FAX: +81-4-7185-7993

Date: 2021-01-19

FCC ID: 2AA5WKMP7R2BC

FCC E-Label Information:

1. According to FCC rule part 2.925 (d) justification of using the alternative method of e-labeling for the product

When etched on the surface, the labeling may cause damage or require very expensive techniques.

2. According to KDB 784748 D02 e labeling v02 section 4, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.

- A. User Steps to Access Information

Starting from Home Menu:

Step 1 – accessing submenu (“Information”)

Step 2 – access submenu (“Legal Information”), and regulatory information is displayed.

- B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.

The information is stored on the device, and no special codes/accessories or supplemental plug-ins (e.g., a SIM/USIM card) are required to access the information. Instructions will be provided with the product at the time of purchase, in the user manual.

End user can access to product-related website, a reference (URL) to obtain the website information is provided at the time of purchase in the user manual, packaging material, etc.

Readability of Regulatory Information

Information	on E-label	In Manual
FCC ID number	Yes	No
FCC logo	No	No
15.19 statement (“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”)	No	Yes
Class A / B Digital Device user manual statements	No	Yes
Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment	No	Yes

Above info which displayed electronically is clearly legible no need to aid of magnification, please see below e-label screen.

C. Regulatory Information must be Secure

The regulatory information and dedicated exclusive application(s) or script(s) will be secured and implemented in a factory-set-unalterable format. The regulatory information will be capable of being retrieved and displayed locally and access by the end user. The info is no way to modify by end user.

D. Physical and Temporary label for Purchasing and Importation

Although the e-label has been used, the FCC ID will also be printed directly on the product packaging, so that the product can be identified at the time of importation, marketing, and sales.

E. Additional Considerations(Modular transmitters)

Device is not a modular device.
