# **GWL-MD-C1**

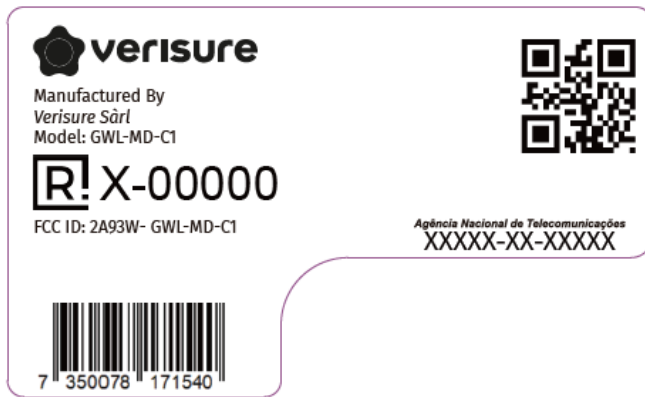

## **PRODUCT LABEL SPECIFICATION**

**CONFIDENTIAL**

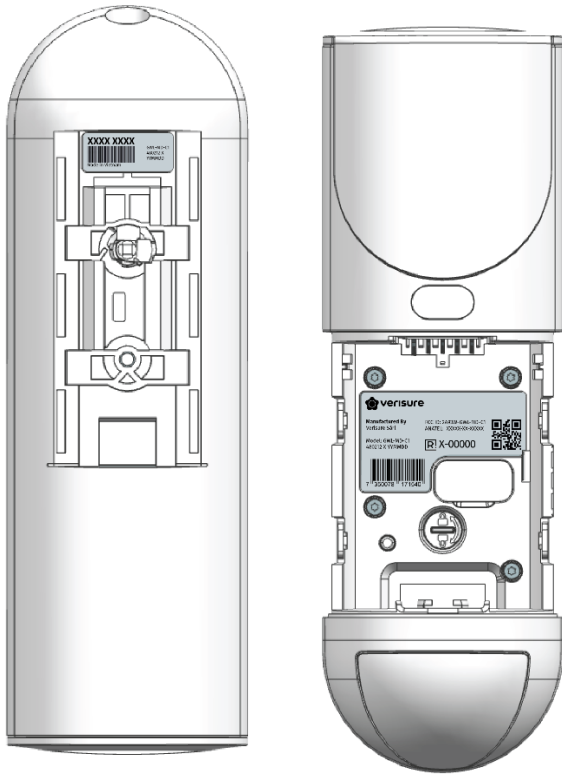

## **1. DOCUMENT INFORMATION**

The purpose of this document is to describe the product label for the Guardvision Indoor Camera (GWL-MD-C1) in terms of design and content.

## 2 VISUAL EXAMPLE

### 3 VISUAL APPEARANCE AND POSITION

## **4 ADDITIONAL NOTES**

The labels are located in the battery tray compartment and under the bracket of the device.

- The back label is behind the mounting bracket. Before the installation, the bracket is accessible without the use of any tools as the bracket slides upwards. After the installation, the label can be accessible by moving the circular plate at the bottom and the inside of the battery tray compartment.
- The front label is in the battery tray compartment. Before the installation, the label is accessible without tools by pressing the metal plates in the tray and pulling the battery tray. After the installation, the label is accessible by moving the circular plate at the bottom of the device using any flat object (e.g., flat screwdriver).

In this link, you will find an example on how to both access the battery tray compartment and how to remove the bracket after the installation:
