REQUEST FOR CONFIDENTIALITY - FCC

FCC ID: 2A9LZ-HPNV4

Pursuant to Sections 0.457(d) and 0.459 of the Commission's Rules and [FCC Guidance document 726920](#), we hereby request confidential treatment of information accompanying this application as outlined below:

PERMANENT LONG-TERM CONFIDENTIALITY:

Schematics
Bill of Materials/Parts List
Block Diagrams
Theory of Operation
Internal Photos

When the device is marketed before the requested number of days listed above, the grantee will inform the TCB to release the Short-Term Confidentiality information withheld on the FCC equipment authorization website.

The above information contains trade secrets and proprietary information not customarily released to the public. The public disclosure of this information might be harmful to the applicant and provide unjustified benefits to its competitors. The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying materials will not be made before the date of the Grant for this Application.

The Applicant hereby requests long-term confidentiality for internal photos. None of the circuit boards are accessible to users, and pictures of the boards are only stored on The Applicants internal servers with access control. The product is mounted on high-voltage power lines, and is as such only accessible by professional technicians with specialized equipment. All sales of the device are subject to NDA between the Applicant and the Final User, where the Final User commits to keep confidential any information about the device disclosed by The Applicant (see Exhibit 3).

Sincerely,

Signed:
