

A black car charger is shown vertically on a blue textured surface. A wooden ruler is placed horizontally next to it for scale. The charger has 'LENCENT' printed vertically on its side. Below the brand name, there are several certification marks including CEFC, a crossed-out 'X' symbol, and text indicating 'MADE IN CHINA' and 'PD Output: 5V/2A, 12V/2A, 17V/1.5A, 18W Max'. The charger has a silver-colored top and bottom section.
