

Antenna Specification

| Frequency / MHz | Efficiency / dB | Efficiency / % | Gain/ dBi |
|-----------------|-----------------|----------------|-----------|
| 2400            | -4.41           | 36.22          | 1.86      |
| 2410            | -4.58           | 34.83          | 1.22      |
| 2420            | -4.1            | 38.9           | 1.86      |
| 2430            | -3.64           | 43.25          | 2.44      |
| 2440            | -3.62           | 43.45          | 2.19      |
| 2450            | -3.56           | 44.06          | 2.51      |
| 2460            | -3.58           | 43.85          | 2.78      |
| 2470            | -3.68           | 42.85          | 2.29      |
| 2480            | -3.52           | 44.46          | 2.23      |
