
Model Declaration Letter

Dear Sir,

For our business issue and marketing requirement, we would like to list different model numbers on the certificates and reports, as following:

Model No.: LEAP L3; LEAP L6

We declare that the difference of these is listed as below:

They both have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction. The only difference lies in the lens size.

Thank you!
