Subject: FCC Warning Statement

To whom it may concern,

By means of this letter, we, *Visteon Electronics Germany GmbH*, declare that VOLKSWAGEN AG is requested to include the below mentioned FCC warning statements to the vehicle user manual using the device VW MIB2 Entry.

The printing of the vehicle user manual is under authority of Volkswagen AG.

⚠ WARNING

- **FCC WARNING**
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- **CAUTION: Radio Frequency Radiation Exposure**
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines. This equipment should be installed and operated keeping the radiator at least 20cm or more away from person's body in normal use position.
- **Co-location: This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Please, feel free to contact me in case you need any assistance.

Yours Sincerely,
