Applicant: PerkinElmer Medical Imaging  
FCC ID: 2AA8Z-XRPAD4336  
Correspondence Reference Number: 44786

Dear Evelyn Cherry,

Thank you for your response. We do not intend to continue with this filing. We definitely want the Form 731 application to be canceled. It should never have been started as we are filing through a TCB.

We also want the Grantee name to be changed to PerkinElmer Medical Imaging.

If you have questions or need further information, please contact the undersigned.

Sincerely,

Richard Knispel  
Sr. Design Engineer, Electronics  
PerkinElmer Technologies GmbH & Co. KG
