3. Safety Guide

Please read the following safety guidelines before use. If you encounter any technical difficulties, please contact your Bigme retailer, or call the national customer service number 400-0188-938, or send an email to the official email address vip@bigme.vip for assistance.

Screen Protection

The E-ink screen is fragile and easily damaged. Do not directly hit, squeeze, press the screen, or drop it from a height onto a hard surface. If the display screen is broken, stop using it and contact the official or other qualified professionals for replacement. Do not disassemble and replace it yourself.

Qualified Accessories

Only batteries, chargers, and other accessories that meet the safety standards of this device are allowed. Please refer to the product configuration parameters. You will bear the damage caused by the use of incompatible accessories.

Keep Away from Liquids

This device is not waterproof. Do not expose the device to a humid environment, do not use the product in the rain, and keep it away from any corrosive liquids.

Do Not Disassemble

The battery of this device cannot be replaced. Do not disassemble it yourself to avoid structural or screen damage.

Operating Environment

The allowable operating temperature range of this device is 0°C-50°C.

Button Function Description

1.Power Button/Fingerprint Button:

- Press and hold the power button for 5 seconds to start the device
- Press and hold the power button for 1 second, choose "Shutdown/Restart" in the menu to shutdown/restart the device
- Press the power button and then release immediately, the device enters sleep mode
- Press the power button and then release immediately, wake up the device from sleep mode
- Recognize the preset fingerprint to unlock the device

2.Indicator Light:

- The indicator light is on, indicating that it is charging and not yet full
- The indicator light is off, indicating that it is fully charged or the Type-C USB cable is not properly inserted

3.Front Camera:

5 million pixels

4.Magnetic Charging Interface:

Used for charging the smart electromagnetic pen

5.Rear Camera:

8 million pixels

6.Type-C Interface:

Connect the PC host and the device to transfer data through the Type-C data cable, or charge the device

7.TF Card Slot:

Used for TF card expansion, supports up to 1 TB expansion

Product Specifications

Model	S6
Size	7.8 inch e-ink screen
Screen Material	Glass + Composite Material
Overall Size	196*137.5*6.9mm
Display Area Size	157.2*117.7mm
Resolution	1872*1404
PPI	300
ChatGPT	Supported
CPU	8-core 2.3GHz
RAM/ROM	6+128GB
Handwriting	A5 wireless charging smart electromagnetic pen
Expansion	TF card slot(TF card supports up to 1TB expansion)
Microphone	Dual-microphone array
Speaker	Supported
Wireless Connection	2.4G/5G WIFI Bluetooth 2.1/3.0/4.1/5.0
Camera	Front and rear dual cameras
Front light	36 levels (cold and warm)
Voice transcription	Free
Battery capacity	3000mAh
Operating system	Android 11 open system

5. Smart Pen

1. Touch control: The smart pen can replace finger touch operations, such as clicking, checking options, etc.

2. Connection: By default, the smart pen is not connected to the device out of the factory, and the smart pen status is not displayed in the upper right corner. In [Settings] > [Smart Pen] > [Smart Pen Connection], click [Scan] and follow the prompts to press the button on the pen. After the device is found, click on the found device and wait for the connection to succeed. The display of "Connected" indicates a successful connection. After the connection is successful, the smart pen's battery level is displayed, and the smart pen status is displayed in the upper right corner. After the connection is successful, the smart pen's buttons can be used in different scenarios.

3. Indicator light: When the smart pen is not connected, press the power button and the red light flashes twice; when the smart pen is connected, press the power button and the red light flashes once; when charging, the red light is always on; when fully charged, the red light is off; when the smart pen's battery is below 1%, the red light flashes five times.

4. Writing: Use the smart pen to write in the writing area.

5. Pen and eraser switch: After the smart pen is connected, on pages such as notes/tasks, press the smart pen's button  once to quickly switch to the eraser for erasing, and press the smart pen's button  again to quickly switch to pencil/-fountain pen writing; or on pages such as notes, task lists, bookshelves, etc., long press the button  to switch to the eraser function, and release the button  to become the pen function.

6. Page turning: After the smart pen is connected, when reading in applications such as bookshelves and bookstores, the smart pen's buttons ,  can turn pages down and up.

7. Voice remote control: After the smart pen is connected, press the Power button of the smart pen, and say the command word according to the prompt to realize the voice remote control function, which currently supports Chinese and English bilingual voice remote control.

8. Infrared laser light: Supports infrared laser light function, double-click the smart pen Power button to turn on or off the infrared laser light.

9. Charging: Charge the smart electromagnetic pen through the device's magnetic attraction, which is convenient and efficient.

10. Multifunction button: In [Settings]>[Smart Pen]>[Smart Pen Button], supports

6. Main Interface

System Bar

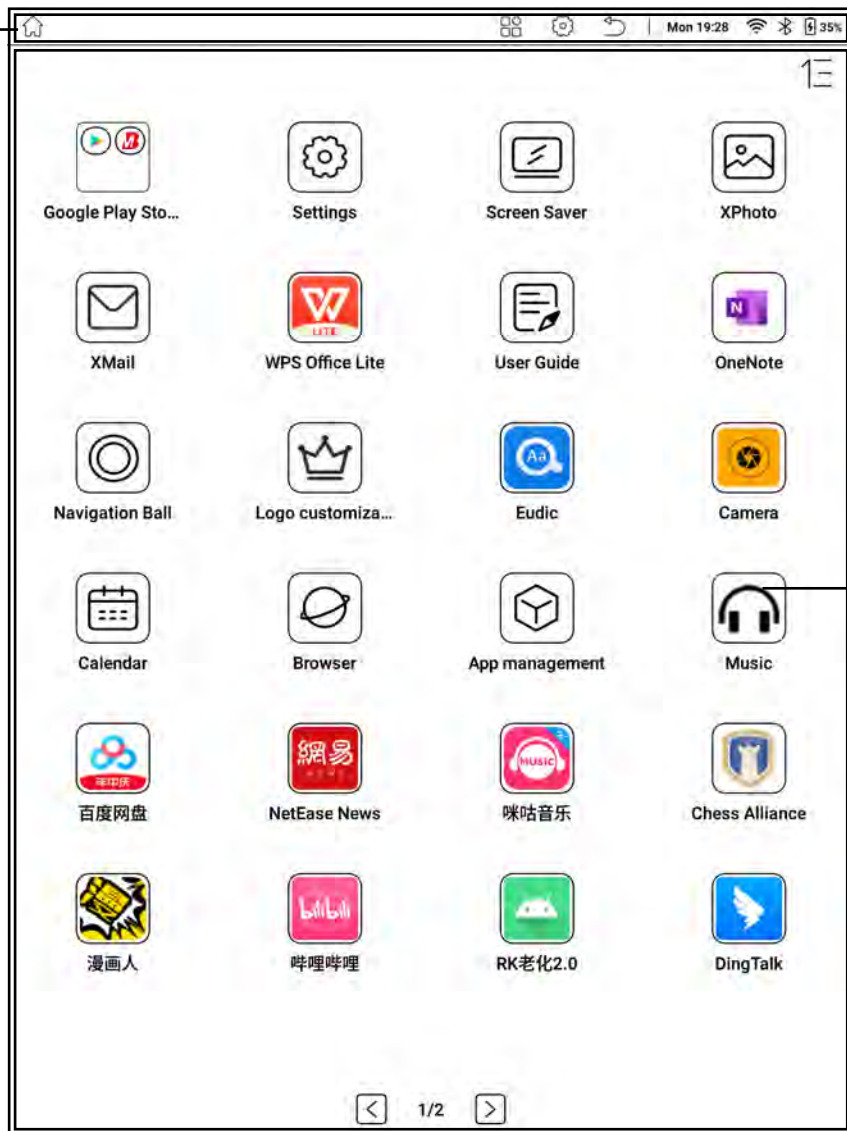

Menu Bar

Content Area

Office Mode

System Bar

Content Area

Tablet Mode

Theme Mode: You can click [Settings] > [Homepage Style] to switch between [Office Mode] and [Tablet Mode]

System Bar

1. Displays the current basic status of the device, including: time, WIFI status, Bluetooth, smart pen battery level, device battery level, etc.
2. Convenient operations, including returning to the homepage, application center, EInk center, return, etc.
3. Pull down to bring out the status bar

Menu Bar

1. Long press the application, drag to exchange application positions
2. Long press the menu bar or click [Settings - Menu Management] to enter the custom list; click [Switch] to set the shortcut applications in the menu bar

Content Area

1. Under Office Mode: The content area displays the content interface of the selected application
2. Under Tablet Mode: The content area displays the application desktop

Status Bar

The image displays a mobile application interface with a status bar at the top. The status bar includes a home icon, a notification icon, a menu icon, a grid icon, a settings icon, a refresh icon, the date and time "Fri 09:38", and connectivity icons for Wi-Fi, Bluetooth, and battery level at 23%.

The main interface is divided into several sections:

- Left Sidebar:** A vertical list of icons with labels: Meeting records, Notes, Library, Storage, App Center, Scan document, Office, and Voice.
- Top Navigation:** A row of icons including a clock, a folder, and a trash can.
- Central Content Area:** A large empty rectangular area with a faint document icon and a plus sign.
- Right Panel:** A vertical stack of controls:
 - Date and Time:** "Aug 11, 2023 9:38 AM"
 - XRZ3 and Bluetooth:** Two large black buttons with white icons and text.
 - Quick Settings Grid:** A 3x4 grid of circular icons with labels: "Eink center", "Global hand...", "Split screen", "Process ma...", "Screenshots", "Miracast", "Speed up", "Record scre...", "Airplane mo...", "Touch", "Settings", and "Home".
 - Light Control:** A section with "Warm light" and "Cold light" icons, a sun icon, a moon icon, and two sliders. The top slider is at 0, and the bottom slider is at 36.
 - Volume Control:** A section with a "More volume" icon, a speaker icon, and a slider at 4.
- Bottom:** "Upload" and "Download" buttons with cloud icons.

Operation

1. Pull down at the top of the screen to display the [Status Bar]
2. Click on the blank space outside the [Status Bar] to retract the [Status Bar]

WIFI

1. Click to connect or disconnect WIFI
2. Long press to enter the WIFI settings page and set up WIFI

Bluetooth

1. Click to connect or disconnect Bluetooth
2. Long press to enter the Bluetooth settings page and set up Bluetooth

Shortcut Area

Used to display the convenient entrances of functions such as [E ink Center], [Global Handwriting], [Application Split Screen], [Process Management], [Super Screenshot], [One-Key Projection], [One-Key Acceleration], [Screen Recording], [Flight Mode], [Hand Touch], [Settings] and [Homepage]

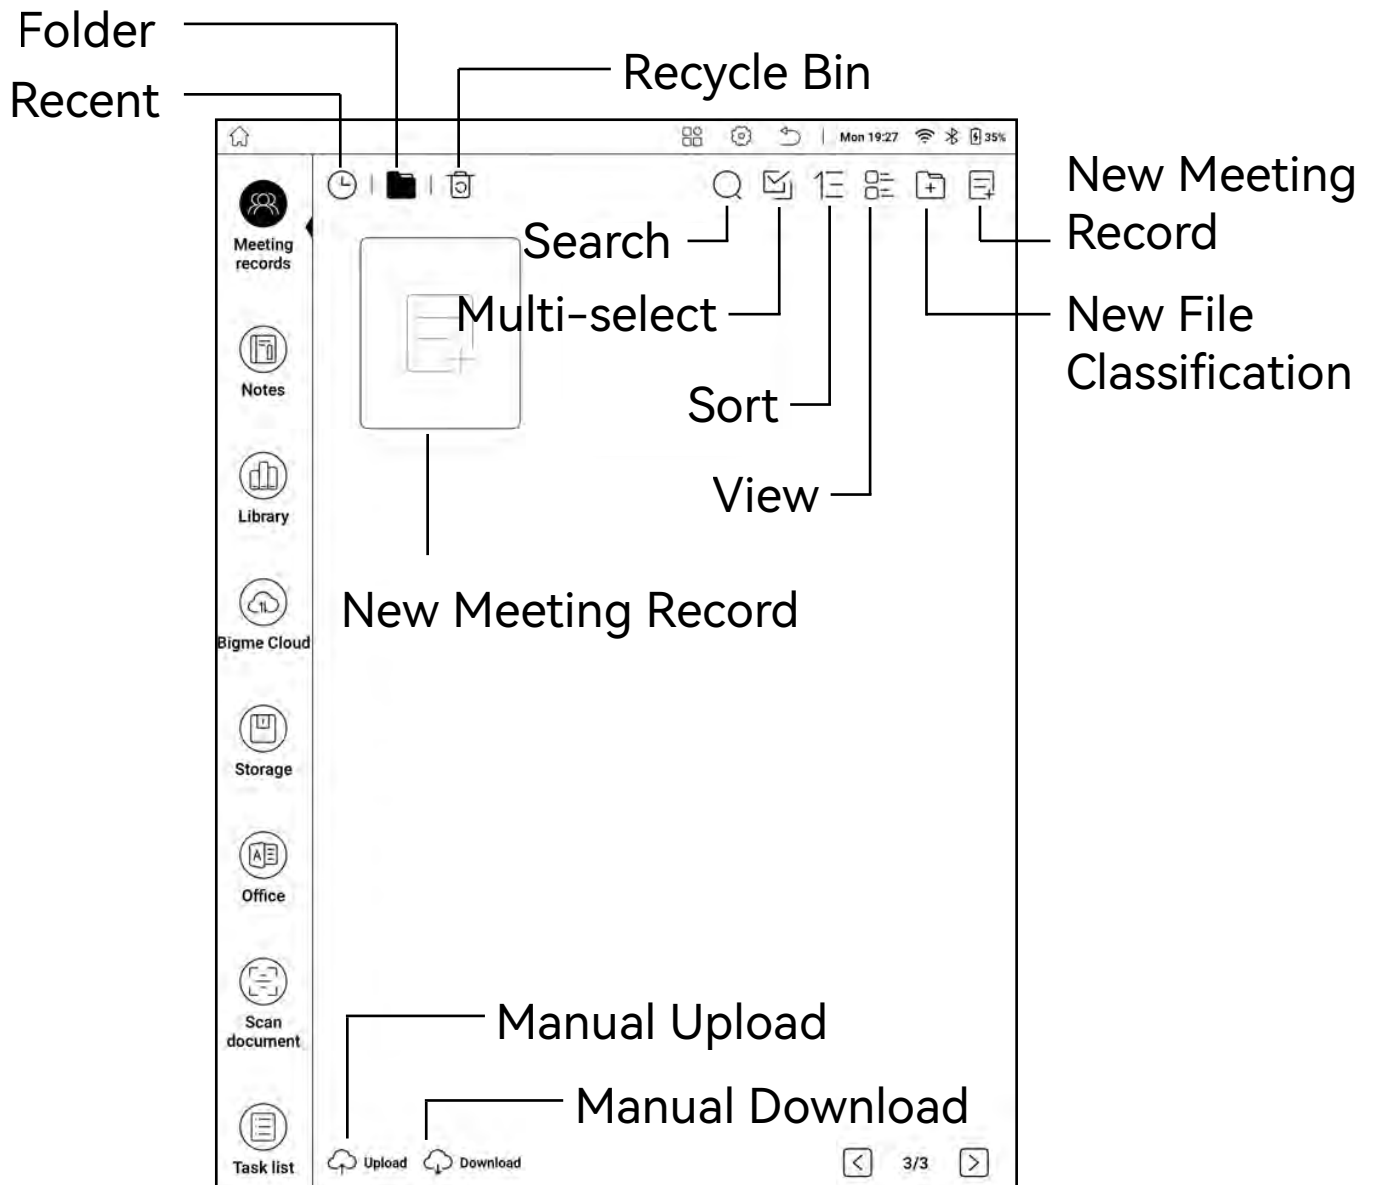

Reading Light

Can adjust the cold and warm front light freely according to the usage environment and reading habits

Volume

1. Freely adjust the sound volume or mute
2. Can adjust the volume of media, calls, notifications, and alarms separately

7. Meeting Record

New Meeting Record – Basic Menu Bar

1. Save and Exit: You can save or delete meeting record notes
2. Title: You can customize the note name
3. Recording Transcription: You can record the meeting and transcribe it into text
4. Language: You can freely switch between Chinese dialects and foreign languages
5. Mode: You can Enable or disable [Multiplayer Mode] and [Focus Mode]; [Multiplayer Mode] allows for the recognition of multiple voices during recording transcription; [Focus Mode] helps to avoid interference during note-taking while transcribing recordings.
6. Intelligent Summary: Extracts important information from the meeting content.
7. Intelligent Organization: Optimizes the content of the meeting records.

8. Toolbar: Allows for the display or hiding of the floating toolbar; long press on the floating toolbar to move its position.

9. Back: Returns to the previous operation.

10. Forward: Proceeds to the next operation.

11. Previous Page: Turns to the previous page.

12. Next Page: Turns to the next page or adds a new page.

Creating New Meeting Records - Handwriting Area

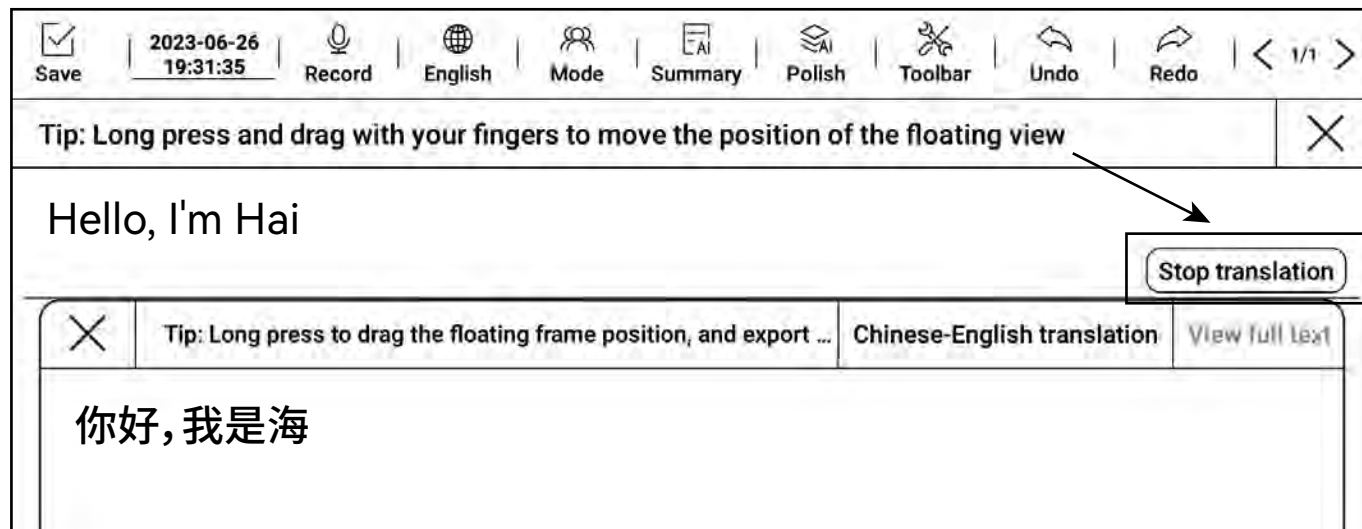

1. Allows for freehand note-taking.

2. Allows for template switching.

Creating New Meeting Records - Recording Transcription Area

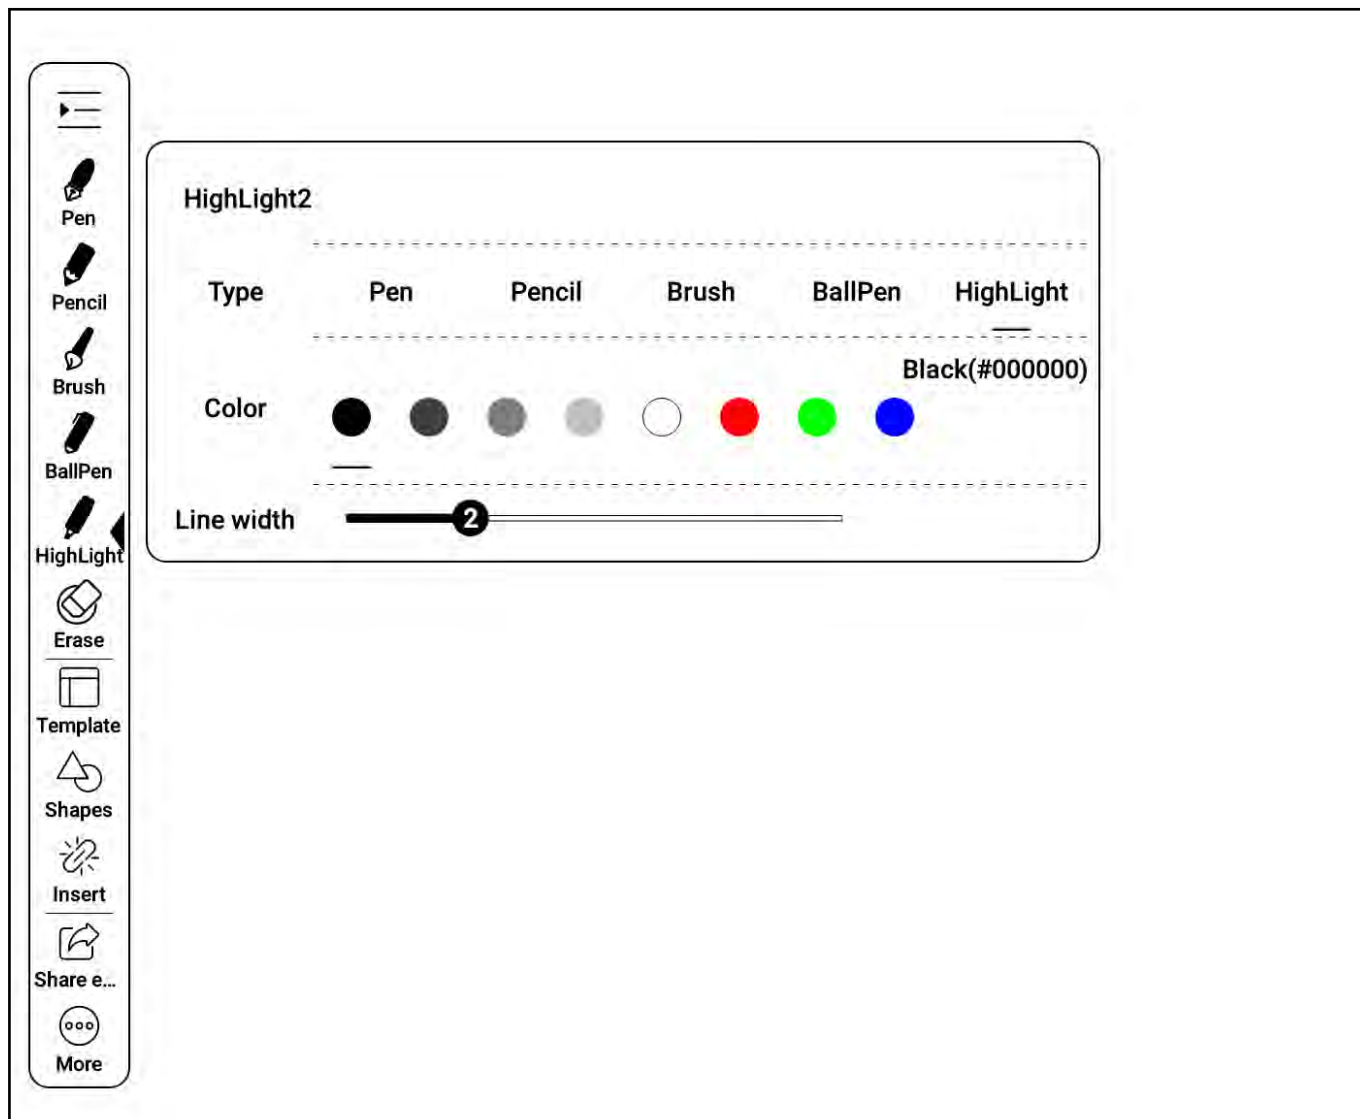

1. Allows for viewing of transcribed text content from voice recordings.
2. Allows for playback of recorded content.
3. Allows for speed adjustment during playback.
4. Allows for volume adjustment.
5. View Full Text: Allows for viewing of all transcribed content.
6. Playback Recording: Tapping on handwritten content plays corresponding voice recording; tapping on the recording playback progress bar jumps to corresponding transcribed content.
7. Transcription Content Editing: Tapping on transcribed content allows for manual modification or deletion of text.

Creating New Meeting Records - Translation

1. Click on [Recording Transcription] > [Start Translation] > [Select Language].
2. Start recording, and the system will automatically translate.
3. The translated results can be exported in the View Full Text section.

Creating New Meeting Records - Pen Type and Eraser Selection

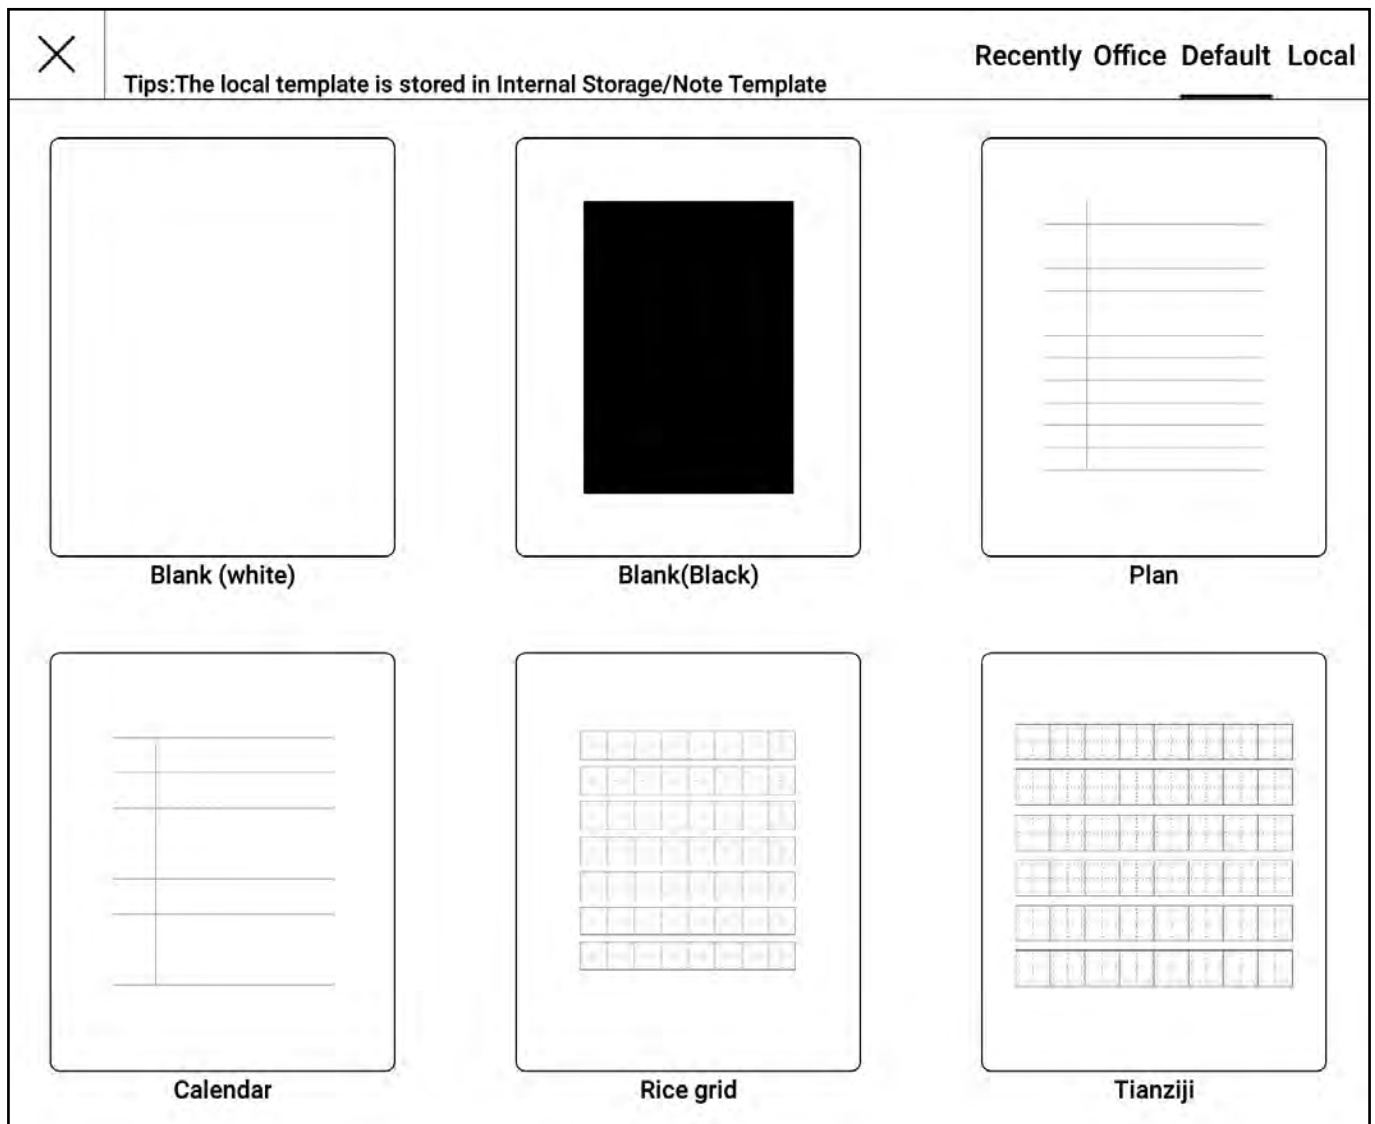

1. Toolbar: Allows for the display or hiding of the toolbar window.

2. Clicking on the pen type in the floating window, such as [Highlighter], allows for adjustment of the color and thickness of the pen stroke.

3. Eraser: Allows for selection of erasure methods such as track erasure, range erasure, or full erasure.

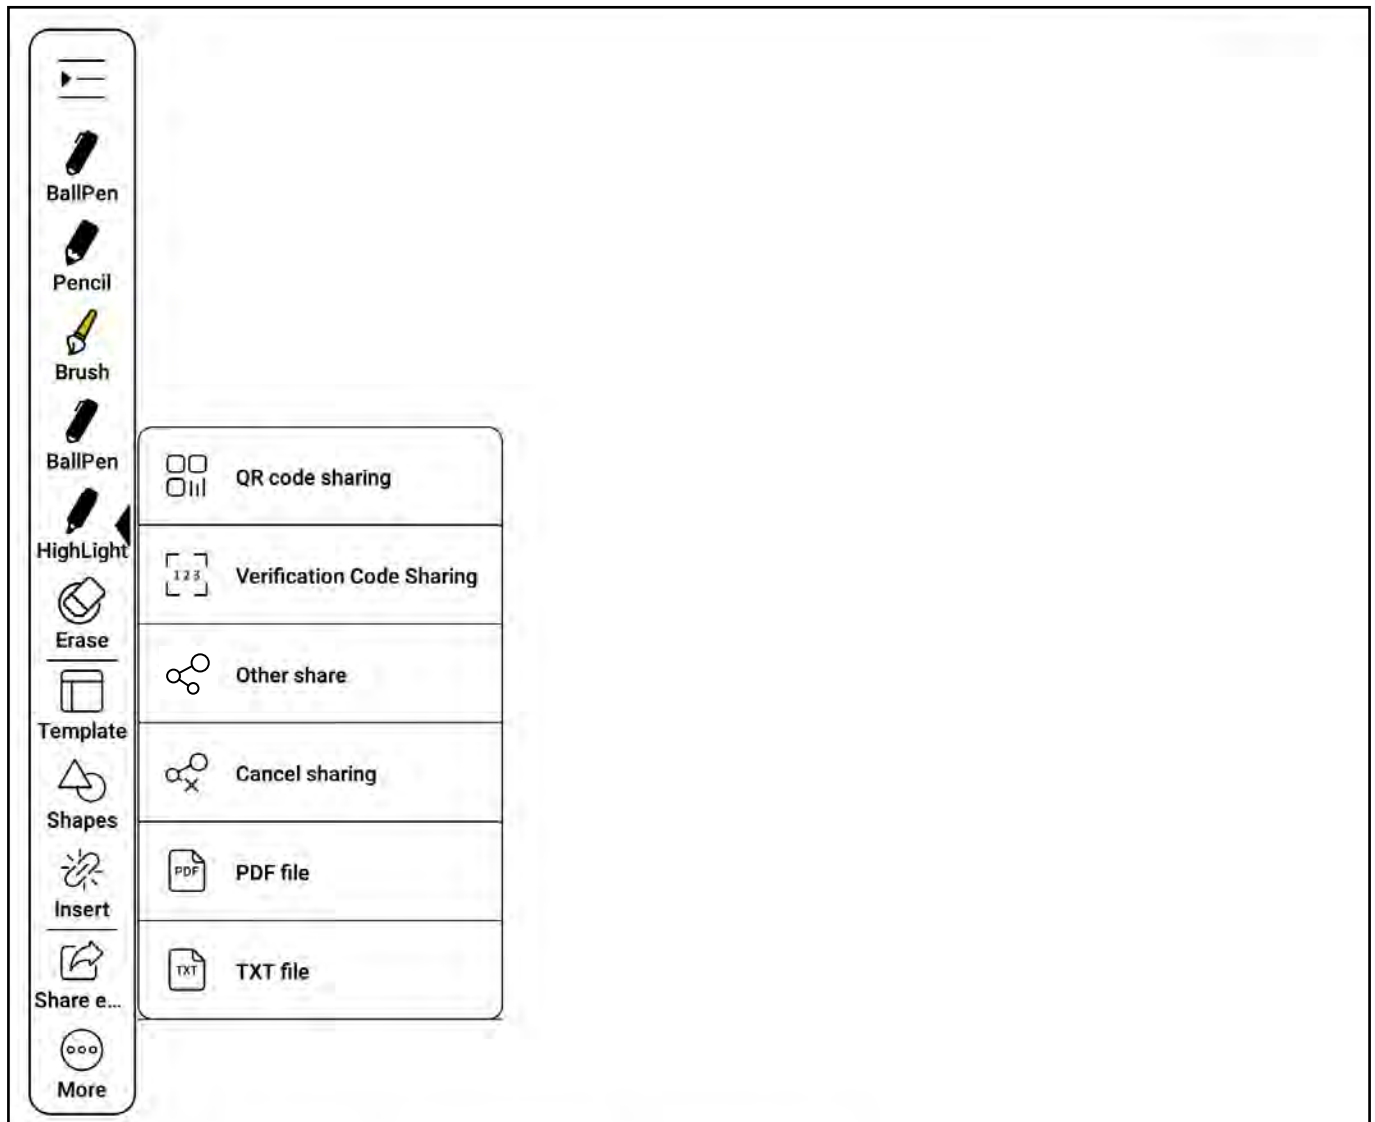

Creating New Meeting Records - Template Selection

1. Allows for selection of various writing templates for office, study, life, etc. provided by the system.

2. Also supports the import of bmp, jpg, png, pdf format templates, just place the file in the /local storage/ noteTemplate directory.

Creating New Meeting Records - Sharing and Exporting

1. Allows for sharing of meeting records to others through QR code, verification code, etc.

2. Also allows for exporting of meeting records as PDF files or TXT files.

Creating New Meeting Records - Other Functions

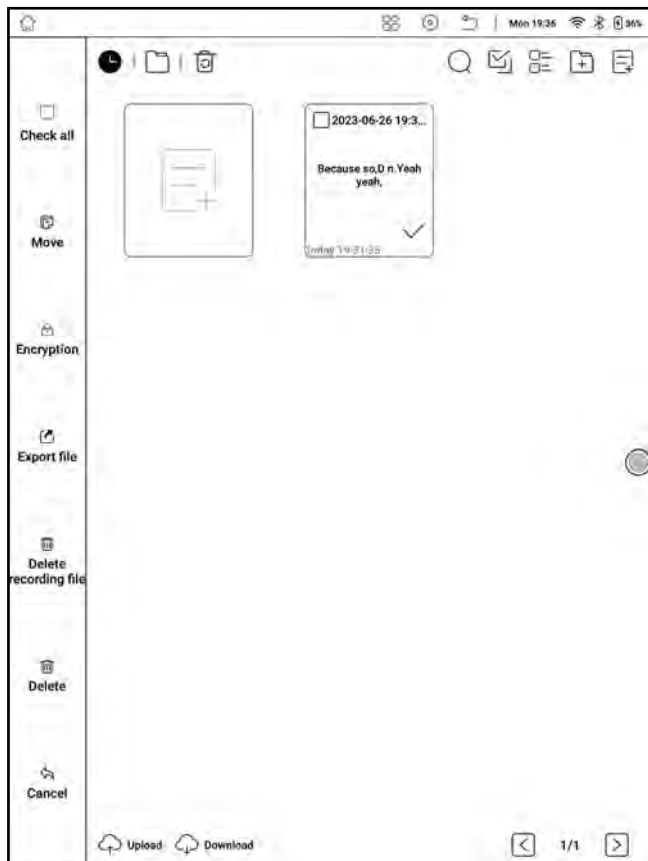

Shape

Insert

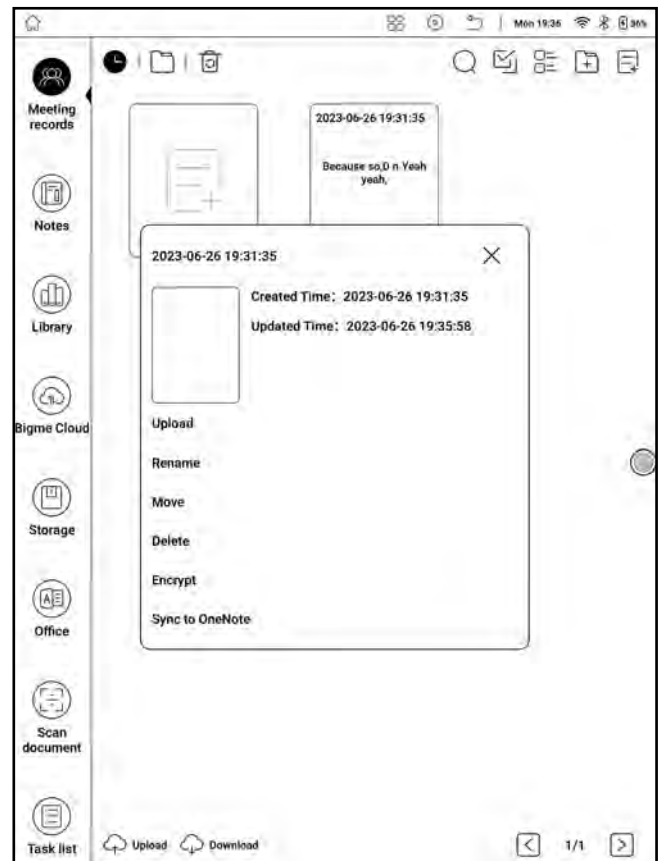

More

1. Shape: Allows for insertion of lines, rectangles, circles, and triangles, etc.
2. Insert: Allows for insertion of text, images, and pages, etc.
3. More: Allows for hiding transcription window, file transcription, transcription text, cutting, deleting this page, note encryption, synchronization, landscape/portrait screen, and enabling page flipping, etc.
4. File Transcription: Allows for re-transcription of text from currently recorded files; also allows for importing MP3 files recorded on other devices for transcription on this device.

Managing Meeting Records

Multi-select

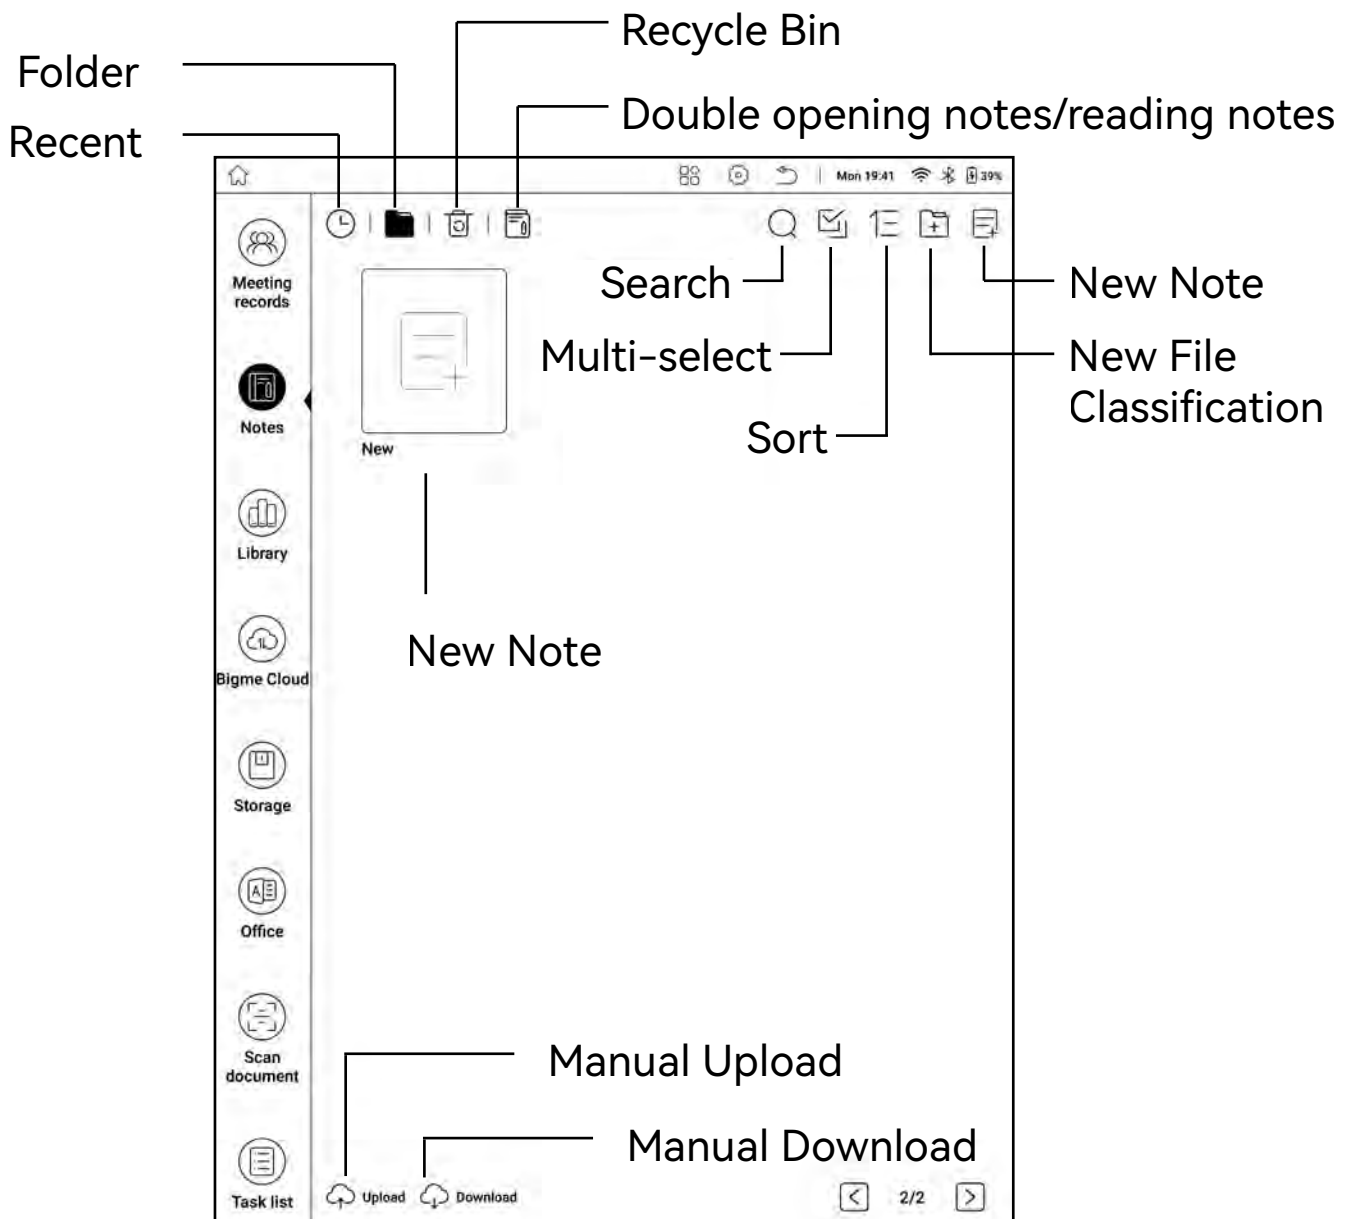

Long Press

1. Click on [Multi-select], allows for selection of all, moving, encryption, exporting files, deleting recording files, and deleting, etc. of meeting records.

2. Long press on meeting records allows for uploading, renaming, deleting, note encryption, and synchronization to OneNote, etc.

8. Notes

Menu Bar

Writing area

Creating New Notes – Basic Menu Bar

1. Save and Exit: Allows for saving or deleting notes.
2. Pen Type: Allows for selection of pen types such as fountain pen, pencil, brush pen, ballpoint pen, and highlighter, allows for adjustment of pen stroke color and pen thickness.
3. Eraser: Allows for selection of erasure methods such as track erasure, range erasure, or full erasure.
4. Toolbar: Allows for the display or hiding of the floating toolbar; long press on the toolbar to move its position.
5. Back: Returns to the previous operation.
6. Forward: Proceeds to the next operation.
7. Back: Returns to the previous operation.
8. Forward: Proceeds to the next operation.
9. Previous Page: Turns to the previous page.
10. Next Page: Turns to the next page or adds a new page.

Creating New Notes – Floating Toolbar and Handwriting Area

1. Toolbar: Allows for the display of the floating toolbar.
2. Template: Allows for selection of various writing templates for office, study, life, etc.
3. Shape: Allows for insertion of lines, rectangles, circles, and triangles, etc.
4. Insert: Allows for insertion of text, images, and pages, etc.
5. Transcribe Text: Allows for transcription of handwritten content into print.
6. Share and Export: Allows for sharing of notes to others through QR code, verification code, etc.; also allows for exporting of notes as PDF files or PNG files.
7. Cut: Allows for selection of content on the current page for cutting, moving its position, or pasting it onto the current or other pages by double-clicking.

8. Delete This Page: Allows for deletion of the current page.
9. Note Encryption: Allows for encryption protection of the current note.
10. Synchronize: Synchronizes notes to OneNote.
11. Landscape/Portrait: Allows for rotation of the current page.
12. Page Flipping: Click to enable or disable page flipping.

Managing Notes

Multi-select

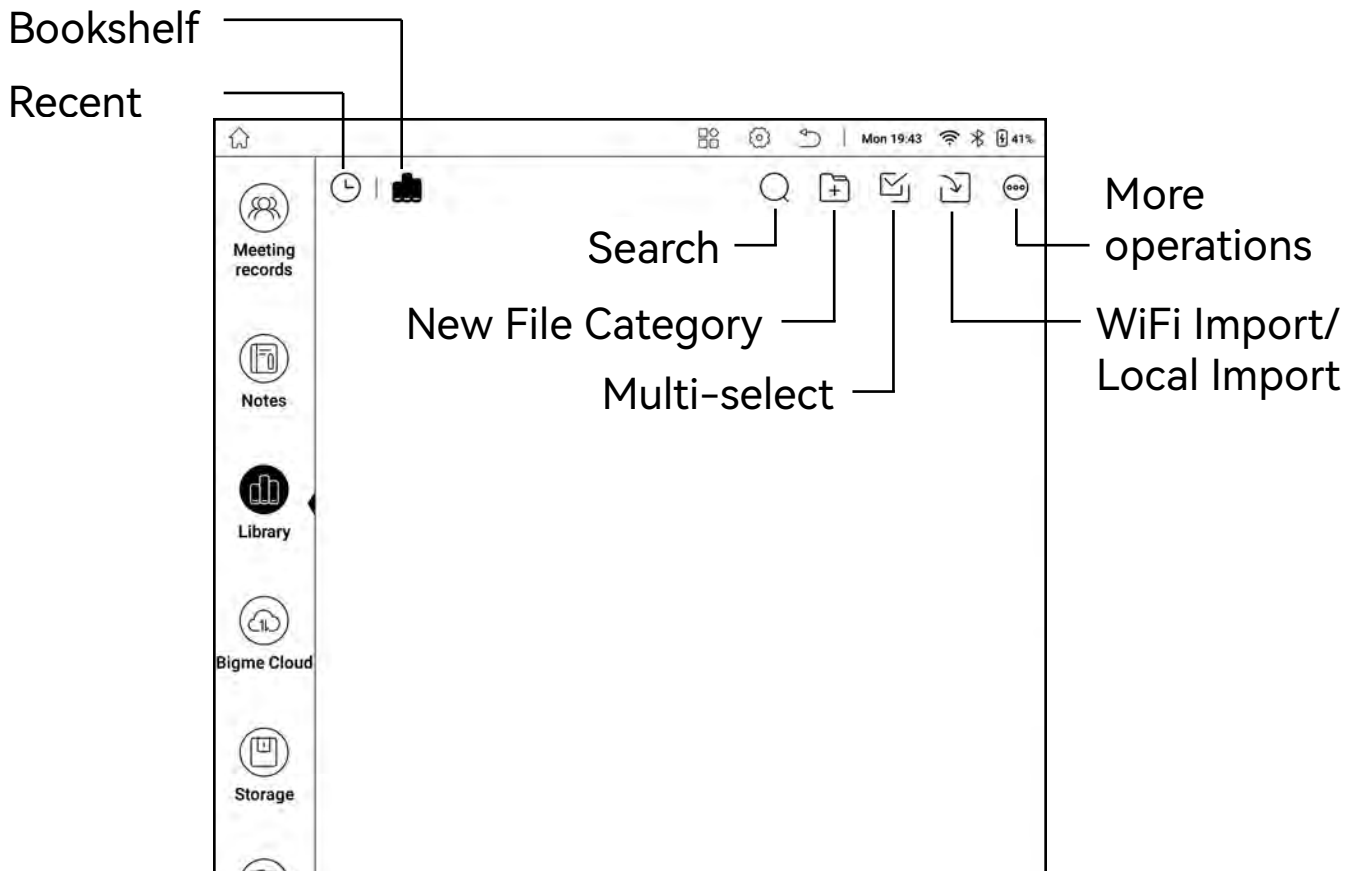

Long Press

1. Click on [Multi-select], allows for selection of all, moving, encryption, exporting files, and deleting, etc. of notes.

2. Long press on notes allows for setting as screensaver image, uploading, renaming, deleting, note encryption, and synchronization to OneNote, etc.

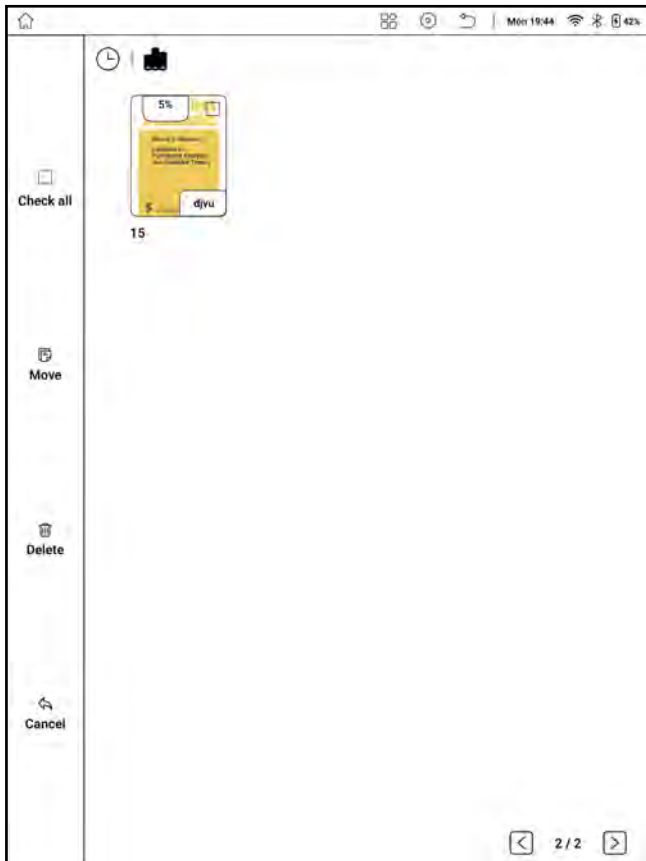

9. Bookshelf

Additional Operations:

1. You can reorder books by filename, creation time, and update time
2. You can freely switch the page display style between grid and list

Manage Books

Multiple Selection

Long Press

1. Click on "Multiple Selection" to select all and delete book documents
2. Long press on the book document to upload, move, rename, delete, share QR code, and other sharing operations

Reading

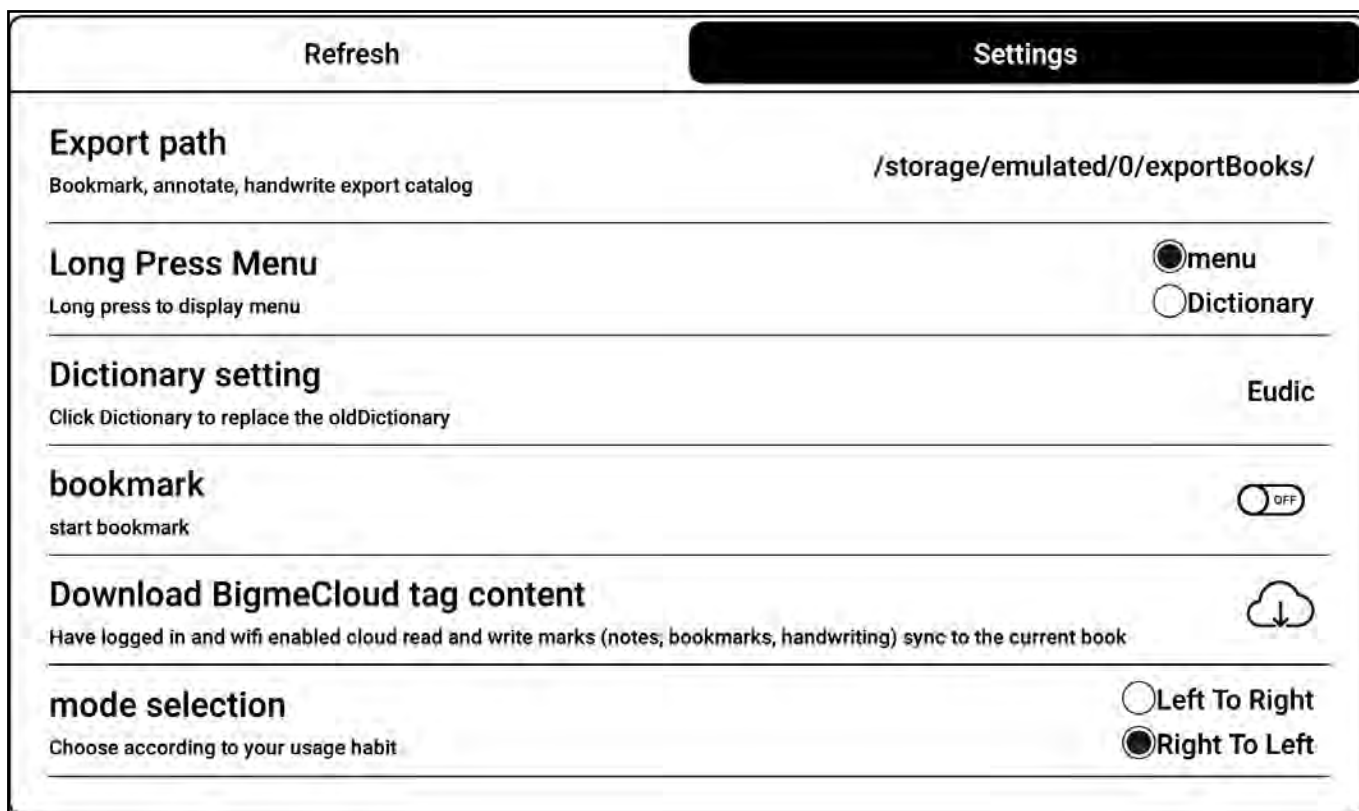

1. Return: Exit reading
2. Touch: Click to turn on or off touch
3. Handwriting Pen: Click to show or hide the type of pen and eraser window; adjust the color and thickness of the pen stroke; or choose an eraser to erase traces, erase range, erase all, etc.
4. Search: Enter keywords to search
5. Settings: Refresh mode and basic settings
6. Bookmark: Bookmark the current reading page

Refresh Mode

1. Choose from HD 256, HD, Normal, Extreme refresh modes
2. Adjust the full refresh frequency

Refresh Mode

1. View export path
2. Modify long press menu: Choose menu or dictionary
3. Dictionary settings: Customize the dictionary
4. Convenient bookmark: Turn on or off
5. Download cloud read-write mark content: Download bookmarks, annotations, handwriting, etc. uploaded to the cloud to the local machine
6. Mode selection: Freely switch between left-hand or right-hand mode according to your own usage habits

Table of Contents

The screenshot displays a digital reading application interface. On the left, a table of contents lists two entries:

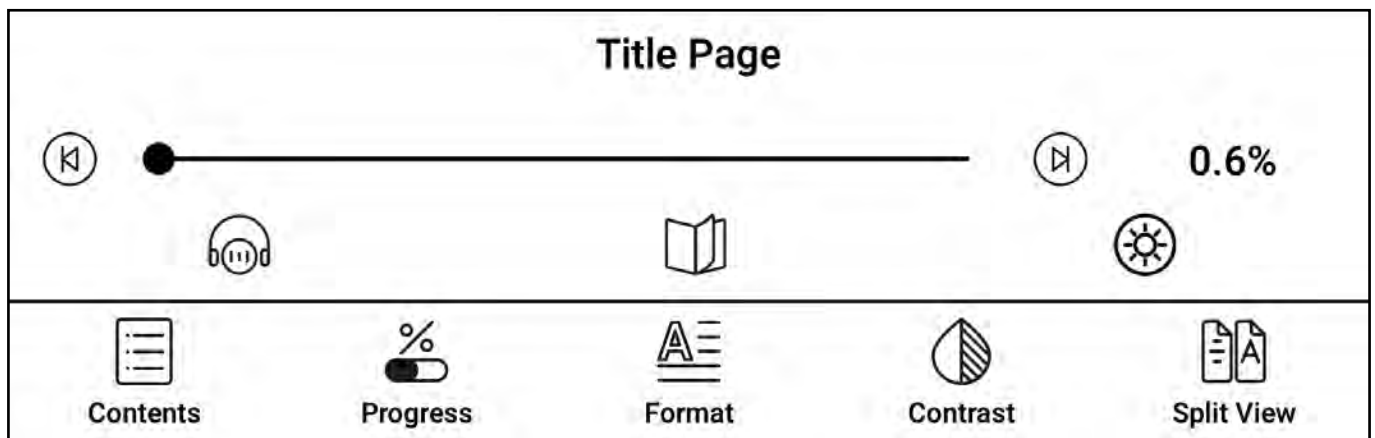

- Entry 1: Palfreys, 2023-06-27 08:50:33 Page number: 100
- Entry 2: have the poor fellow ill- used." 2023-06-27 08:50:38 Page number: 113

Each entry has a checkbox to its right. Below the table of contents is a navigation bar with a left arrow, '1/1', and a right arrow. To the right of the navigation bar are icons for sort, delete, upload to cloud, export, and a square icon. At the bottom of the interface, there are four main menu items: TOC, Bookmarks, Annotations, and Handwriting. The status bar at the bottom right shows the time '08:50' and a battery icon at '100%'.

On the right side of the screenshot, a preview of text is visible, showing the words "ling, with every", "nd, except the", "d the Bath buns", and "them.".

1. View the book's table of contents
2. View the book reading's bookmark notes
3. View the book reading's annotation notes
4. View the book reading's handwritten notes
5. You can sort, delete, upload to the cloud, export, and select all notes
6. You can display the window in full screen

Progress

1. Previous Chapter: Go back to the previous chapter of the book
2. Next Chapter: Go to the next chapter of the book
3. Listen to the book: Set a timer, adjust the volume and playback speed
4. Automatic page turning: Set a timer, adjust the automatic page turning interval and adjust the total number of automatic page turns
5. Night/Day Mode: Freely switch between night or day mode according to your own reading habits

11.ChatGPT

Chat

The screenshot shows a mobile chat application interface. At the top, there is a navigation bar with a back arrow on the left, a 'Chat' tab (which is highlighted in black), and a 'Composition' tab. To the right of the tabs is a user profile icon. Below the navigation bar, the date and time '2023-06-27 08:57:57' is displayed. To the right of the date are two buttons: 'Conversation' with a speech bubble icon and 'New' with a plus icon. The main content area is titled 'Chatbot' and contains the text 'You can ask me questions like this'. Below this text are six example questions in rounded rectangular boxes, each with a right-pointing arrow: 'Help me write a daily work report, focusing on UI design work content', 'Will my job be replaced by you', 'What are the directions of entrepreneurship in 2023', 'Write a meteor shower special effect code in Python', 'Should the young people be naked?', and 'I want to eat a stewed fish, can you teach me how to do it'. At the bottom of the chat area, there is a double-left arrow icon and a text input field containing the same question as the first example: 'Help me write a daily work report, focusing on UI design work content'. To the right of the input field is a user profile icon. Below the input field is a response from the chatbot, indicated by a red 'B' icon. The response text is: 'Sure! Here's an example of a daily work report for UI design work: Daily Work Report – UI Design Date: [Insert Date Here] Tasks Completed: • Revised the design of the login page to improve user experience and optimize for mobile devices. • Created a new set of icons to be used in the navigation bar of the app. • Designed a landing page for a new feature that will be released next week.' At the very bottom of the screen, there is a microphone icon on the left, a text input field with the placeholder text 'What would you like to chat with me?', and a paper plane icon on the right.

< Chat Composition 

2023-06-27 08:57:57  Conversation  New

Chatbot

You can ask me questions like this

Help me write a daily work report, focusing on UI design work content →

Will my job be replaced by you →

What are the directions of entrepreneurship in 2023 →

Write a meteor shower special effect code in Python →

Should the young people be naked? →

I want to eat a stewed fish, can you teach me how to do it →

⏪ Help me write a daily work report, focusing on UI design work content 

 Sure! Here's an example of a daily work report for UI design work:

Daily Work Report – UI Design

Date: [Insert Date Here]

Tasks Completed:

- Revised the design of the login page to improve user experience and optimize for mobile devices.
- Created a new set of icons to be used in the navigation bar of the app.
- Designed a landing page for a new feature that will be released next week.

 What would you like to chat with me? 

1. Avatar: View ChatGPT's account and profile.
2. Conversations: View past chat history.
3. New: Create a new chat with a custom title.
4. Dialogue Box: Voice input, keyboard input, or handwriting input.

Outline

- A. Best Places for Stargazing
- B. Dark Skies Parks and Other Locations for Stargazing
- C. The Ideal Conditions for Seeing a Starry Sky
- D. Tips for Beginner Stargazers
- E. Astronomical Events to Look Out For

IV. Conclusion

Introduction

Starry sky is a term used to describe the night sky filled with stars. It is a sight that has been captivating and inspiring people for centuries. The starry sky is filled with countless stars, some of which are visible to the naked eye, while others require powerful telescopes to be seen. It is one of the most beautiful natural phenomena in the world, and it has been the subject of many works of art, literature, and scientific study.

Definition of "Starry Sky"

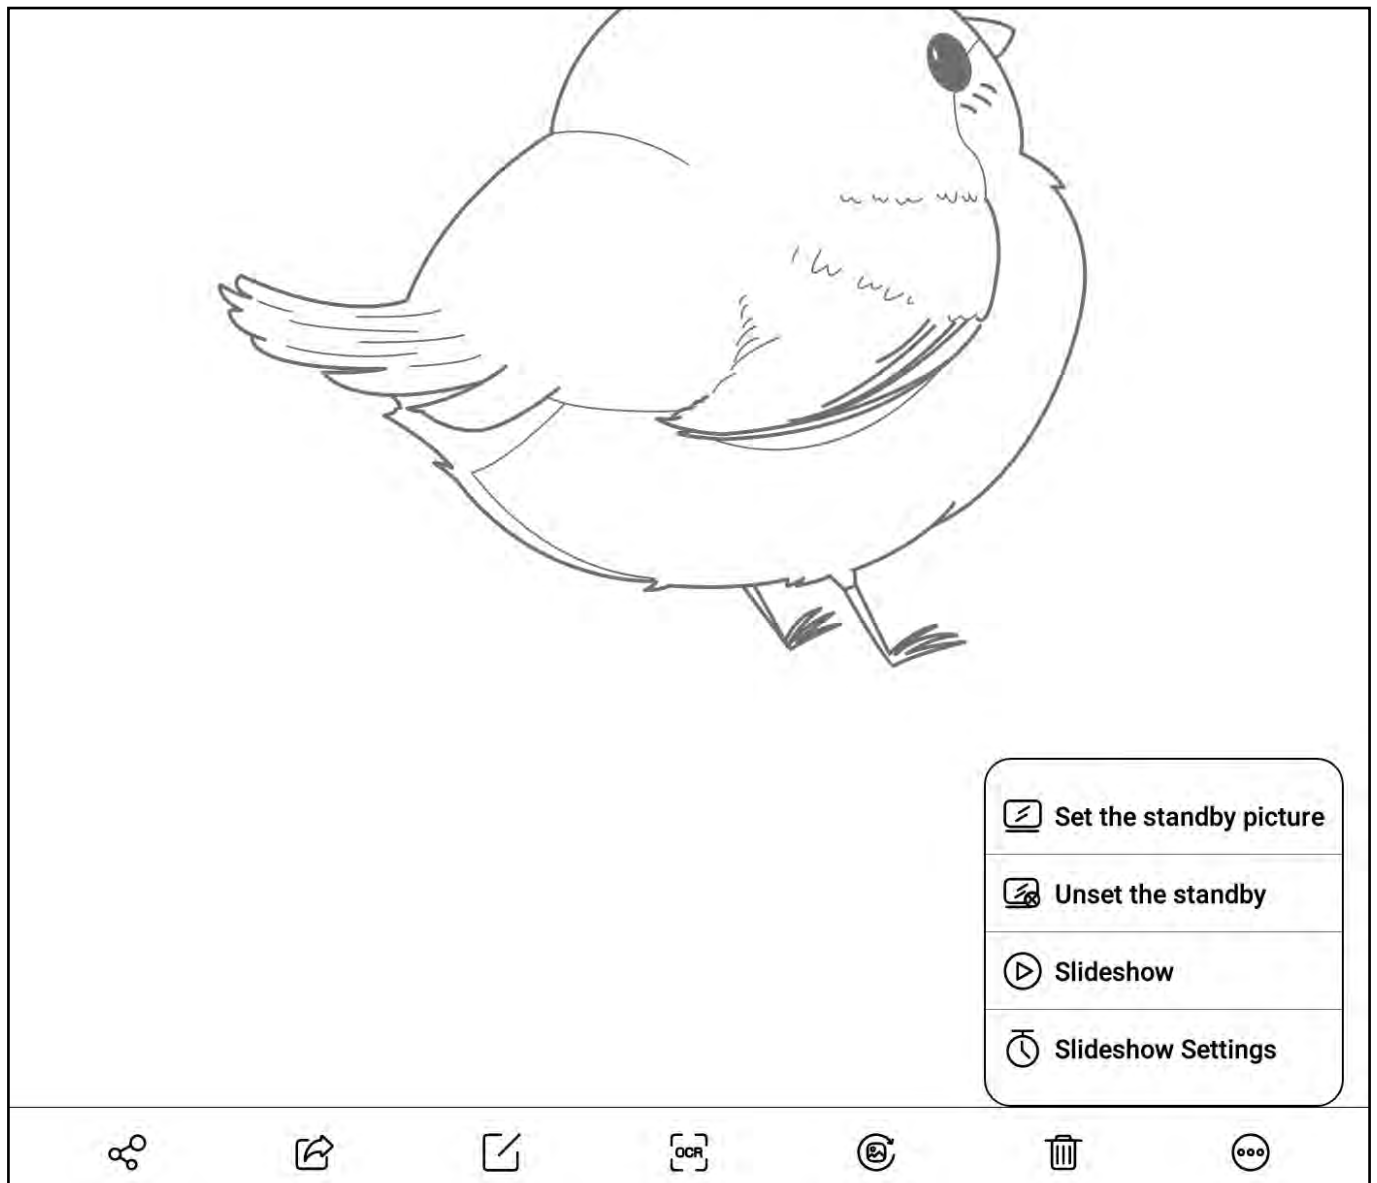

The term "starry sky" refers to the night sky filled with stars that can be seen from Earth. It includes all the stars in our own Milky Way galaxy, as well as those from other galaxies

Thinking, please wait...

1. Topic: Enter the title of the article you want to write.
2. Outline: AI generates a creative outline, which can be modified.
3. AI Generation: AI generates different content paragraphs.
4. Export: Export as TXT or PDF document.

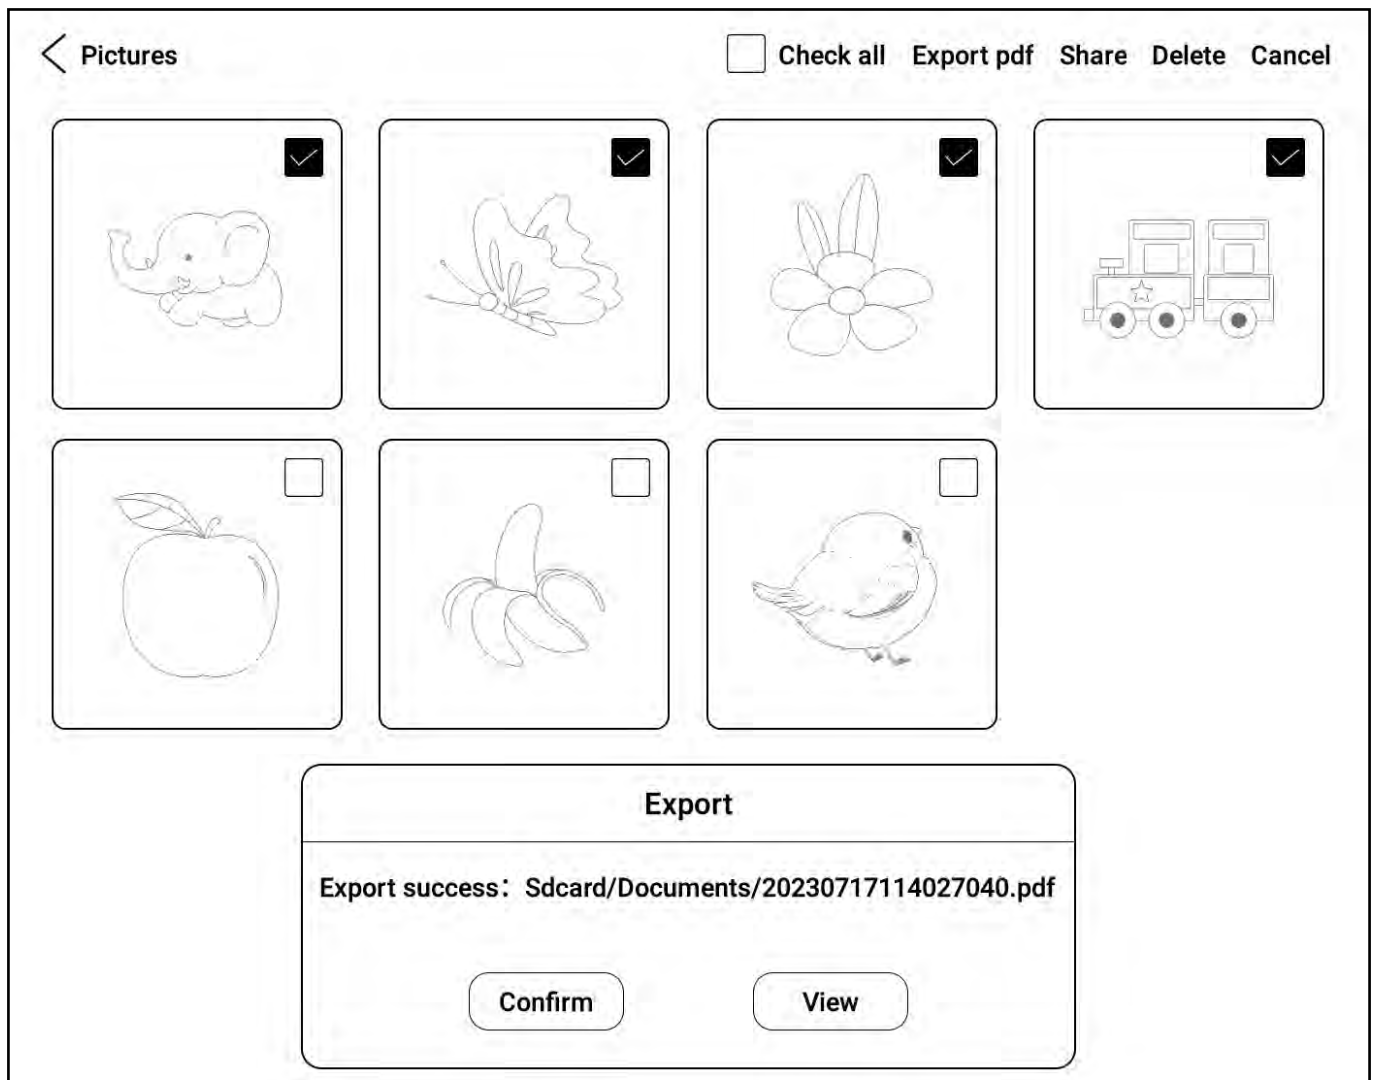

12. Image Browser

Set Screensaver/Cancel Screensaver

Click on "More" to set/cancel the screensaver for the current image

Export as PDF

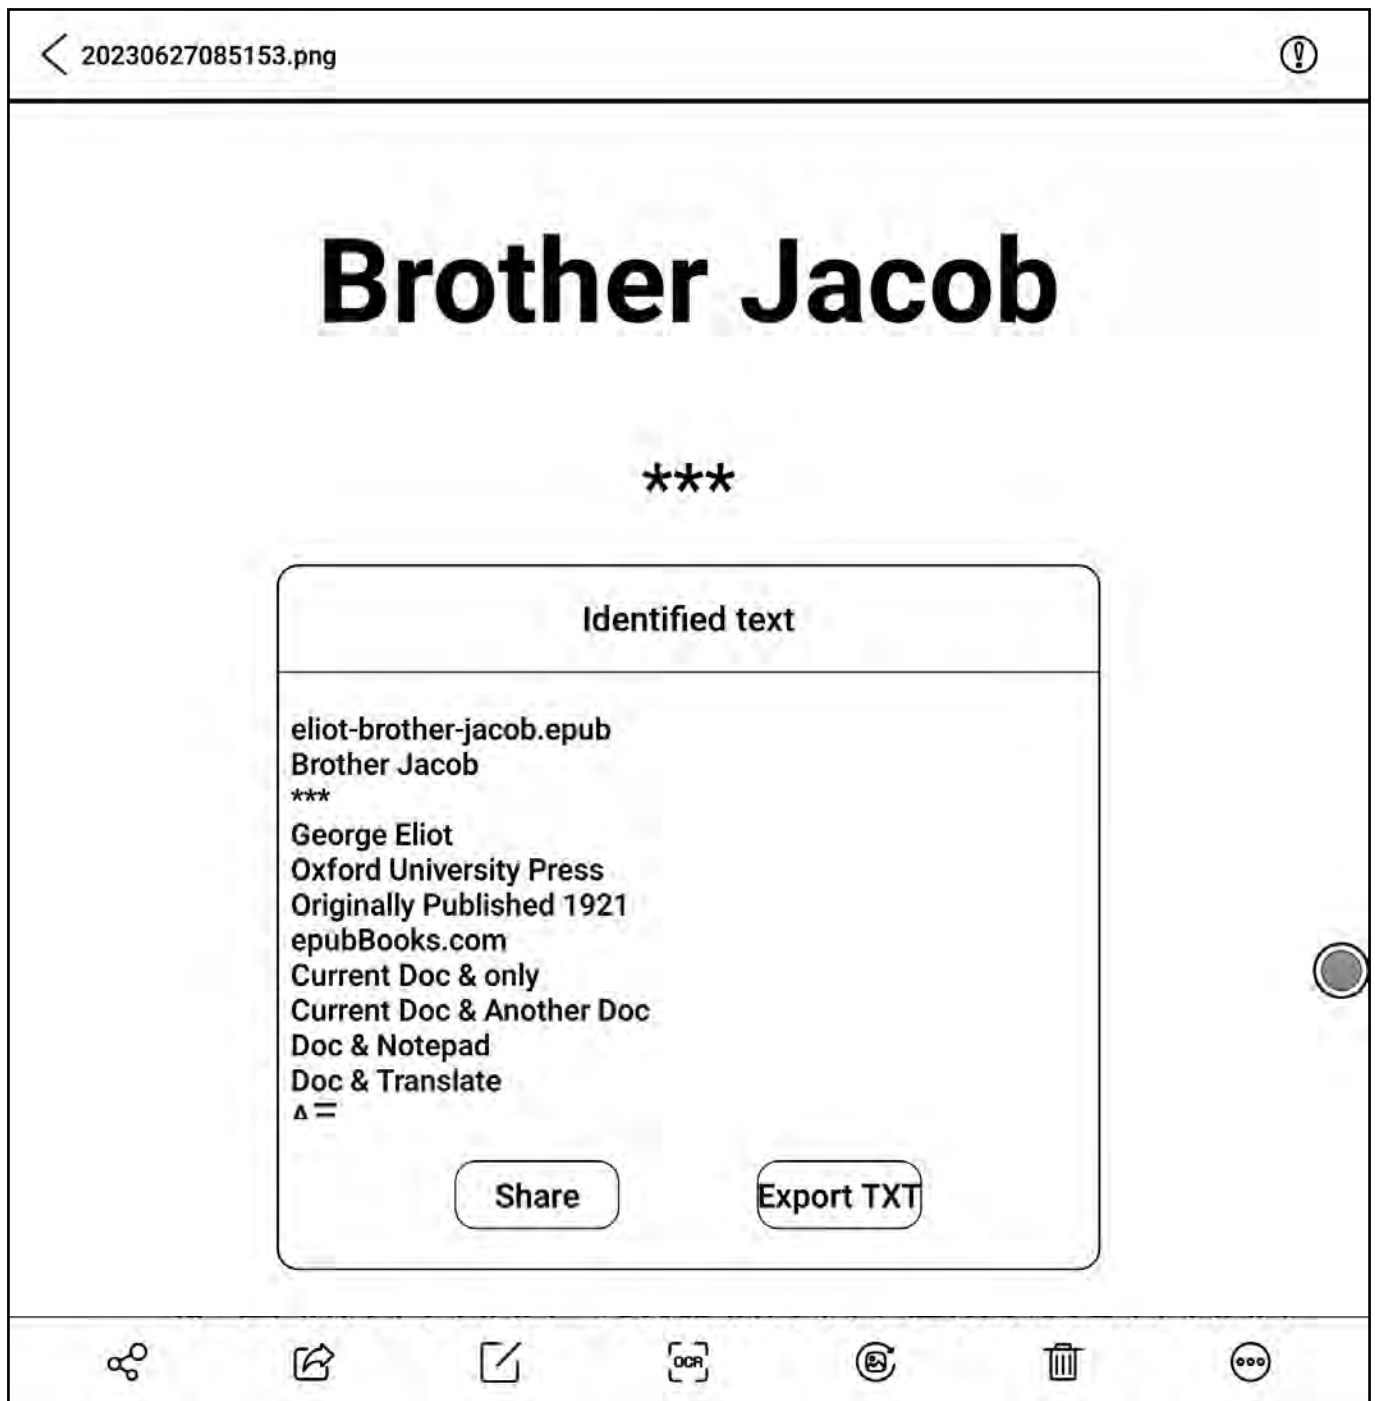

1. Click on "Select", choose multiple files.
2. Click on "Export" to PDF.
3. Export path is: Internal storage/Documents/.

Image Editing

Click on "Edit" to make changes to the image, crop, insert text, etc.

OCR Recognition

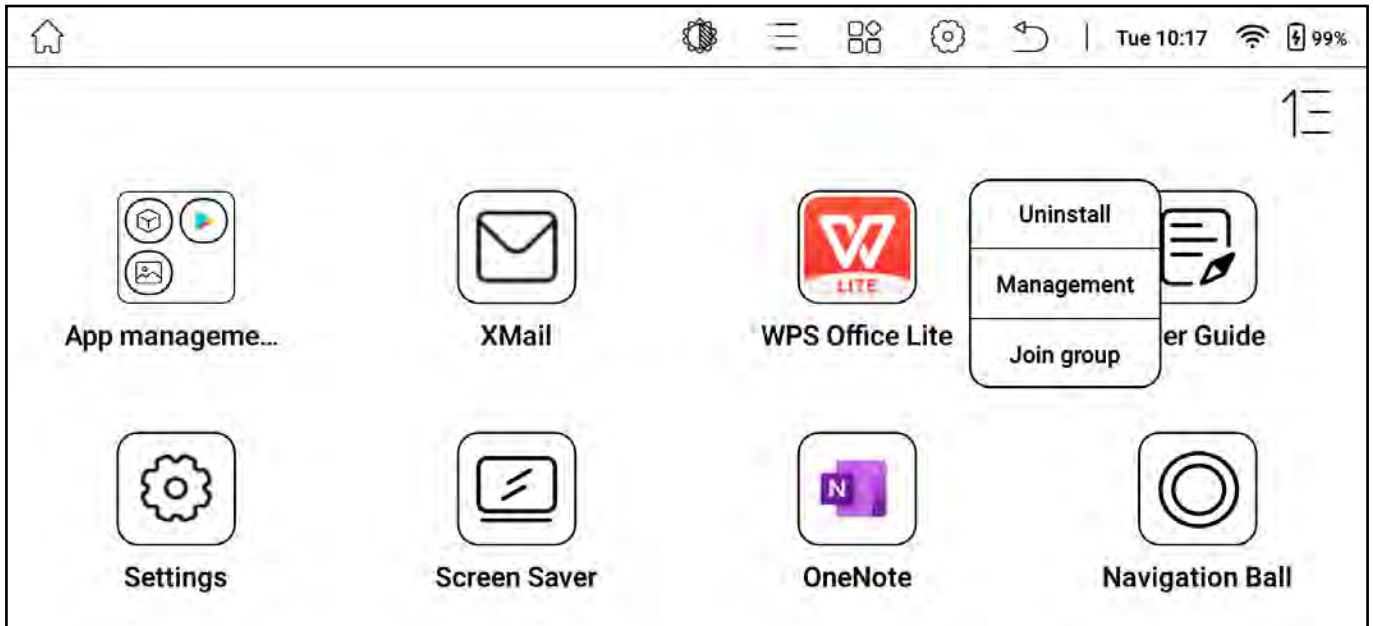

1. Click on "OCR" to recognize text in the image.
2. Share or export the recognized results as a TXT file.
3. Path is: Internal storage/Pictures/OCR/.

13. Document Scanning

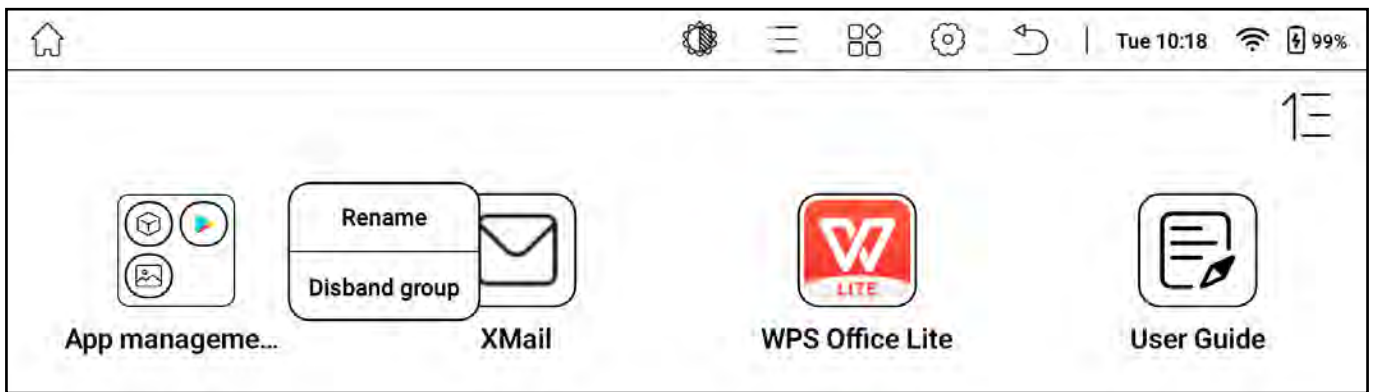

1. Scan documents by taking a photo with the camera.
2. Select files for recognition from "My Gallery".
3. Scan results can be exported as PDF or TXT files.
4. Export path is: Internal storage/OCR/.

14. App Center

1. Long press app: Uninstall, manage (open, set app permissions, force stop, etc.), add to group.

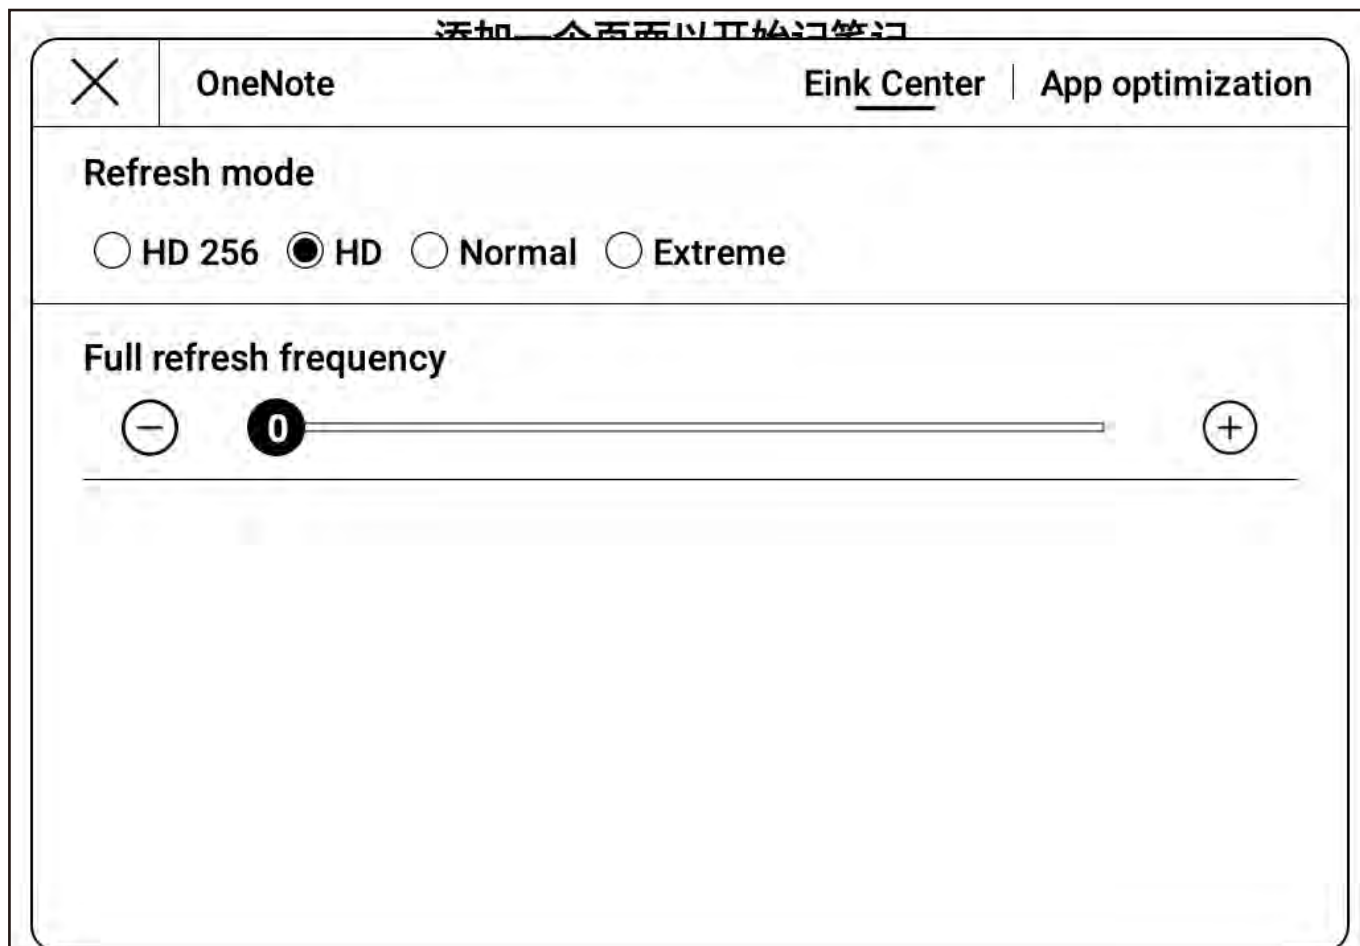

2. Long press app group: Rename, disband group.

3. Sort: Sort apps by name or installation time in ascending or descending order.

15. E Ink Center

E Ink Center

Operation: Pull down the status bar, select E Ink Center.

Refresh Mode: Set the refresh mode for the current app.

1. HD 256: Clearer details, suitable for viewing images and text.
2. HD Mode: Clear display, suitable for general text reading.

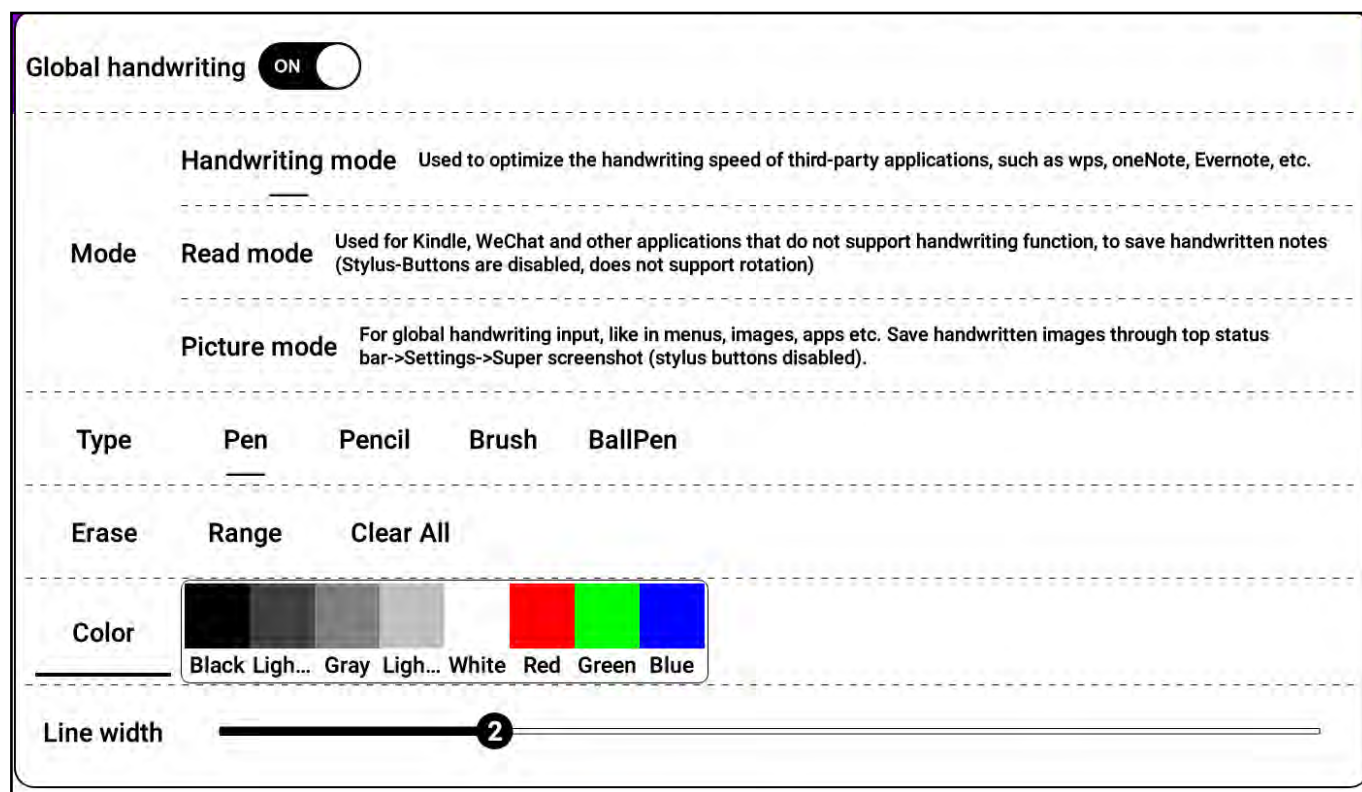

3. Normal Mode: Slightly faster refresh, suitable for quickly flipping through images and text.
4. Extreme Mode: Fast refresh, some detail loss, suitable for browsing web pages, videos, etc.
5. Full Refresh Frequency: Refresh the entire screen according to the set number of operations (for example, if set to 10, the screen will fully refresh after 10 operations).

App Optimization

1. DPI setting: Adjust the overall page and font size of third-party apps;
2. Contrast Setting: Deepen the color of the third-party app fonts;
3. Text Enhancement: Bold the titles, menus, and text fonts of the third-party app.

16. Global Handwriting

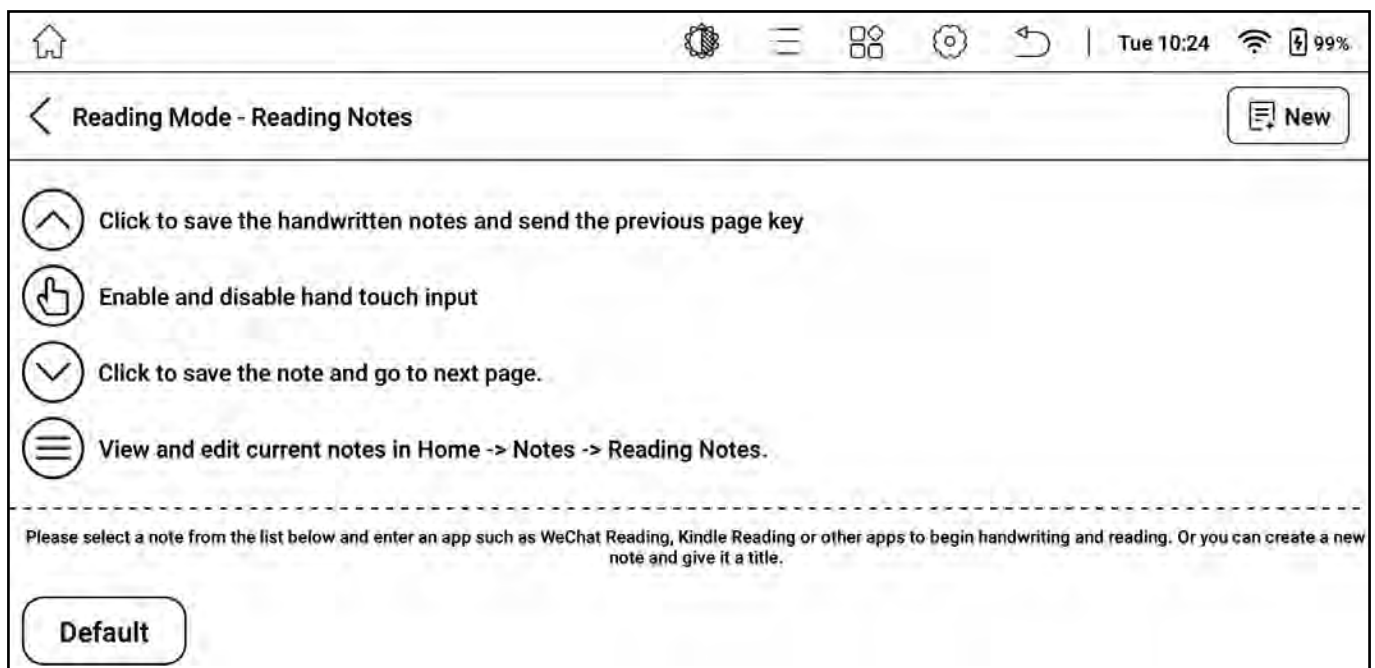

Operation: Pull down the status bar, select Global Handwriting.

1. Handwriting Mode: Effectively improves the handwriting speed of third-party handwriting apps, such as Youdao Cloud Notes, WPS, OneNote, etc. Features: Converts handwriting strokes into third-party app strokes, third-party notes disappear after being converted into global handwriting content.

2. Reading Mode: Supports handwriting annotations in third-party reading apps like WeChat Reading, Kindle Reading, etc., and can be saved as PDF format for cloud storage.

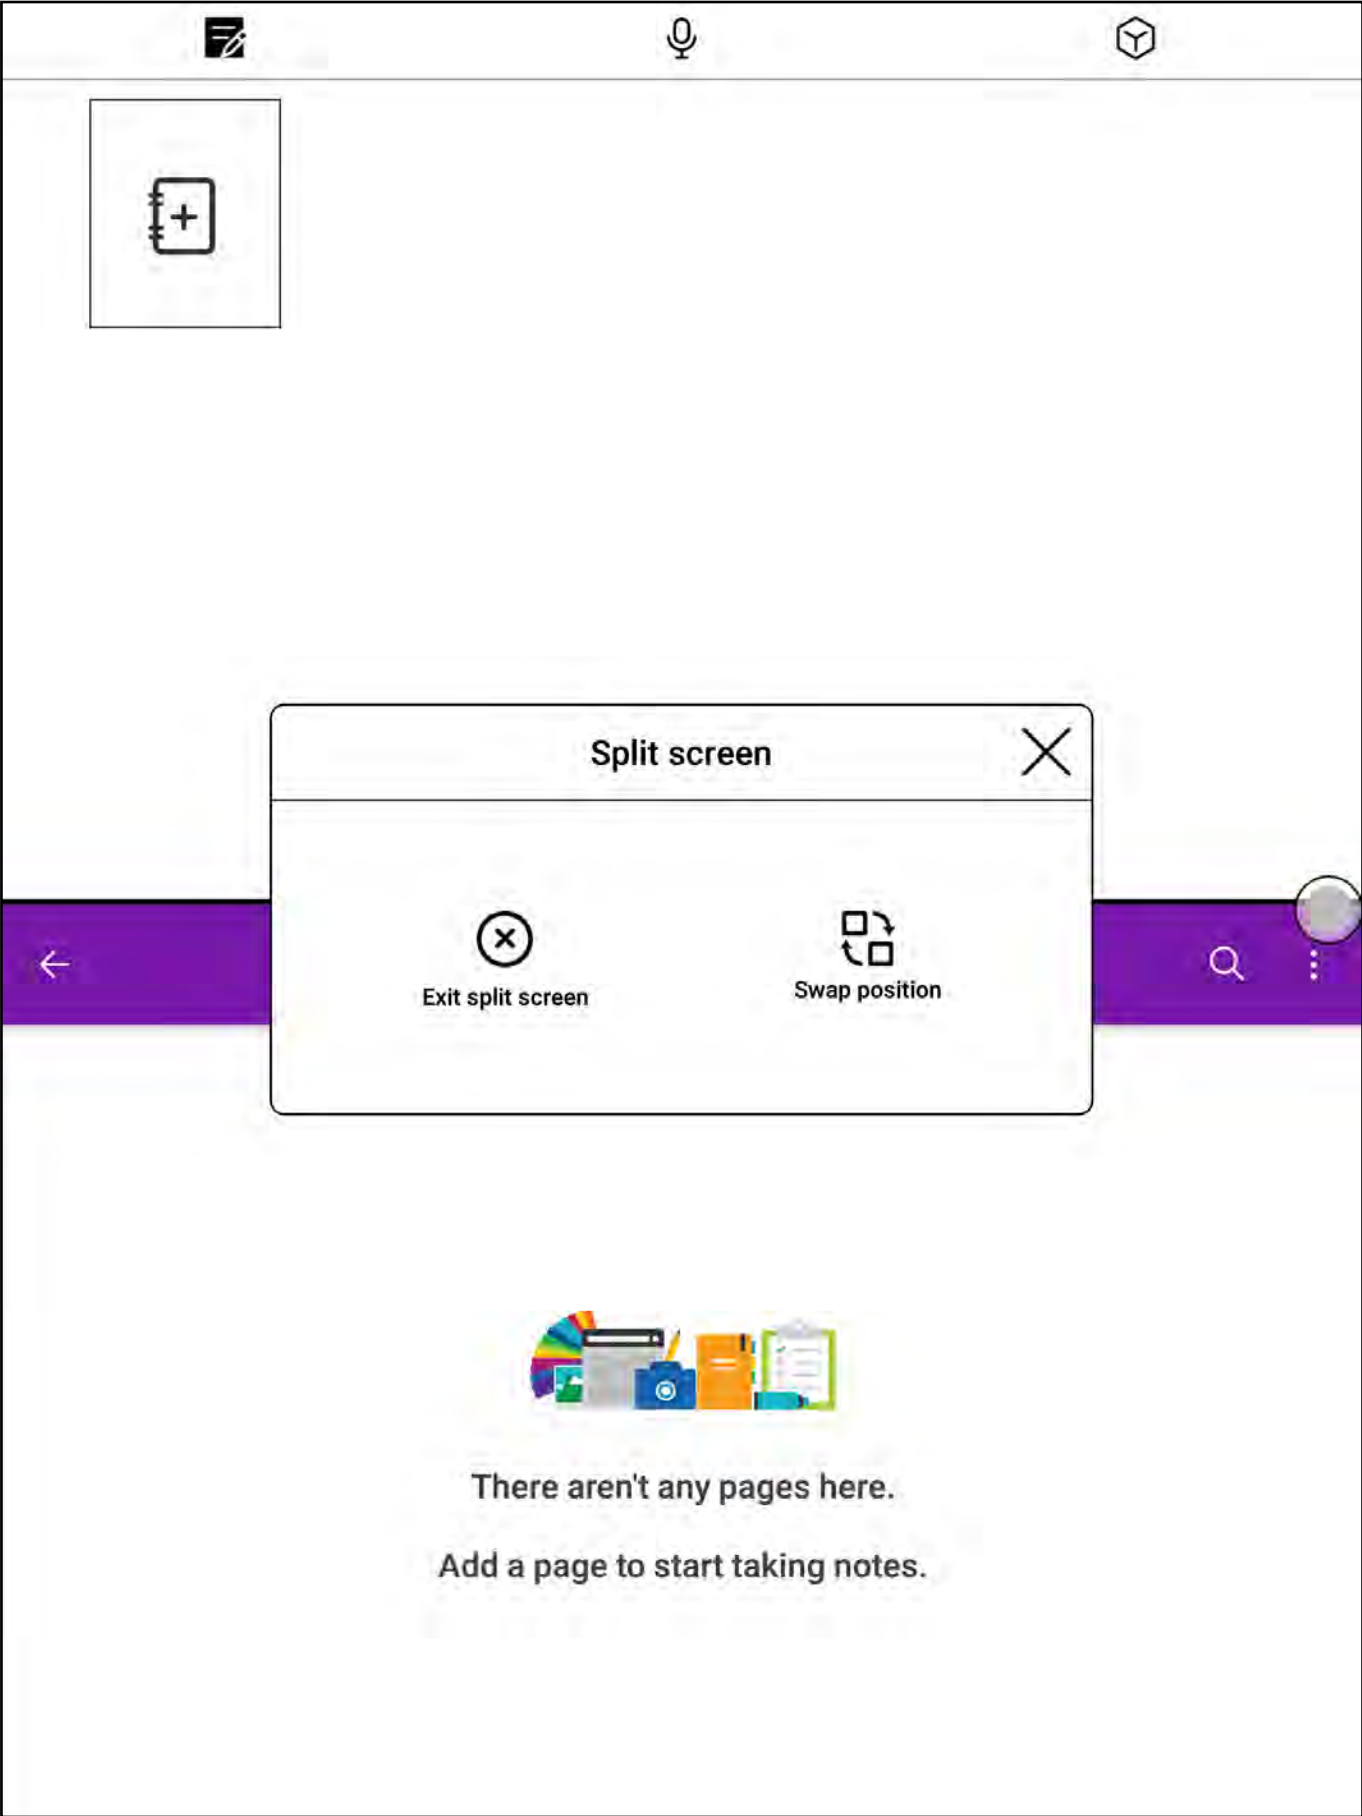

3. Image Mode: Allows handwriting on any app interface and saves and shares images. Features: Does not make apps that do not support handwriting support handwriting, allows you to handwrite on any interface, and handwriting can be saved through screenshots.

Bigme Cloud Literacy Technology Co., Ltd. reserves the right to make changes to the product specifications and content in the "User Manual" without further notice.

1. All book interfaces in this manual are for display purposes only and are not pre-installed books.

2. Due to different software versions, some functions or interfaces may not be consistent with the manual, and the actual product shall prevail.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
