

1. Antenna describe:

|                      |                                         |
|----------------------|-----------------------------------------|
| Antenna gain         | -6.85 dBi                               |
| Operation frequency: | 115KHz - 333KHz                         |
| Connector type       | direct                                  |
| Model Name           | FWW234                                  |
| Impedance            | 10 Ohm                                  |
| Antenna type         | Loop coil antenna                       |
| Antenna size:        | R=10mm, r=6.8mm                         |
| Manufacture          | Guangdong Youjiahui Technology Co., Ltd |

2. Antenna size:
