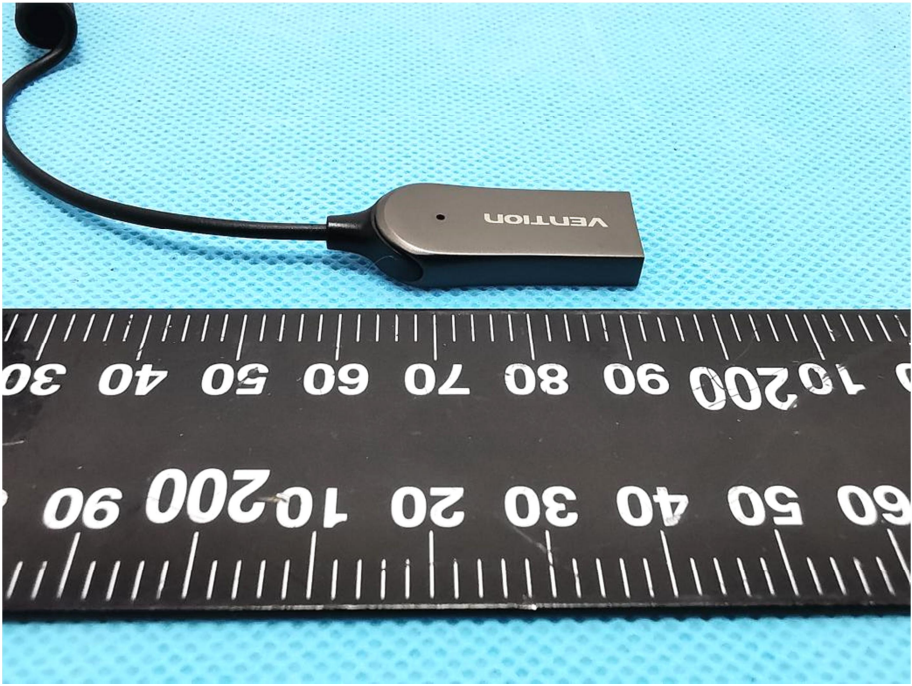

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 <p>A photograph showing a black coiled cable with a 3.5mm audio jack on one end and a brown rectangular connector on the other. The cable is laid out on a blue textured surface. A black ruler with white markings is placed vertically to the left of the cable, showing measurements in millimeters. The connector has the word "VENTION" printed on it.</p>
<p>EUT View 2</p>	 <p>A photograph showing the same black coiled cable and brown connector as in View 1, but from a different angle. The cable is laid out on the same blue textured surface. A black ruler with white markings is placed vertically to the left of the cable, showing measurements in millimeters.</p>

<p>EUT View 3</p>	
<p>EUT View 4</p>	

<p>EUT View 5</p>	 <p>A photograph showing a black, rectangular device with the brand name 'VENTION' printed on its top surface. A black cable is attached to the bottom of the device and is coiled into a loop. The device is placed on a light blue textured surface. Below the device is a black ruler with white markings and numbers, showing a scale from 0 to 100 millimeters. The ruler is oriented horizontally, and the device is positioned above it.</p>
<p>EUT View 6</p>	 <p>A photograph showing the same black, rectangular device from a side-on perspective. The 'VENTION' logo is visible on the top surface. A black cable is attached to the left side of the device. The device is placed on a light blue textured surface. Below the device is a black ruler with white markings and numbers, showing a scale from 0 to 100 millimeters. The ruler is oriented horizontally, and the device is positioned above it.</p>
