**PASSAU****User Manual  
SOUNDBAR****Model: S28R**

Please read this manual carefully before starting to operate the unit. This prevents malfunctions and lets you experience all features of your new equipment.

**Dear Customer,**

Thanks your trust and congratulations on getting one of the best soundbar on the market! Please refer to the notes below and follow the instructions to ensure that you use the soundbar correctly and have a good experience with this product. If you got any question on using this soundbar or other issue, please send us a seller message in our Amazon store. You can also contact our support team: cici@misso.com . We will provide a fast solution within 24 hours. Problems are often due to some steps missing or just changing one setting to solve.

Please don't worry since it has 12-month warranty and lifetime service, feel free to tell us if you have any question.

**SAFETY INSTRUCTIONS**

- Read these instructions before using the product.
- Read all warnings carefully.
- Follow all instructions carefully.
- Do not use this apparatus near water.
- Clean only with dry cloth.
- Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- Do not install the speaker system near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Protect the power cord from being walked on or pinched particularly at plug points and the point where they exit from the unit.
- Only use attachments/accessories specified by the manufacturer.
- Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the unit. When a cart is used, be cautious while moving the car-unit combination to avoid injury from tip-over.

**EXPLANATION OF THE SYMBOLS ON THE DEVICE**

**CAUTION** **RISK OF ELECTRIC SHOCK** **DO NOT OPEN** **WARNING: TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER(OR BACK)NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.**

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

To maintain compliance with FCC's RF Exposure guidelines, This equipment should be installed and operated with minimum distance between 20cm the radiator your body. Use only the supplied antenna.

**PACKAGE CONTENTS**

1. Soundbar :1unit
2. Audio Cable :1unit
3. User Manual :1unit
4. Remote Control :1unit
