

Document Number: ENG-029
Document Revision: 1.1
Document Type: Public

Date: 12 April 2023
Subject: RAD-wBMS wireless transmit power

To Whom It May Concern:

To ensure compliance to FCC CFR Title 47, Part 15.247 and IC RSS-247v2/GENv5, Intrepid Control Systems will lock the RAD-wBMS (FCC ID: 2A923230117BMSE1, IC: 29961-230117BMSE1) device firmware from the factory such that the end user will not be able to modify any of the radio parameters.

A handwritten signature in black ink, appearing to read 'Ben Kleinheksel'.

Ben Kleinheksel
Director of Engineering
