GET APP

[iOS & Android users] Search for App on the App store or Google Play Store.
[Windows Phone users] Search for App on the Windows Phone Store.

Available on the **App Store**	ANDROID APP ON **Google play**	Download from Windows Phone Store

System Requirements		
iOs	**Android**	**Windows Phone**
iOS 8+ devices with Bluetooth 4.0 BLE iPhones 4s, 5, 5c, 5s, 6, 6 Plus, 7 and newer, iPad (3ʳᵈ, 4ᵗʰ and 5ᵗʰ gen), iPad Mini, iPod touch (5 gen)	Select Android 4.3 + devices that support Bluetooth 4.0 BLE	Select Windows Phone 8.1+ that support Bluetooth 4.0 BLE
Visit www.mykronoz.com to get the latest compatibility list		

Step 1 : Pairing through the application (Bluetooth Low Energy - BLE)

1. Enable Bluetooth on your mobile device

2. Open **APP** on your mobile device. Sign up if you are a new member or Log in with your existing account. After entering your personal information, select your ZeWatch model and tap Set up

3. Make sure ZeWatch4HR is nearby and select ZeWatch4HR BLE in the list of devices

4. You will receive a pairing request on your mobile device. Press Pair to accept it

5. Then, a pairing request will appear on your ZeWatch4HR display. Press ZeWatch4HR **LEFT** button to accept the pairing

6. When ZeWatch4HR is successfully paired, you will be notified on ZeWatch4HR and on your mobile device's screen

This operation will allow you to synchronize time, date, activity and sleep data, reminders and notifications.

If pairing fails repeat the same steps. Pairing is a one-time process. If you want to pair your ZeWatch4HR with another account, you first need to unpair from the current one. On App, go to Settings > Set up ZeWatch4HR> Unpair. Tap Set up ZeWatch4HR to pair a new device

Step 2 : Manual Pairing (Bluetooth Classic)

1. From ZeWatch⁴HR homescreen page, hold and press the **LEFT** button until a phone icon appears

2. Go to your mobile device's Bluetooth settings and select ZeWatch⁴HR in the list of devices

3. When ZeWatch⁴HR is successfully paired, you will be notified on ZeWatch⁴HR screen

This operation will allow you to make and receive calls with ZeWatch⁴ HR

If pairing fails repeat the same steps.

3. WALLET

To start using MyKronoz Pay contactless payment service, open App and press the wallet tab. Sign up if you are a new member, choose a plan, and follow the instructions on screen to set up and top-up your wallet with the funding methods of your choice (Mastercard, Visa, Amex, PayPal).

To make fast and secure payment with your watch, press the contactless payment icon to enable payment mode, and bring your watch close to the payment terminal. Contactless Payment limits may vary depending on local regulations.

i MyKronoz Pay works at any retailer accepting Mastercard contactless payment. MyKronoz Pay may not be available in your country yet, for more information, visit: www.mykronoz.com/mykronoz-pay/

SAFETY INSTRUCTIONS

Before using the device, read these instructions carefully.

- ZeWatch⁴HR has one built-in battery. Do not disassemble the battery on your own. KRONOZ LLC is not responsible for any damage or personnel injury caused by the removal of the battery or any component.

- This device is not waterproof so keep it away from all sources of heat or humidity. Do not use it near sink or other wet areas. Do not immerse the product in any liquid other than water. Do not immerse the product in salt water. Do not swim wearing this product. Do not use the product underwater.

- Charge the battery in a cool, ventilated room. Excessive temperature during charging could cause heat, smoke, fir or deformation of the battery or even explosion.

- Avoid excessive temperatures. Do not expose this device to excessive smoke, dust sand, or direct sunlight for an extended period of time.

- Do not open, crush, bend, deform, puncture or shred secondary cells or batteries. In the event of a battery break or leak, prevent battery liquid contact with skin or eyes. If this happens, immediately flush the areas with water (do not rub the eye) or seek medical help.

- Do not short-circuit. Short-circuiting can occur when a metallic object, such as coins, causes direct connection of positive and negative terminals of the battery. Short-circuiting may damage the battery.

- Do not use batteries that have been damaged or have been exhausted.

- Keep the batteries out of children's reach and in a safe place to prevent danger.

- Do not dispose of batteries in fire as they may cause explosion. Dispose of used batteries in accordance with your local regulations (such as recycling). Do not dispose as household waste.

- Use only the USB cable supplied to charge this battery. Do not charge fo more than 24 hours.

- KRONOZ LLC is not responsible for any damage caused by improper use of the device.

DISPOSAL AND RECYCLING INFORMATION

After the implementation of the European Directive 2002/96/EU in the national legal system, the following applies: Electrical and electronic devices may not be disposed of with domestic waste. Consumers are obliged by law to return electrical and electronic devices at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details to this are defined by the national law of the respective country. This symbol on the product, the instruction manual or the package indicates that a product is subject to these regulations. By recycling, reusing the materials or other forms of utilizing old devices, you are making an important contribution to protecting our environment.
