|                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>Solder<br/>Board-Component<br/>View 2</div> |  A photograph of a small green printed circuit board (PCB) component, identified as 'View 2'. The component is rectangular and populated with various electronic components, including a USB-A connector, a USB-B connector, several integrated circuits, and surface-mount capacitors. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters, with the horizontal scale ranging from 0 to 100 mm and the vertical scale ranging from 0 to 100 mm. |
| <div>Solder<br/>Board-Component<br/>View 3</div> |  A photograph of the same green PCB component, identified as 'View 3'. This view shows the component from a different angle, highlighting a circular component (possibly a microphone or speaker) and a connector. It is placed on the same blue textured surface next to the same black L-shaped ruler for scale.                                                                                                                                                                                              |
