

<p><b>EUT View 11</b></p>	 A black plastic component, possibly a connector or plug, is shown next to a 100mm ruler for scale. The component has a circular base and a protruding top. The ruler is marked in millimeters, with the component's diameter appearing to be approximately 25mm.
<p><b>EUT View 12</b></p>	 A black plastic component, similar to the one in View 11, is shown next to a 100mm ruler for scale. This view shows the component from a slightly different angle, highlighting its cylindrical shape and the protrusion on top. The ruler is marked in millimeters, with the component's diameter appearing to be approximately 25mm.
